STUDENT CIRCUS

Student Circus

The Future Leaders initiative is designed to empower international students with the skills, network and opportunities necessary for global career success. We have partnered with Student Circus to offer a powerful employability ecosystem that supports students from pre-arrival through to graduation.

What we're offering OnCampus students

- Access to a curated jobs board featuring UK companies that sponsor international graduates
- Support in centre to build job-ready mindsets and leadership skills
- Live webinars, sessions, and career guidance to help with job applications and highlight the value of international perspectives
- Toolkits and resources tailored to international students' unique career challenges including: an immigration guide and career country guides

This collaboration enhances our wider student experience, aligning with initiatives such as our postgraduate Leadership Launchpad – a focused leadership development programme created with career development experts to equip Pre-Master's students with real-world leadership skills that employers are actively seeking.

The Leadership Launchpad

Offered in collaboration with career development experts, the Leadership Launchpad is a practical online programme designed to give OnCampus students the leadership skills global employers want. It boosts your academic, personal, and professional growth, helping you stand out.

The programme focuses on actionable takeaways through expert-led workshops, real examples, and self-reflection, not heavy theory. OnCampus is committed to helping you build confidence and capability for the competitive job market.

Why take part?

- Develop real-world leadership skills
- Stand out globally
- Build communication and leadership confidence
- Support your studies
