OnCampus London

Study in the best student city in the world

QS 2025

2026–27

## How Does OnCampus Work?

**Your first step to university success**

Want to study at a top university but need some extra support? OnCampus London pathway programmes are made for international students who don't yet meet direct entry requirements. We help you build the skills, experience, and confidence to succeed.

### 1.

**Prepare for University**

Study with expert teachers and improve your English and academic skills. Our high-quality teaching gives you a strong start and helps you feel ready for university.

### 2.

**Live the University Experience**

From day one, you'll be part of real university life. Study on campus, join social activities, and feel at home in a welcoming global community.

### 3.

**Progress to Your Degree**

Complete your OnCampus programme and progress to a top university. Graduate with a world-class degree and the opportunity to work and study in the UK.

Join our alumni at leading institutions such as King's College London, Queen Mary, University of London, University of Manchester, University of Bath, University of Sheffield and Birkbeck, University of London.

"I would highly recommend studying at OnCampus London because it is the best pathway and preparation for your degree course. I have enjoyed getting to know all the different students from around the world on my course. I have an offer to study Business and Law at Queen Mary, University of London."

**Lisa**, Zambia
UFP Business
Intended progression degree: BSc (Hons) Business with Law, Queen Mary, University of London

# Find Your Place At A Top UK University

**For over a decade, OnCampus London has connected hundreds of international students with their ideal university. Our students progress to thousands of different degree programmes at our trusted University of London partners, universities within London or those further afield in the UK and Europe.**

## 1. Guaranteed offer

OnCampus London allows you to live and study in the UK before you commit to your chosen university. You have three progression options: Guaranteed offer, UCAS + Guaranteed offer or UCAS only. Scan the QR code for further explanation.

*Scan here

## 2. Career focused

Our programmes align with your career goals, providing work experience and industry connections through our partner universities. You'll have opportunities to join our Student Ambassador scheme, become a Content Creator or a class Student Rep to help build your confidence, grow your friendship group and develop those leadership skills before you start your degree. Free access to Student Circus for all our students.

## 3. Personalised support

Our dedicated team is here to assist you from application through to university and beyond. We ensure smooth progression to your degree programme, offer excellent accommodation options and expert visa support. When you start at OnCampus London, you'll have a fun-filled induction week, helping you get to know the area. We'll help you with setting up a bank account, registering with a GP and ensuring you're fully settled in your new home.

"My experience at OnCampus London has been incredible. I've had the opportunity to meet students from all over the world and significantly improve my English. Thanks to the support I received, I now hold offers from five top UK universities and plan to study International Business at either the University of Edinburgh or University of Manchester"

**Sean,** South Korea
UFP Business
Intended progression degree: BSc International Management at University of Manchester

# Exceptional Support To Make Your University Application

Choosing the right university is one of the most important decisions you will make. At OnCampus London, our expert Higher Education Advisors will give you all the information, guidance and support to make this decision from the start of your programme. We'll support with UCAS applications, your personal statement, practice interviews and anything else you're unsure of.

### Undergraduate degrees

**1st Semester**
- UCAS one-to-one appointments
- UCAS drop-in sessions
- Open days and guest lectures
- Apply to five universities

**2nd Semester**
- Interview practice
- Academic reference
- Taster lectures and talks

**3rd Semester**
- Review your offers
- Support to choose a second option if needed

### Master's degrees

Expert university application support

- Guidance on researching degree programmes
- Support with your Statement of Purpose
- Academic CV workshop
- Online application support
- Advice on choosing and confirming your offers

Open days, taster lectures and talks from our University of London Partners

# Student Success

Myagmardorj graduated with a 1st class honours in BA (Hons) Accounting and Finance from Birkbeck, University of London.

*Myagmardorj currently CEO at Gerege MedTech LLC*

**Myagmardorj, Mongolia**
IY1
OnCampus London Alumni

"I studied the International Foundation Programme. I had never studied English before, it was hard at first, but it also helped me prepare for the study at **LSE**. I studied Economics, Social Psychology and double Mathematics. The subjects that I studied at OnCampus helped me to understand the basic knowledge that I needed for study at **LSE**. The support I got from OnCampus was that they helped me to write my personal statement."

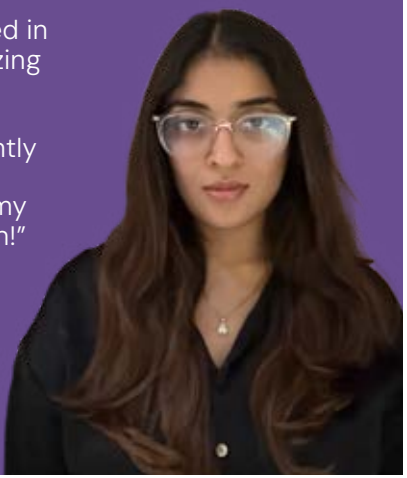

**Jesse, South Korea**
OnCampus London Alumni
Currently studying BSc Politics and Economics at **LSE**

"I would say OnCampus was the best decision I made in my early adulthood. The facilities, support and in particular, the teaching was top notch. I am really grateful to all the teachers and staff. Getting into university was hard, but thanks to Foundations Course at OnCampus London it was achievable. he real advantage is seeing the whole picture and knowing how and where to lead"

**Salimbek, Uzbekistan**
OnCampus London Alumni
Currently studying BSc (Hons) Management - Innovation Strategy Entrepreneurship at University of Manchester

"Studying at OnCampus has helped me bridge the gap into higher education but given me the tools to thrive in a new country and a new education system.
The faculty was exceptional — incredibly supportive, inspiring, and genuinely invested in our success. I was lucky to have such amazing teachers and to be part of a community that offered fantastic opportunities, both academically and personally. I can confidently say it was one of the best years of my life.
Best of all, OnCampus helped me achieve my dream of getting into King's College London!"

**Akshara, India**
UFP Humanities and Social Sciences
Intended progression degree: BA International Relations at King's College London

"I chose OnCampus because it has a great reputation and proven track record of students progressing to top universities. I loved having access to the facilities on the campus of Birkbeck, University of London - they have a great library and restaurants. I would describe OnCampus London as welcoming, knowledgeable and supportive. I would definitely recommend OnCampus London as I feel students would enjoy their time just as much as I did."

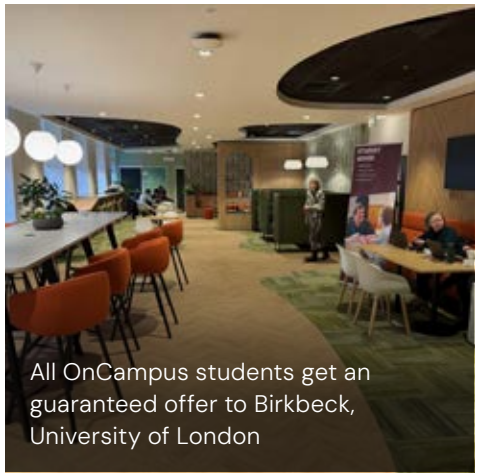

**Harry, United Kingdom**
UFP Business
Intended progression degree: BSc in Mathematics with Management & Finance at King's College, London

# Your Pathway To Career Success

**At OnCampus our focus is on helping you succeed both personally and professionally, with tailored support and real-world opportunities that lead to global career success.**

OnCampus empowers your global career success with personalised support. Our experienced staff offer one-to-one guidance, from course selection to CV perfection and interview preparation, building a strong foundation for your future.

OnCampus Future Leaders

## Future Leaders: Shaping Careers and Building Futures

- Personalised academic and career guidance
- Interview coaching and preparation
- CV and cover letter workshops
- Industry insights, internships and employer connections

We partner with top universities to offer workshops, networking events, and industry-led sessions that connect you with active employers. Students also benefit from career-building opportunities that open doors to internships and full-time roles.

STUDENT CIRCUS

## Student Circus

The Future Leaders initiative is designed to empower international students with the skills, network and opportunities necessary for global career success. We have partnered with Student Circus to offer a powerful employability ecosystem that supports students from pre-arrival through to graduation.

## What we're offering OnCampus students

- Access to a curated jobs board featuring UK companies that sponsor international graduates
- Support in centre to build job-ready mindsets and leadership skills
- Live webinars, sessions, and career guidance to help with job applications and highlight the value of international perspectives
- Toolkits and resources tailored to international students' unique career challenges including: an immigration guide and career country guides

This collaboration enhances our wider student experience, aligning with initiatives such as our postgraduate Leadership Launchpad – a focused leadership development programme created with career development experts to equip Pre-Masters students with real-world leadership skills that employers are actively seeking.

## The Leadership Launchpad

Offered in collaboration with career development experts, the Leadership Launchpad is a practical online programme designed to give OnCampus students the leadership skills global employers want. It boosts your academic, personal, and professional growth, helping you stand out.

The programme focuses on actionable takeaways through expert-led workshops, real examples, and self-reflection, not heavy theory. OnCampus is committed to helping you build confidence and capability for the competitive job market.

**Why take part?**

- Develop real-world leadership skills
- Stand out globally
- Build communication and leadership confidence
- Support your studies
- Gain certification

# Your Pathway To Professional Experience

## Work Placements and Internships

With a strong focus on employability, many undergraduate degrees benefit from dedicated placement year options, integrated work experience, or career-focused modules that allow students to gain the real-world skills employers value most. This means you'll graduate with a top quality, globally recognised degree and hands-on experience, a global network, and a competitive edge when you start to hit the job market. Many of our university partners offer integrated placement programmes, award winning careers team and have a network of employers they work closely and connect students to.

Birkbeck, for example, alongside its award winning careers and enterprise service work with a range of UK employers across multiple sectors, to provide exciting and valuable 12 week, credit baring, micro-placement opportunities to Birkbeck students and recent graduates. For more details visit our website oncampus.global

Aston University offer guaranteed placements or internships on all Master's degrees from September 2025, alongside a huge range of placements opportunities across most of their undergraduate degrees. 30% of these companies offer placement students a job on graduation providing a great opportunity for students to kick start their careers during their degree study.

"I chose to study at OnCampus London because it offers a strong academic base and is well connected to top universities in the UK. My time at OnCampus has been one of the best experiences of my life. The teachers are so supportive and I enjoy discussing global issues with them. Studying here has helped me grow both, personally and academically. OnCampus London is competitive, challenging and rewarding."

**Joana, Angola**
UFP Humanities and Social Sciences
Intended progression degree: BSc Psychology at University of Reading

84.2%

of London graduates stay in the city post-degree—highest retention in England

87.7%

of graduates are in work or further study 12 months after graduation.

Gov.uk

89.4%

of postgraduates are in work or further study 15 months after graduation.

Gov.uk

### Networking Opportunities:

University provides a platform for building a professional network that can be valuable for future career advancement.

### Skills Development:

University education fosters essential skills like critical thinking, problem-solving, communication, and research, which are highly valued by employers.

### Increased Job Prospects:

A degree can open doors to a wider range of job opportunities and can help individuals secure better roles.

# Student Success

Every year our students progress to a wide range of leading universities across the UK. Here's some of the reasons why they love OnCampus London

"Studying in London has been incredible! I have received an exceptional education paired with incredible global food and culture. I love exploring the beautiful parks in London. I would recommend OnCampus London to any students wanting to apply, as it provides a platform for providing quality higher education. The teachers and all of the staff are welcoming and very supportive."

**Nitesh, Nepal**
IY1 Business
Intended progression degree: BA (Hons) Accounting and Finance at University of Greenwich

**95%**

of OnCampus students would recommend to a friend

**87%**

of students received offers from a Russell Group or top QS 100 University, Triple Crown Business School or continued their studies in London in 2024

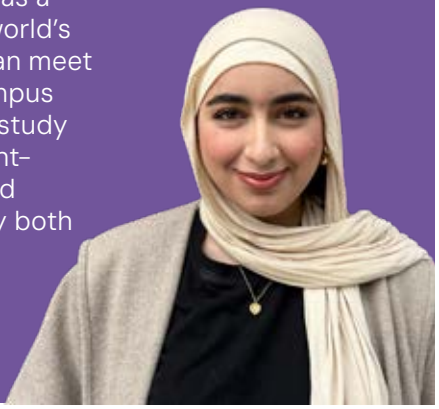

"Studying on the campus of Birkbeck, University of London, in the heart of the city, gave me the opportunity to fully experience the vibrant culture and endless opportunities on offer.

OnCampus helped eliminate barriers like language and cultural differences, making my transition to life in the UK seamless. With essential support in areas like safeguarding, progression guidance, and mental health services, I felt well-equipped to thrive academically and personally. OnCampus is worth experiencing firsthand."

**Cintya, Angola**
UFP Engineering and Science
Intended progression degree: BA (Hons) Chemical Engineering at Queen Mary, University of London

"I chose OnCampus London because it has a great reputation. London is one of the world's most culturally diverse cities and you can meet students from around the world. OnCampus London provides a great enviroment to study and a welcoming, supportive and student-friendly atmosphere. I would recommend OnCampus to prepare you for university both academically and personally."

**Maryam, Saudi Arabia**
UFP Humanities and Social Science
Intended progression degree: BA (Hons) Archaeology at University of Reading

"My friend recommended studying at OnCampus London and it's been a great decision. I really enjoy livng here and spending time with friends in London's many parks. The staff at OnCampus London are really supportive and care about the students. I recommend studying here as you are in the heart of London, surrounded by many top universities and a diverse student community."

**Ruiqi, China**
IY1
Intended progression degree: BSc (Hons) Business at Birkbeck, University of London

"I chose OnCampus London as it has pathways to the top universities in the UK. It also bridged the gap in my education, between high school and university. My goal is to study Business Management at Queen Mary, University. London is vibrant and diverse - people from all cultures and all over the world come here to live, work and study. It's a great place to meet new people. I highly recommend OnCampus London!"

**Tahsan, Bangladesh**

# UNIVERSITY OF WESTMINSTER

Scan here for a Virtual Tour of our campuses

**London is the best student city in the world (QS Best Student City 2025) and, studying at the University of Westminster means there are many adventures and discoveries for you to make, both on campus and beyond.**

At Westminster, you can be yourself and feel part of a supportive, diverse community. As the most diverse university in the UK (Hotcourses Diversity Index 2024), we welcome and support students from all backgrounds. The Times Higher Education Young University Rankings 2024 recently placed us within the top 50 in the world for international outlook.

We provide career-focused, practical courses using industry-standard facilities, helping students build skills and confidence in workshops, labs, studios and collaborative spaces. A revived nine-storey building, set to open in early 2026, will connect students to jobs, placements, events and dedicated career support.

## An ever-growing network of over 3,000 companies

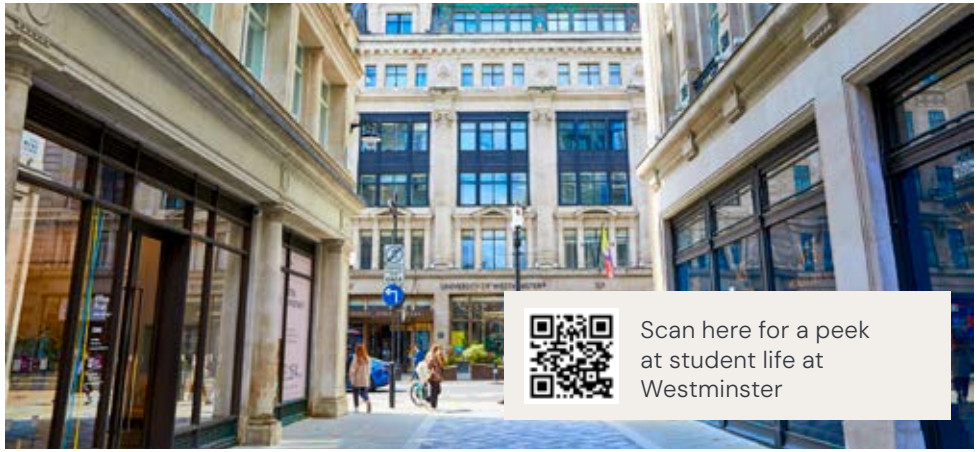

Our partners include large corporates, SMEs and charities, which offer placements and work experience to our students.

University of Sunderland

**The University of Sunderland's main campus is in the north east of England, in the coastal city of Sunderland, offering a beautiful seaside location and a reputation as one of the most affordable places to live and study in the UK. Recently it was ranked among the top 10 UK cities for value-for-money accommodation.**

With 40% of its students coming from outside the UK, the university is proud of its vibrant international community earning its ranking of 2nd in the UK for International Student Diversity (QS World University Rankings Europe 2024).

The University has strong connections with industry and accreditations that help students stand out in the job market. It offers the only undergraduate Pharmacy degree in the UK that leads directly to professional registration with the General Pharmaceutical Council (GPhC) for example. Many of its courses are developed in partnership with leading employers to prepare students for successful careers

# Guide To London

**OnCampus London is based in Bloomsbury, a world-renowned intellectual and literary hub. It was home to early twentieth-century writers, intellectuals, philosophers and artists, including the author Virginia Woolf, and economist John Maynard Keynes who lived in the Georgian buildings, now part of Birkbeck's campus.**

Also known as the academic heart of London, Bloomsbury harbours some of the coolest, oldest and most prestigious schools and colleges in the whole of the UK, with the University of London making Bloomsbury the base for a number of its colleges.

### Georgian architecture

You'll notice this upmarket part of London, filled with tree-lined squares and beautiful 18th century Georgian architecture.

### University of London

has 185,000 students taking over 74,000 courses. Many of these colleges are based in Bloomsbury.

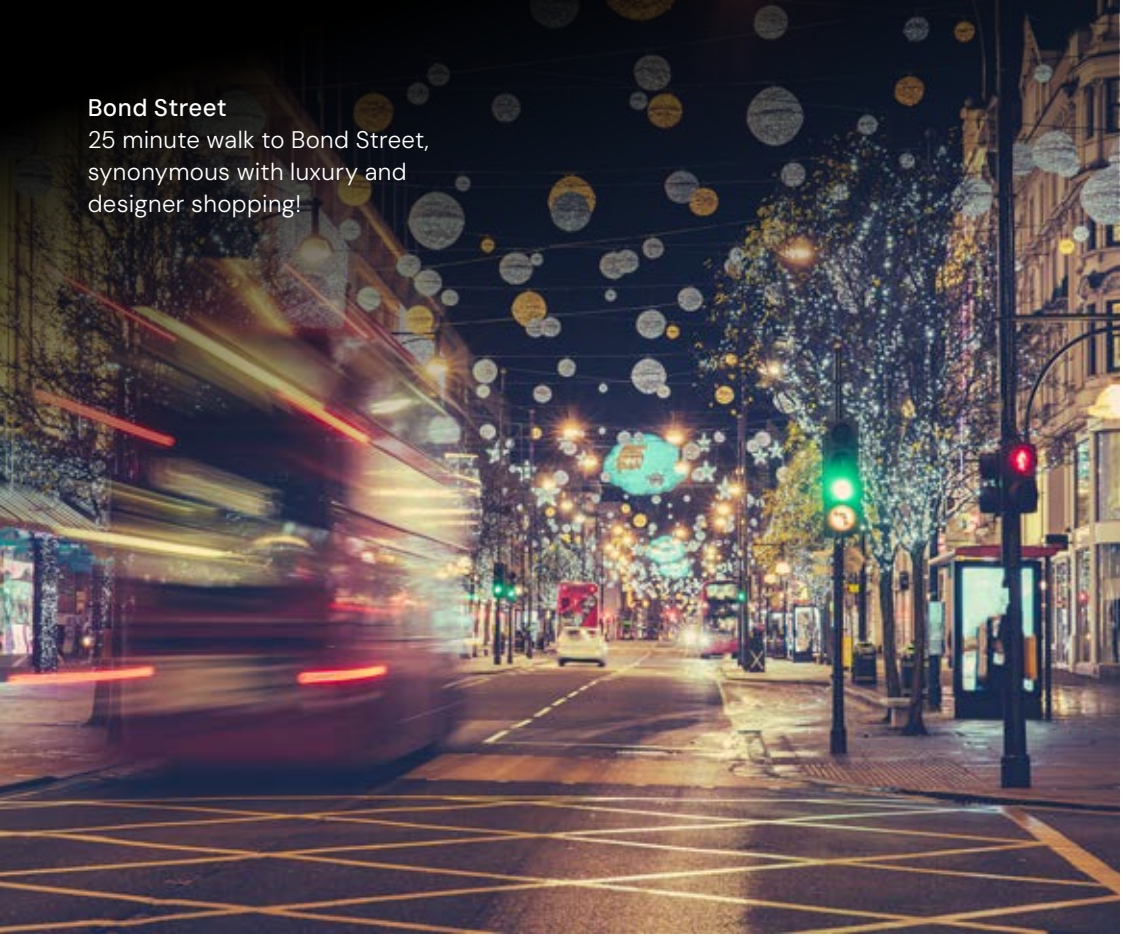

**Over 120,000**

students study on campus at University of London Institutions in London

### Over 200+ museums

in London, with the iconic British Museum being located in Bloomsbury.

**Bond Street**
25 minute walk to Bond Street, synonymous with luxury and designer shopping!

## OnCampus Alumni Recommendation

**China Town**

Authentic East & Southeast Asian shops, restaurants, and more, in the heart of London.

**Outernet London**

Immersive entertainment district, located in central London, with breathtaking arts, culture and music experiences.

## Bloomsbury Publishing

knew a cool wizard when they saw one, and in 1997, commissioned the most profitable book deal ever – Harry Potter

Countless opportunities for post-study work and part-time employment during your studies

**3 cinemas**

within a 10 minute walk of OnCampus London

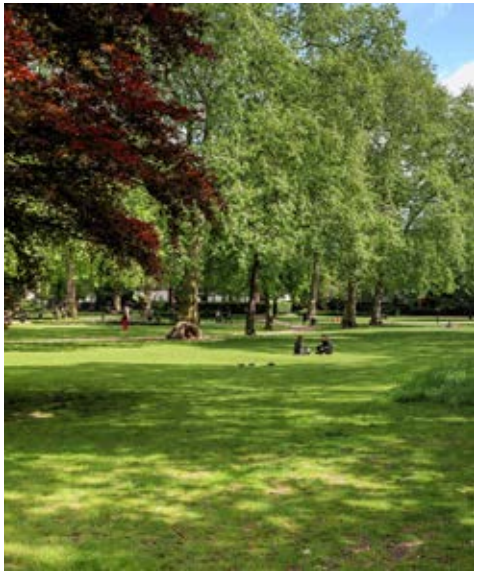

£ $

London is one of the world's financial capitals and home to many Fortune 500 companies.

**Russell Square**

the closest and largest green park to OnCampus London. Its shady lawns are well used on a daily basis by students, tourists and residents.

## Over 80 restaurants
