CENTENNIAL COLLEGE

LAND ACKNOWLEDGEMENT

Centennial College is proud to be part of a rich history of education in this province and in this city. We acknowledge that we are on the treaty lands and territory of the Mississaugas of the Credit First Nation. We pay tribute to their legacy, and the legacy of all First Peoples of Canada, as we strengthen ties with the communities we serve and build the future through learning and through our graduates.

Today, the traditional meeting place of Toronto is still home to many Indigenous Peoples from across Turtle Island. We are grateful to have the opportunity to work in the communities that have grown in the treaty lands of the Mississaugas. We acknowledge that we are all treaty people and accept our responsibility to honour all our relations.

GET READY *To Thrive*

CENTENNIAL PLACE

Whether you're returning to campus after broadening your horizons through global learning or coming to Centennial from another city, province or country, you should always feel at home. We facilitate various housing options, including on-campus residence at Progress Campus and off-campus living, to ensure you feel welcome, comfortable, and valued.

Our central housing services are easily accessible, delivering personalized assistance through in-person or virtual drop-in sessions. Plus, our online orientation portal features a Housing Tracker. When you share your housing plans with us, the tracker helps us to connect you with the right resources at the right time.

We're here to help you find safe, affordable and convenient living arrangements that support your success throughout your studies.

GET READY *To Be Hands-On*

CO-OP PROGRAMS

Apply what you learn in a real-world setting, enhance your resume and build your professional network through Centennial's co-op programs. Combining academic study with practical experience will give you a competitive advantage and boost your marketability before graduating.

Why choose a co-op program?

WORK IN YOUR FIELD
Alternate between classes and full-time work placements with industry partners.

GET PAID
Earn while you learn. Co-op positions are compensated.

GAIN AN EDGE
Acquire professional experience to stand out wherever your career path takes you.

Training for tomorrow's workforce: Impactful employment opportunities

DEVELOP STRATEGIC EXPERTISE...
through business co-ops focused on in-demand areas.

INNOVATE AND CREATE SOLUTIONS...
for the digital revolution in information technology, networking and software engineering.

GAIN HANDS-ON EXPERIENCE...
to power aerospace and aviation, advanced manufacturing systems and automation, and more.

MASTER SPECIALIZED SKILLS...
that keep our cities running with transportation training in automotive, heavy-duty, and truck and coach.

GO BEYOND CO-OP
Engage in capstone projects integrated into your courses, pursue global learning opportunities, secure internships or work placements and more. Centennial's career-focused programming helps you build industry-ready skills.

SKILLED TRADES

What do construction, industrial, motive power and service sectors have in common? They're powered by skilled tradespeople who build, maintain and support essential infrastructure and services. These careers are in high demand and offer strong earning potential and independence.

APPRENTICESHIP

Start building your career while you train. As an apprentice, you'll alternate between paid work and in-class learning with certified tradespeople to complete your trade levels. Hands-on training follows a competency- or hours-based model, tracked through Skilled Trades Ontario (STO), and programs range from two to five years, depending on the trade.

Centennial, an MLITSD-approved Training Delivery Agent (TDA), delivers apprenticeship training at all levels across high-demand skilled trades sectors.

RED SEAL PROGRAM

The Red Seal is Canada's gold standard for skilled trades, proving you've got the skills and knowledge to work anywhere in the country. To earn this endorsement (when it applies), you need a minimum score of 70 per cent on the Certificate of Qualification (C of Q) exam. You'll take the final exam after STO approves all your training.

Explore apprenticeship resources at **skilledtradesontario.ca**

SKILLED TRADES PATHWAYS

High School
Complete Level 1 training through Accelerated OYAP, a high school program that lets you train at Centennial in Grade 12 and may lead to an apprenticeship after graduation.

College
Choose an accredited program of study, and potentially get hired as an apprentice after graduation.

Employer
Find an employer sponsor, sign a Registered Training Agreement, and submit it to Skilled Trades Ontario for apprentice registration.

HIGH-DEMAND SKILLED TRADES SECTORS

Construction
Electricians

Industrial
Industrial mechanics

Motive Power
Automotive and motorcycle technicians

Service
Cooks and bakers

HOW TO PAY FOR COLLEGE

CONSIDER THIS

EDUCATIONAL EXPENSES	ANNUAL COST
Tuition and Fees:	$4,195
Books and Equipment:	$2,580
TOTAL:	**$6,775**

*Costs based on average tuition for two semesters during the 2025/2026 academic year for a program at Centennial (excluding applied degree, post diploma or BScN programs). Estimates do not include personal expenses such as meals, entertainment, transportation, parking, child care, etc.

ONTARIO STUDENT ASSISTANCE PROGRAM (OSAP)

This financial aid program offers funding through grants (money you don't have to pay back) and student loans (money you need to repay once you finish school).

ontario.ca/osap

SCHOLARSHIPS AND BURSARIES (FREE MONEY!)

Each year, Centennial provides over $6 million in scholarships and bursaries funded in part by local employers, organizations and private donors.

STUDENT ACCESS GUARANTEE (MORE FREE MONEY!)

Centennial partners with the government to provide additional financial support if you have been assessed for OSAP and your tuition and book costs exceed OSAP's allowable maximums.

General admission requirements

ENGLISH LANGUAGE PROFICIENCY

All instruction at Centennial is in English. Applicants must demonstrate an acceptable level of English-language proficiency to be considered for admission. See more details at **centennialcollege.ca/english-proficiency**

CO-OP EDUCATION ADMISSIONS

To participate in co-op, register in a full-time co-op-eligible program. Learn more about requirements and the application process at **centennialcollege.ca/applying-to-co-op**

TECHNOLOGY REQUIREMENTS

Many programs use flexible teaching models, including online, in-person or hybrid formats, and may require you to access a computing device that meets minimum hardware requirements. Please check the program page on our website for complete specifications.

WAITING LISTS

A program waiting list is created when the number of eligible applicants exceeds the number of available spots. If additional space becomes available, additional offers are sent to the next highest-qualified applicants based on an average of the required subjects.

COMPETITIVE PROGRAMS

For some programs, Centennial receives more qualified applicants than available seats. Minimum admission requirements do not guarantee a seat in these programs, which often have additional selection requirements.

If you are applying to a highly competitive program, you must submit your application before Feb. 1 to be equally considered among all other applicants. Learn more at **centennialcollege.ca/offers-of-admission**

ADMISSION DECISION REVIEW PROCEDURES

An applicant may submit an appeal to the Registrar for an explanation and review of a non-acceptance decision. The appeal must be made within 30 business days of the date of the College's written decision. Find full details at **centennialcollege.ca/admission-review**.

How to read program information charts

Explore the charts on pages 13 to 49 to find the program that's right for you. Discover the campus program requirements and some potential career titles that program graduates can pursue. Be mindful of the icons below. They indicate the various opportunities available in specific programs.

CAPSTONE
A final-year project that encompasses theoretical and practical knowledge you have attained throughout your studies. It showcases your expertise and ability to apply what you have learned.

OPTIONAL CO-OP
Provides the opportunity to learn by combining academic studies with practical work experience through employment at a participating organization.

FAST-TRACK
Applicable if you are seeking shorter, relevant programs that complement your previous education and experience.

GLOBAL LEARNING EXPERIENCE
Connecting students and staff to global perspectives, people and places, these programs often involve travelling abroad. They vary in duration, destination and academic focus to support professional and personal growth.

INTERNSHIPS AND PLACEMENTS
Integrated into the course curriculum, these experiences are required for academic credit and graduation. Academic schools coordinate these opportunities, which are mandatory for many programs.

OTHER
Other activities may include industry partnership projects, interdisciplinary activities, applied research, entrepreneurial ventures and more. For more program-specific details, please reach out to the email address listed on the program's web page.
