

Job Posting

(Professor / Associate Professor)

Affiliation*	School of Computing
Position title*	Professor / Associate Professor
Number of Openings*	1
Area of Specialization	Science of AI (including machine learning, natural language processing, large language models, world models, optimization, signal processing, and related areas)
Job Description*	The successful candidate will carry out the following duties in the School of Computing, Department of Computer Science: • Conduct research in the fields described above and supervise student research in both Japanese and English. • Contribute to the planning and administration of curricula and related educational programs at the undergraduate and graduate levels, and teach lectures, exercises, and practical courses related to computer science in both Japanese and English. • Undertake other administrative and operational duties necessary for the University, School, Department, and related units. In addition, the successful candidate will engage in activities within one of the eight Visionary Initiatives (VIs), which serve as interdisciplinary research hubs. For an overview of the VIs, please refer to the following: https://www.isct.ac.jp/en/017/research/visionary-initiatives
Qualifications*	• Applicants must hold a doctoral degree, including a Ph.D. • Applicants must have an internationally outstanding record of research achievements in the fields described above and demonstrate the ability and initiative to actively develop new research directions. • Applicants must be willing to collaborate with other faculty members and actively contribute to the administration and management of the School of Computing.
Location*	Ookayama Campus (Nearest station: Ookayama) or Yokohama Campus (Nearest station: Suzukakedai)
Working Hours*	De facto working hours* under the discretionary labor system for professional work: 7 hours 45 minutes per day (38 hours 45 minutes per week) *Hours considered as working hours

Term*	Permanent position The Institute has mandatory retirement, requiring employees to retire at age 65.
Probationary Period	6 months
Salary*	The successful candidate will be paid under the “Annual Salary System with Lump-Sum Retirement Allowance” pursuant to the Institute’s Rules on Wage and Salary for Staff under Annual Salary System with Lump-Sum Retirement Allowance. In accordance with the rules, the amount of annual salary will be determined based on the candidate’s age, highest degree obtained, work experience, and other factors for the first fiscal year of employment, and will be based on performance evaluations in subsequent years. A retirement allowance will be paid separately at the time of retirement. [Annual salary examples (including bonuses, etc.)] - Professor who has 15 years of work experience after completing a doctoral degree (employment starting in April) First year: JPY 9,240,000 (general example) Subsequent years: Minimum: JPY 9,140,000 Standard: JPY 10,280,000 Maximum: JPY 12,410,000 *Minimum and maximum amounts may vary depending on performance evaluations. - Associate Professor who has 10 years of work experience after completing a doctoral degree (employment starting in April) First year: JPY 7,740,000 (general example) Subsequent years: Minimum*: JPY 7,790,000 Standard: JPY 8,640,000 Maximum*: JPY 10,270,000 *Minimum and maximum amounts may vary depending on performance evaluations. Important information (applicable to all positions): <u>The amounts shown above are examples based on the Institute's regulations and are not actual amounts paid.</u> - Additional fixed allowances for commuting, housing, dependents, or other considerations may be provided separately to eligible candidates.

	The amount of the first payment of the Addition to Annual Salary and the Performance-Based Bonus may vary depending on the length of time between the employment start date and the payment date. If a candidate is transferring from another national university or organization, their period of service at the previous institution may be taken into consideration.
Social insurance and other benefits*	Employees' pension, Mutual Aid Association short-term benefits (health insurance), employment insurance, and workers' compensation insurance.
Employer*	President and Chief Executive Officer of National University Corporation Institute of Science Tokyo
Proposed Start Date*	June 1 st , 2027 or the earliest possible date thereafter
Closing Date for Application*	Applications must be received by Friday, December 25, 2026
Selection Process	Selection will be based on document screening and interviews. Following the document screening, applicants may be asked to attend an interview, give a seminar, or participate in other selection activities. Travel and other expenses associated with in-person interviews or similar activities must be borne by the applicant.
Required Documents*	- Curriculum Vitae (using the designated format), including educational background from high school onward, employment history, awards and disciplinary records, and email address. - List of Research Achievements, categorized as follows: - peer-reviewed journal articles, - international conference papers, - review and commentary articles, - books, - patents, etc. Keynote and invited lectures should be clearly indicated. For journal articles and international conference papers, provide the number of citations for each publication and the overall h-index, together with the name of the database* used to obtain these metrics. *Google Scholar Citations, Scopus, Web of Science, or INSPIRE. - Reprints of up to five representative original research papers (photocopies are acceptable). - Record of Competitive and External Research Funding, categorized into Grants-in-Aid for Scientific Research (KAKENHI), commissioned research funding, and other competitive funding. For each grant or project, provide the program/funding scheme, project title, research period, total funding amount,

	role as principal investigator or co-investigator, and, if not the principal investigator, the amount allocated to the applicant. - Summary of Research Achievements and Research Plan after Appointment (free format; approximately two A4 pages). - Summary of Teaching Achievements and Statement of Teaching Goals after Appointment (free format; approximately two A4 pages). - Record of Professional and Social Activities, including positions held in academic and professional societies. - Names, affiliations, and contact information of four referees who may be contacted for references: two based outside Japan and two based in Japan. - Summary Table of Achievements: Download the designated template from the URL below and enter the required information. https://science-tokyo.box.com/s/3dffchp9q3jq5k0a2gjydk74fl0y4hkt
How to Submit an Application*	Combine Application Documents 1, 2, and 4–8 into a single PDF file, combine the reprints specified in 3 into a separate single PDF file, and prepare the Excel file specified in 9. Compress these three files into a ZIP file and submit it through the Web Application System of the JREC-IN Portal. https://jrecin.jst.go.jp/seek/SeekJorDetail?id=D126101153&ln=1 Please note that applications submitted by email or postal mail will not be accepted.
Contacts*	Yuki Arase, Professor School of Computing Email: arase@c.titech.ac.jp
Other*	- Application documents will not be returned. The personal information provided in the submitted documents will be used solely for recruitment and not for any other purpose, pursuant to the Institute's applicable rules and regulations. - Job descriptions and work locations may be subject to change due to organizational restructuring, within the scope defined by the Institute. - The Institute, in order to ensure a diverse workforce, guarantees equal opportunities for all individuals regardless of nationality or gender. - Smoking is prohibited on campus (excluding designated outdoor smoking areas). - Questions regarding the applicability of the "Specific Categories" under the Foreign Exchange and Foreign Trade Act may be asked during the selection process. - For more information, please refer to the following links. https://www.jinji2.jim.titech.ac.jp/koubo/en/ https://www.tmd.ac.jp/english/employment
