

Position Description

Position Title: Lecturer, Law

Position Number: TBC

Classification: Academic Level B

Organisational Unit: School of Business, Law and Entrepreneurship

Department: Swinburne Law School

Position Purpose

As a Lecturer, Law you will be expected to prepare and deliver lectures, tutorials and workshops and to assess students in the relevant law discipline on campus. This includes developing and supporting academic programs and working with the academic team in the development of program change and innovation. The Lecturer, Law position is also expected to mentor and counsel students on academic matters and may also supervise honours, masters and PhD students.

A contribution to the School's research output, income and impact is required. You will assume administrative tasks associated with normal teaching duties and will also contribute to School management and administration generally.

You will be expected to participate in activities that foster and build further on existing links with government, business, communities and the legal profession in Australia and internationally.

The Lecturer, Law position will be within Swinburne Law School. The Department delivers high-quality personalised education and fosters a strong research culture that includes international collaboration, competitive grants and high-quality publications.

Location

This position is currently located at the Hawthorn campus but the incumbent may be required to undertake duties at any of the University's campuses. Thus the incumbent must be willing to travel between campuses and work at a range of locations. Subject to suitability, this position may be eligible for flexible working options such as working from home arrangements.

Reporting Line

Reports to: Dean and Department Chair (Interim), Swinburne Law School

Direct reports: None.

Key Responsibility Areas

Teaching	This position is expected to contribute to teaching at both undergraduate and postgraduate levels in the relevant discipline. This includes the following: • Prepare and conduct classes in specified teaching areas in a variety of modes including face to face, blended and online • Deliver innovative, engaging and industry relevant curriculum in specified teaching areas • Diligently set and assess authentic assessment tasks • Ensure the delivery of high-quality teaching • Be attentive to and provide internationalisation opportunities in curriculum and pedagogy development • Facilitate professional learning for the School's students • Engage in professional development
Academic Leadership	This position is expected to develop and support the academic programs and work with the academic team in the development of program change and innovation. Other duties will include the following: • Contribute to academic program development, unit development and the management activities of the department and the School, including assurance of learning and quality equivalent assessments • Actively contribute to the School's industry-engaged learning programs
Research	This position is expected to contribute to the research culture, activities and output of the School, both individually and as part of teams. This may include the following: • Research publications in quality refereed journals • Research that is impactful and contributes to the discipline and practice • Actively identify and promote collaborative research opportunities and contribute to the development of initiatives designed to enhance such links, including participating in the development of industry and competitive research grants • Supervise masters by research and PhD students
Student Mentoring	• Counsel students on academic matters • Consult with students on careers and industry

Administration	• Undertake the unit coordination process • Attend appropriate meetings and committees at the department and School level • Contribute to the effective administration of units of study within the discipline and across the School • Work cooperatively with professional staff to enhance the student experience • Be an active member of committees as required for the smooth running of the department and School
Swinburne Values	Commitment to the Swinburne values and behaviours: • One Swinburne - We work together, bringing our unique skills to achieve our common purpose and strategy. • Future – Focused - We commit to taking bold strides – ‘moon shots’ – and are constantly innovating, disrupting, renewing and changing to create tomorrow's technology and talent today. • Engaged - We strive to be the most industry-engaged university, to amplify our impact and support all students to be future-ready. • Empowered - We are trusted, and expected, to act and make decisions commensurate with our roles and skills, and to drive continuous improvement, to deliver our common goals. • Accountable - We are accountable for our contributions to Swinburne's success and sustainability, for the ways we work together, and for the outcomes that we deliver for students, partners and society.
Other	• Undertake division-wide and/or university-wide responsibilities as required
