			January 2027 > August 2027		
			March 2027 > August 2027		
5.0 overall with no less than 4.0 in any skill	2.5 terms	£18,150	October 2026 > August 2027		0.5 terms of Extended English and Skills modules
			January 2027 > August 2027		
4.5 overall with no less than 4.0 in any skill	3 terms	£18,150	September 2026 > August 2027		1 term of Extended English and Skills modules
> Your Foundation Certificate options for degree entry in September 2028					
5.0 overall with no less than 4.0 in any skill	2.5 terms	£18,150	July 2027 > June 2028	ℹ	0.5 terms of Extended English and Skills modules
4.5 overall with no less than 4.0 in any skill	3 terms	£18,150	June 2027 > June 2028	ℹ	1 term of Extended English and Skills modules
4.0 overall with no less than 4.0 in any skill	3.5 terms	£21,175	April 2027 > June 2028	ℹ	1.5 terms of Extended English and Skills modules
			July 2027 > August 2028		
	4 terms	£24,140	March 2027 > June 2028	ℹ	2 terms of Extended English and Skills modules
			June 2027 > August 2028		

Academic entry requirements: for all course options above, you need to have completed high school at the required level. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: *kaplanpathways.com/bournemouth/ug-degrees*

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals.

Bournemouth University International College

Foundation Certificate
for Business, Law or Finance

Common modules taken by all students:
- English for Academic Purposes
- Extended Project

You will also take 3 of the following modules that fit your degree and career goals†:
- Contemporary Global Issues
- Entrepreneurship
- Logic and Critical Thinking
- Mathematics

Personal development activities: during your course, you'll also have activities to build practical, digital and employability skills.
Learn more about modules: you'll find module summaries later in this booklet.

ℹ **Optional integrated online internship**
For selected course options and an additional fee (maximum £1,490), you can take an online internship as an additional final term while at the College in the UK. You will:
- apply and further develop your English language skills in a professional setting
- build real-world experience related to your degree subject at university
- gain additional career skills and experience and boost your CV before your degree.

See the undergraduate module summaries section for more details.

Extra support: for courses of over 2 terms, you will take additional modules from a selection of Enhancement and Extended English and Skills options (depending mainly on your IELTS score) before the modules to the left.

Students with at least UKVI IELTS 5.5: you can study a 2.5 or 3-term course that typically includes Enhancement modules to maximise your university preparation:
- Critical Reading, Writing and Reasoning for Higher Education
- Digital Applications
- Independent and Collaborative Study
- UK Society and Culture

Students with less than UKVI IELTS 5.5: you will typically take Extended English and Skills modules to improve your English language and academic skills.

Students with UKVI IELTS 4.5 or 5.0 will typically take:
- English for Academic Study 3
- Independent and Collaborative Study
- Reading and Writing 3
- Speaking and Listening 3

Students with UKVI IELTS 4.0 will typically take:
- English for Academic Study 2 and 3
- Independent and Collaborative Study
- Reading and Writing 2 and 3
- Speaking and Listening 2 and 3
- Study Skills Preparation

† For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.

Academic entry requirements: for all course options above, you need to have completed high school at the required level. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: *kaplanpathways.com/bournemouth/ug-degrees*

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals.

Bournemouth University International College

International Year One
in Business

Common modules taken by all students:
- Accounting
- Economics
- English for Academic Purposes
- Marketing
- Organisational Behaviour
- Quantitative Methods
- The Business Environment

Personal development activities: during your course, you'll also have activities to build practical, digital and employability skills.
Learn more about modules: you'll find module summaries later in this booklet.

ⓘ **Optional integrated online internship**
For selected course options and an additional fee (maximum £1,490), you can take an online internship as an additional final term while at the College in the UK. You will:
- apply and further develop your English language skills in a professional setting
- build real-world experience related to your degree subject at university
- gain additional career skills and experience and boost your CV before your degree.

See the undergraduate module summaries section for more details.

Extra support: for courses of over 2 terms, you will take additional modules from a selection of Enhancement and Extended English and Skills options (depending mainly on your IELTS score) before the modules to the left.

Students with at least UKVI IELTS 5.5: you can study a 2.5 or 3-term course that typically includes Enhancement modules to maximise your university preparation:
- Critical Reading, Writing and Reasoning for Higher Education
- Digital Applications
- Independent and Collaborative Study
- UK Society and Culture

Students with less than UKVI IELTS 5.5: you will typically take Extended English and Skills modules to improve your English language and academic skills.

Students with UKVI IELTS 4.5 or 5.0 will typically take:
- English for Academic Study 3
- Independent and Collaborative Study
- Reading and Writing 3
- Speaking and Listening 3

Students with UKVI IELTS 4.0 will typically take:
- English for Academic Study 2 and 3
- Independent and Collaborative Study
- Reading and Writing 2 and 3
- Speaking and Listening 2 and 3
- Study Skills Preparation

† For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.

Accounting
Learn the main principles and techniques used for financial reporting, analysis, and management accounting in a business context.

Biology
Gain an understanding of biological systems and organisms, as well as key laboratory processes.

Communication Theory
Explore the major theories of communication and analyse different types of communication.

Contemporary Global Issues
Explore the big issues facing humanity in the 21st century, and critically evaluate their causes and effects.

Critical Reading, Writing and Reasoning for Higher Education
Enhance your ability to read and understand complex ideas in English, and to compose convincing written arguments.

Cross Platform Media
Examine the theories and concepts of cross platform and multi-platform storytelling and their applications.

Digital Applications
Develop your digital skill set, helping you use digital tools to support academic study, including using and citing digital sources.

Digital Essentials
Examine digital media and emerging digital technologies, and develop your practical skills and competencies in this area.

Economics
Gain an understanding of macro and micro economics, and explore current trends and issues in the field.

English for Academic Purposes
Develop your English to the level you need for university study, and to really get involved in academic discussions.

English for Academic Study 2
Improve your English grammar and vocabulary in order to communicate in an academic environment.

English for Academic Study 3
Expand your knowledge of English grammar and vocabulary to the level required for degree study.

Entrepreneurship
Familiarise yourself with varied concepts of creativity, entrepreneurship and innovation, and learn how to apply them in business.

Extended Project
Learn how to plan, carry out and report an extended project. You can choose a topic that matches your degree and career goals, and personal interests.

Independent and Collaborative Study
Work independently and in teams on an academic task, and practise applying your subject knowledge and study skills.

Information Technology
Discover the key concepts of computer science, including data representation and programming languages.

Intermediate Digital Applications
Gain a better understanding of the digital landscape, and gain the skills you'll need to use online sources for academic study.

Language in Media
Analyse and evaluate the effectiveness of a range of real-world media industry genres and styles.

Logic and Critical Thinking
Explore the concepts, history and skills relating to logic and critical thinking, and how they apply in real-world contexts.

Marketing
Gain a comprehensive understanding of the main principles of marketing. Learn the skills to analyse and evaluate real-world applications of marketing concepts.

Mathematics
Develop your mathematical skill set in areas such as algebra, coordinate geometry, probabilities and trigonometry.

Media and Society
Evaluate the changing roles and nature of the media and communications industries over time in a global society.

Organisational Behaviour
Introduces the key features of management behaviour, including human resource management. Gain an insight into management and organisational principles, including the impact and effect of 21st century technologies.

Quantitative Methods
Learn how to analyse business data using quantitative techniques. Understand how forecasting is used in a business context using data from a number of sources.

Reading and Writing 2
Develop your English reading and writing so that you can understand and articulate ideas and reasoning.

Reading and Writing 3
Develop your English reading and writing skills to a sufficient level to communicate complex ideas.

Speaking and Listening 2
Practise listening and speaking so that you are better prepared for academic debate and discussion.

Speaking and Listening 3
Improve your ability to listen and speak in English, allowing you to fully engage with academic topics.

Study Skills Preparation
Gain an introduction to the wide range of skills and strategies you'll need to succeed at university, such as research methods and using and citing sources.

The Business Environment
Understand how organisations work within their wider economic, environmental and social context, and how this impacts their decision making.

Tourism and Hospitality
Gain a working knowledge of the tourism and hospitality industries, including how businesses in the sector function, and the external forces that affect them.

UK Society and Culture
Learn more about the culture and society of the UK, and how it differs from others.

Online internship
While you're at the College in the UK, you'll take an online work placement as your final term if you choose a pathway course with integrated internship.

The internship is offered in partnership with Virtual Internships, a leading education company in the field. This gives you the chance to gain valuable work experience with one of 3,500+ companies around the world.

You will choose one of 18 career fields on your internship, based on your chosen progression degree. This will all help you develop important skills, practise your English and give you some great experience to add to your CV.

Find out more at:
kaplanpathways.com/internship

Personal development activities (all courses)

Culture and activities
We'll help you have a hugely beneficial cultural and social experience, and encourage you to explore different activities, sports, crafts and more. You might learn about local history and culture, or develop your wider subject knowledge and understanding of related industries.

Employability and digital skills
Outside of your academic learning, you'll also be taught skills that will be useful at university and later in life. You'll receive help in making the most of your creativity, improving your communication and developing your digital skills. We'll also help you build a CV, portfolio and online profile to empower you after you graduate.

Social networking
Forming a strong social network can be very beneficial, even if it's just to discuss and debate ideas. Not only will you get to know your classmates, you'll also have opportunities to join professional bodies, and network with students and industry professionals: something that can be really helpful when you go on to start your career.
