

ELECTIVE CHOICES

Our elective classes complement the Global English, University Preparation Intermediate and IELTS Preparation programs. Every Monday and Wednesday afternoon, you will enjoy a skills-focused elective class.

VGC International College provides a choice of skill or topic-based electives as part of your English Core program. These elective classes allow you to focus on the areas you are most interested in or would most like to improve. Every two weeks, you can pick and choose from a variety of electives for your level.

As you progress from level 3 upwards, you will have a choice of speaking, reading, listening, writing or theme-based elective classes. Level 1 and 2 continue with the core class at this time.
