LEARNING EXPERIENCE ↓

Teaching

quality

All our teachers are qualified, EFL English speakers, with many years of experience teaching English as a foreign language. We also have a high ratio of Diploma and Masters trained teachers at our school.

Our teachers plan exciting, interactive lessons so that students are motivated to learn, and our courses are interesting, relevant and enjoyable.

I tell my students that confidence and effort are the keys to real improvement. Progress comes from having confidence and giving your best effort. The students who achieve the most are those who challenge themselves without fear.
