

2026 STUDY GUIDE

Nottingham Trent University

JAMES GRASSBY

BA (HONS) FILMMAKING

I absolutely love my course – it challenges me and pushes me to my limits while giving me the freedom to express my creativity through film. The support provided to students during and after their degree is excellent, with a diverse team of staff always available to offer guidance, no matter the issue.

WELCOME TO NTU

We're your next step — into higher education, into exciting new opportunities, and into a great career.

We know that employers look for more than just a degree, and that's why getting you career-ready is our top priority. At NTU, we'll help you develop the perfect combination of knowledge and skills, both in and outside of the classroom.

Each of our courses includes 240 hours of hands-on work experience, showing you what your subject looks like in the real world, and what employers are expecting to see. You'll also get exclusive access to part-time, placement and graduate-level vacancies, both during and after your studies.

It's all part of our Employability Promise: a personalised support package that's available from your first day on campus to the years after you've graduated. It's an exceptional offer, and it's why we're ranked as the UK's #1 university for employability.

We've also been voted by students as the best university in the UK. At NTU, you'll blend learning with a vibrant campus life, and countless opportunities for personal growth. We're constantly investing in our facilities and resources to ensure your experience here is the very best it can be.

We'll provide the knowledge, connections and opportunities to discover who you really want to be, and the support to help you on that journey. Your degree is just the beginning, and we can't wait for you to get started.

Find out more:
ntu.ac.uk/whyntu

We're a world-class university with the awards to back it up.

GOLD-RATED UNIVERSITY FOR TEACHING

“Typically, the experience students have at Nottingham Trent University, and the outcomes it leads to, are outstanding.”

TEF 2023 Gold Teaching Excellence Framework

These aren’t our words: they’re the words of the 2023 Teaching Excellence Framework (TEF). Run by the national Office for Students, this independent scheme measures the standards of teaching and learning across British universities. Their ‘Gold’ rating is as good as it gets.

This rating reflects the things we care most about. It proves we’re a university where your learning and growth is our number one priority; where the groundbreaking work of our researchers is embedded in your own studies; and where you’ll be constantly supported, challenged, inspired, and professionally prepared.

We've got the golden touch

With a TEF 'Gold' rating and five separate 'University of the Year' titles spanning 2017-2023 – some from publications like *The Guardian*, *The Times*, and *The Sunday Times*, and others voted for exclusively by students like you – we're one of the leading names in UK higher education.

NTU's further education and skills provision has been graded 'good' with our apprenticeships and adult-learning provision graded as 'outstanding' by Ofsted (January 2025).

Our current and future learners can be reassured that they are part of a community which strives to ensure successful outcomes for all.

Find out more about our TEF 'Gold' rating: **ntu.ac.uk/tef**

EMPLOYABILITY AND CAREERS

We're proud to be ranked 1st in the UK for employability, as voted by students (Uni Compare 2025). In and outside of your studies, we're here to nurture your confidence and personal growth — from what you're learning on your course, to what you're learning about yourself.

Our Employability Promise offers tailored, focused support that's unique to you. Grow your skills and self-knowledge through one-on-one careers coaching, employability workshops, and the chance to get in front of big-name employers. Expand your professional reputation with careers fairs, global networking events, and the priceless employer-facing experiences built into every one of our undergraduate degrees. Enjoy exclusive access to our portal of part-time, placement, and graduate-level opportunities. We'll even help you kick-start your career with a paid internship if you're not in work or further study 12 months after completing your course.*

From your first days on campus to the years after you've graduated, that's our Employability Promise… and when we make a promise, we mean it!

KICK-START YOUR CAREER

We'll support you with your **self-marketing** — everything from crafting the perfect CV or LinkedIn profile to prepping for interviews.

Looking for some inspiration? Our '**Working On It**' podcast shares the professional stories of current NTU students, VIP guests, and graduates from around the world.

We host **careers fairs** all through the year, giving you the chance to meet with leading companies and organisations from around the world.

Our **job-search platforms** give you exclusive access to a huge range of graduate-level positions, placement and volunteering opportunities, part-time roles, and jobs across campus.

If you're a budding entrepreneur, check out **NTU Enterprise**. Our specialist self-employment hub has helped to launch over 500 new businesses since 2001.

Professional experience

Each of our undergraduate courses includes up to 240 hours of employer-facing work experience. That's a huge boost for your career prospects.

With your lecturers' professional connections, first-hand access to NTU's network of local, national and international employers, and the live briefs, consultancy projects and industry competitions that'll help build up your credentials, your future's in good hands. Whatever your subject, we ensure that what you're learning is what employers expect to see.

Some things can't be taught, and the real-world experience of your dream job is one of those things. Each of our undergraduate courses includes the opportunity to complete a paid, year-long placement, giving you the chance to work with real businesses and gain a vital competitive edge in the job market. Make the most of these opportunities, and you won't just be an option for employers — you'll be their priority.

NTU EMPLOYABILITY PROMISE

Employer sessions and employability workshops give you the inside track on what recruiters expect to see, and practical tips that'll help you ace any recruitment process.

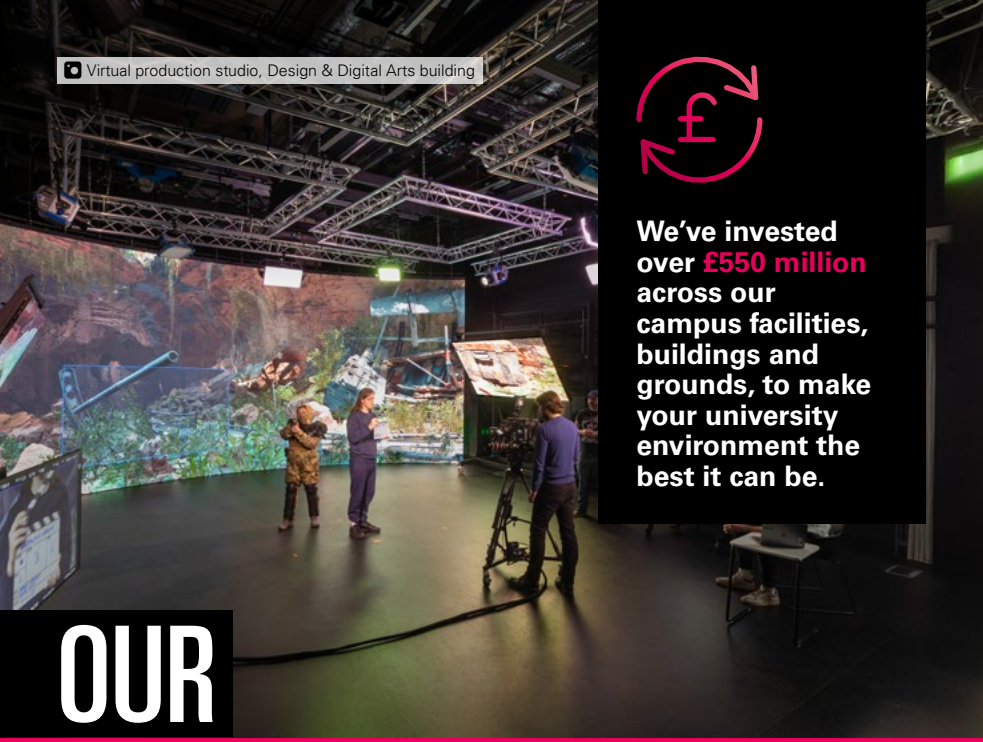

We provide **employability hubs, careers coaching and bookable appointments**, where you can run questions past our friendly, experienced team.

Our **NTU Award** enhances your CV and supports your development by recognising your hard work inside and outside of lectures — from volunteering and work experience to Students' Union activities.

Our **Employability Promise** guarantees you up to three years of post-study support, and a paid internship* if you're not employed or in further study 12 months after graduating.

* Conditions apply

Virtual production studio, Design & Digital Arts building

We've invested over £550 million across our campus facilities, buildings and grounds, to make your university environment the best it can be.

OUR CAMPUSES

Five locations. One home.

From the rolling fields of our Brackenhurst Campus nestled in the Nottinghamshire countryside, to the hustle and bustle of our Nottingham city centre site, all our campuses have their own sense of character.

If a creative career in the capital is your goal, our London Campus could be the key that unlocks the door, while our Mansfield Hub offers the very latest and best in vocational training. If you're a lover of sport or craving a close-knit campus experience, Clifton could be perfect. But the best part is that all our campuses have been designed with students in mind.

So whatever course you choose and wherever you'll be based, at NTU you'll be part of a campus and a university where community comes first — a place where you'll be living and studying alongside everything you could ever need, and where you can constantly make new friends and try new things.

Check out our locations:

CITY CAMPUS

Nottingham city centre

ntu.ac.uk/city-campus

Home to five of our Academic Schools — Nottingham Law School; Nottingham Business School; Social Sciences; Nottingham School of Art & Design; and Architecture, Design and the Built Environment — life on this campus is vibrant, versatile, and always exciting.

NTU's City Campus is a key part of Nottingham's skyline, from the classic charm of our Grade II listed Arkwright and Newton buildings to our ultramodern Design & Digital Arts building, which opened in 2024. Our specialist facilities are here to take your learning to the next level, whether that means getting real experience in our active on-campus law firm, bringing creativity to life in the dedicated digital media hub, or competing in our impressive esports arena.

As if that's not enough, you've also got the beating heart of Nottingham right outside! That's a big part of what makes the City Campus so special: when your lectures are over, all the sights and sounds of the city are waiting for you. It's a diverse and dynamic environment that brims with opportunities during the day, and then truly comes alive at night.

Pavilion building

CLIFTON CAMPUS

4 miles (or a short bus or bike ride) from Nottingham city centre

ntu.ac.uk/clifton-campus

At Clifton you'll enjoy a classic, self-contained campus experience with everything you need on your doorstep. It's home to two Academic Schools – Social Sciences, and Science and Technology – fostering a vibrant and supportive community. Comfortable and convenient accommodation sits alongside premium learning facilities, including specialist labs, an observatory, a crime-scene training facility, and the Clifton Sports Hub.

University Centre

MANSFIELD HUB

14 miles (or a 30-minute bus ride) from Nottingham city centre

ntu.ac.uk/mansfieldhub

Located just north of Nottingham on the outskirts of Mansfield town, and based around the stylish University Centre, our Mansfield Hub specialises in alternative routes into higher education. Across this modern and well-equipped site you'll engage in hands-on learning in facilities including our Teaching and Learning Centre, with mock wards and CAD suites. Our labs, lecture theatre, library and social spaces (including a rooftop terrace) ensure you've got everything you need to excel in your studies.

Brackenhurst Main Hall

BRACKENHURST CAMPUS

14 miles (or a 45-minute bus ride) from Nottingham city centre

ntu.ac.uk/brackenhurst-campus

This picturesque rural campus — home to our School of Animal, Rural and Environmental Sciences — is located next to the beautiful market town of Southwell. As a working farm and estate, it's the ultimate outdoor classroom: 500 acres of woodlands, wetlands, and countryside, and home to countless different species of animals and insects. You'll be learning alongside industry experts and getting hands-on in facilities like our equestrian centre, veterinary nursing and animal units, farm, and laboratories — plus much, much more!

London Campus, Whitechapel

LONDON CAMPUS

In London's historic Whitechapel district

ntu.ac.uk/london-campus

Our London Campus has been purpose-built to offer world-class education in music, events, gaming, and business management. You'll be studying in specialist facilities including a 450-capacity live music venue, design rooms, a virtual production studio, a live events workspace, rehearsal rooms, recording studios and editing suites.

New Hall, Clifton Campus

YOUR NEW HOME: ACCOMMODATION AT NTU

If you choose to live at university, it'll become your home away from home — so it's important that you feel comfortable, safe and happy in your accommodation.

TOP 10
IN THE UK FOR ACCOMMODATION
Uni Compare 2025

Moving to university can be daunting; it might be your first time living independently, and your first experience of being in a new city. It's our goal to make your transition into uni life as smooth as possible, so that you can enjoy the freedom that comes with it, and feel at home in our community.

Whether you're looking for a cosy studio to make your own, or a homely shared flat for bonding with new friends, we've got a mix of university-owned, UPP at NTU and private accommodation options to suit every budget.

When staying in student accommodation, you can count on:

- **Safety and security**
- **A choice of en suite or shared facilities**
- **Great locations on or near campus**
- **Your utility bills and Wi-Fi included in your rent**
- **Friendly Welcome reps who'll be on hand to help you settle in.**

GUARANTEED ACCOMMODATION

We guarantee accommodation for first-year full-time undergraduate students in Nottingham. Your offer may include university-owned, UPP at NTU and private accommodation.

NOTTINGHAM: OUR CITY

Brimming with culture, buzzing with entertainment and steeped in history, Nottingham is a diverse city with over 60,000 students at its heart.

Spend your days browsing independent businesses, lounging in beautiful green spaces, and exploring the historical castle and caves; spend your nights checking out foodie hotspots, bar-hopping, and soaking up the vibrant arts and music scene. We've got the variety, opportunities and thrills of a sprawling metropolis — all within a compact, walkable city centre.

Nottingham is a cultural hub. It's home to four major sports stadiums; museums, theatres and galleries to suit every taste; and countless music and events venues, ranging from intimate indie stages to the impressive Motorpoint Arena with its headline-grabbing acts.

Here, we pride ourselves on our independence, our diversity, and our creativity. Over 300,000 people from all walks of life call Nottingham home, and we'd love you to do the same.

TOP 10
STUDENT CITY
QS Best Student Cities, 2025

Every experience is on your doorstep, but if you do need to venture further afield, the city's central location and excellent transport links will get you there — so home is never too far away.

There's a lot to love about Nottingham

ONE OF THE UK'S TOP 10 STUDENT CITIES...

... ranking ahead of destinations like Sheffield, Leicester, Liverpool and Leeds (QS Best Student Cities 2025)

14 CONSECUTIVE 'PURPLE FLAG' AWARDS...

... recognising Nottingham's diversity, entertainment value and safety

A CITY THAT CARES ABOUT SUSTAINABILITY...

... and is on track to reach Net Zero as early as 2028

AFFORDABLE REGION FOR STUDENTS...

... based in the Midlands, Nottingham is one of the cheapest regions to live as a student in England (National Student Money Survey 2024)

LIFE IN NOTTINGHAM

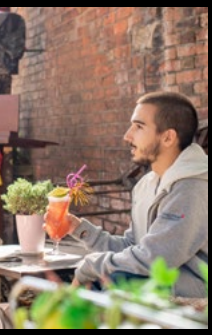

From rent and food to textbooks and laptops, being a student can get expensive. The good news is that living in Nottingham is easy on your bank account: we've consistently been named one of the UK's most affordable student cities, and it's easy to see why.

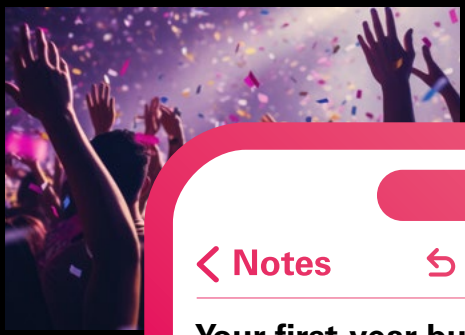

Here, your student status is your VIP pass. There's always an enticing discount or deal around the corner — from students-only shopping nights and cheap bus travel, to discounted event tickets and happy hours at your new local.

When it comes to shopping, you're spoiled for choice, with countless charity shops and vintage stores stocking stylish and sustainable bargains. And when you fancy a break, our huge range of independent restaurants and bars (alongside all the usual chains) are perfect for a budget treat or a cheap night out.

Looking after your money is a huge part of uni life, and we'll help make budget management as easy as possible during your time at NTU. That's why we offer free, specialised financial and employability support for all our students, as well as a range of bursaries and scholarships.

Discover what your new life could look like:
ntu.ac.uk/studentlife

Commuting to NTU

If you're relatively local to NTU, commuting can be a great way to keep your costs down and balance study with other commitments at home. When you're on campus, you'll have everything you need at your fingertips — from food outlets and social spaces to secure, free-to-use storage for baggage and bikes. You'll have all the same opportunities to socialise, build connections, and see for yourself what makes NTU so special.

Find out more at:
ntu.ac.uk/commuter

Notes

Your first-year bucket list

- Enjoy a gig at Rock City
- Catch a Forest, Notts, Outlaws, or Panthers game
- Find a hidden cocktail bar (hint: Lost Property, Coco Tang, The Hockley Arts Club...)
- See a show at the Playhouse, or a film at Broadway — voted one of the world's top 100 indie cinemas
- Grab a gourmet treat from Doughnotts
- Explore Nottingham Castle and the caves
- See the city lit up from the big wheel at Goose Fair
- Scope out every White Rose on a charity shop crawl
- Ice skate at the Winter Wonderland
- Have a pint in England's oldest pub

Arkwright building, City Campus

A STUDENT EXPERIENCE LIKE NO OTHER

Your studies are important, but there's more to uni than just your course. Great learning needs to be balanced with a rich, fun-packed life outside your lectures.

What do you love to do in your spare time? What have you never tried, but always wanted to? You'll be amazed how many experiences and opportunities are waiting for you here.

We're inviting you to be whoever and whatever you want to be — to double-down on the things you've always loved, or discover something new and exciting to call your own. That might be an instrument, a language, or a sport; something solo, something social, something casual, or something for your inner competitor. With so many communities waiting to welcome you, you'll have the chance to make your NTU journey exactly what you want it to be.

When we say it's a student experience like no other, we mean it. Find out what really matters to you, get involved, and start building the friendships and memories to last a lifetime.

Whoever you are, whatever your tastes and interests, we're inviting you to make your time here everything you want it to be!

- From anime to animals, worship to Warlocks, and film to fashion, we're excited to offer over 100 student-led societies. Build the friendships and memories to last a lifetime!
- Our 'Give It a Go' programme includes trips around the UK, wellbeing and self-care activities, and professional development sessions — all great opportunities to learn something new about yourself.
- Add some priceless experience to your CV by getting involved in community initiatives, and giving something back.

NTSU: YOUR STUDENTS' UNION

Students' Union building, City Campus

From the day you enrol on your course, you're officially a member of Nottingham Trent Students' Union (NTSU).

We're here to support you and make your university experience the best it can be. NTSU's buildings are places to relax, meet new people, and try new things. Here, you'll find support staff, student mentors and elected representatives, all dedicated to making sure that your voice is heard, and that you enjoy your time at university.

> **NTSU is committed to celebrating and supporting our diverse student community — we champion inclusivity.**

NOTTINGHAM TRENT STUDENTS' UNION

USMAN NAJIM

LLB (HONS) LAW WITH CRIMINOLOGY

I found out about my course at an NTU open day. My experience has been fantastic and Nottingham is the best student city. NTU stands out for its diversity and offers so much support to its students.

NTU SPORT

From light workouts to elite competition and a thrilling annual Varsity series, NTU Sport has something for everyone.

- We've got a stellar sporting pedigree. NTU placed 7th in the 2023/24 British Universities & Colleges Sport (BUCS) league.
- For beginners looking to experience something new, try our award-winning 'Play for Fun' initiative — winner of BUCS' 'Participation Programme of the Year' in 2023.
- For elite competitors, we offer dedicated sports scholarships, high-quality strength, conditioning and nutritional coaching, personalised physiotherapy, and more.
- Enjoy flexible access to a huge range of top-notch facilities and friendly, instructor-led fitness classes through our discounted gym memberships, from £7.99 per month.
- From powerlifting to pole-dancing, we host over 60 sports clubs – and everybody's welcome!

ntu.ac.uk/sport

NTU ARTS

Here to broaden your creative horizons, we offer free or affordable activities and events for all tastes and talents – whatever you're studying.

- Try your hand at drawing, painting, pottery and stop-motion animation, or join us to explore Nottingham's galleries, theatres, and heritage sites.
- For singers and musicians, we offer generous scholarships, instrument hire and tuition, rehearsal spaces, and a collection of choirs, bands and ensembles to join.
- If words are your passion, we've got writing workshops and reading groups — as well as masterclasses, mentoring, and open-mic nights featuring published authors.
- Our live spaces – Metronome, Bonington Gallery, and University Hall – host everything from poetry slams and lo-fi indie gigs to art exhibitions and global roots music.

ntu.ac.uk/ntu-arts

ntu.ac.uk/global

NTU GLOBAL

NTU's diversity is one of our biggest strengths: we're home to students and staff from over 160 countries! You'll find unexpected new friendships, opportunities and perspectives here.

- Relax in the Global Lounges on our campuses
- Learn a new language
- Celebrate Global Week (our annual festival)
- Join a whole host of student-led cultural clubs and societies.

ntu.ac.uk/volunteering

NTU VOLUNTEERING

Volunteering helps you develop lifelong skills. It's a great way of settling into Nottingham, supporting other people, and delivering real change throughout your community. Find the right opportunity, and it could add a whole new dimension to your NTU experience.

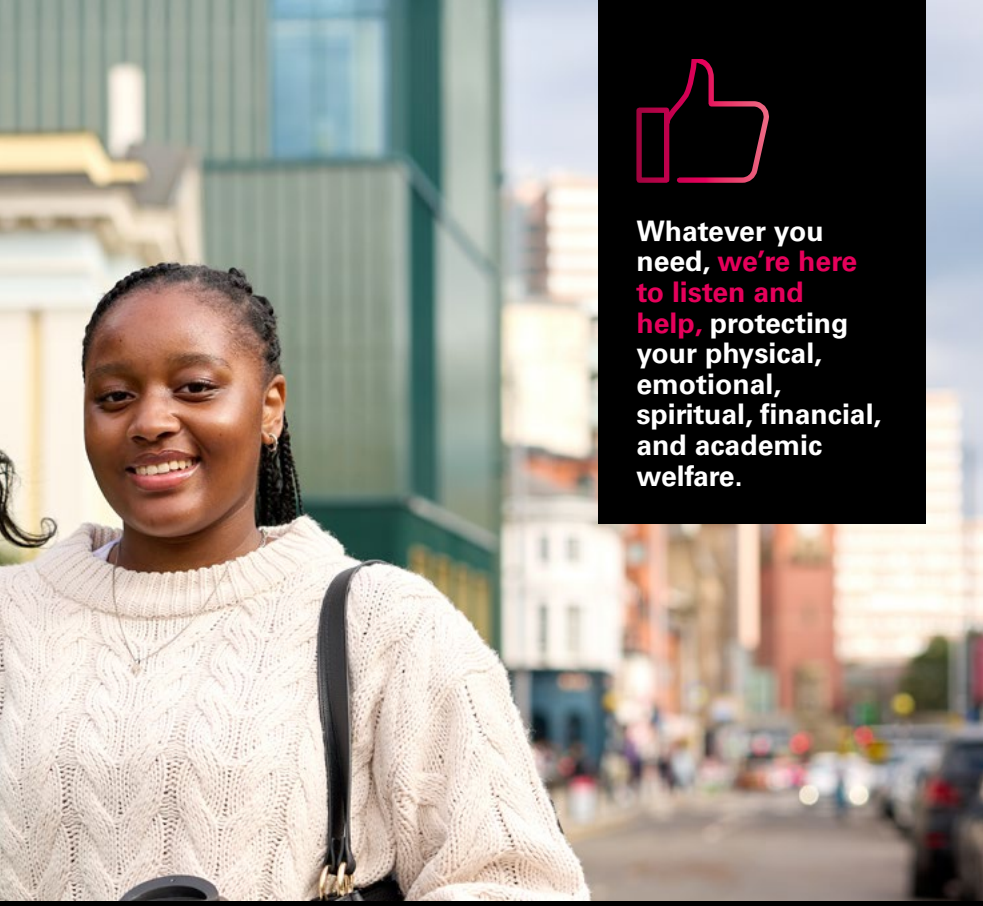

Our huge range of voluntary roles are built to fit around your requirements, and the needs of the wider community. From day one, you'll have the chance to make your mark on the big issues that you care about most — whether that's homelessness, conservation projects, or working with young people in sport and the arts.

SUPPORT YOU CAN COUNT ON

University is an exciting, life-changing journey — but one that also comes with the challenges of independent living and being your own boss. It's not unusual to encounter a few bumps along the road, and if any issues arise, our award-winning support services have got your back.

Our experience is built around treating you as an individual and recognising that great support isn't just a one-size deal. There's nothing we haven't seen or helped our students with; you might be feeling a bit homesick in your first few weeks, trying to get your finances in better shape, wanting to change your study arrangements because of a health condition, or simply looking for someone to talk to.

Whatever you need, we're here to listen and help, protecting your physical, emotional, spiritual, financial, and academic welfare.

You'll have access to:

- **Your own personal tutor**
- **A Student Mentor – a second – or final-year student from your course**
- **24/7 support services at the click of a button**
- **Year-round access to a range of workshops and networking events**
- **Comprehensive personalised support to give you the best shot at success.**

For more details of our award-winning support services, visit: **ntu.ac.uk/support**

Lyth building, Brackenhurst Campus

YOUR HEALTH AND WELLBEING

Our goal is to help you thrive by ensuring your safety, satisfaction, and comfort. Our Equality, Diversity and Inclusion team work hard to maintain a culture of safety and respect for every one of our students, ensuring you're seen, heard, and valued.

You'll have on-demand access to a huge range of welfare resources at NTU, including:

The **Disability and Inclusion Services team**, who'll coordinate tailored support for any learning differences, and mental health / autism spectrum / physical conditions

Student Health and Wellbeing Services, including Wellbeing Advisers, Mental Health Advisers, and a confidential on-site Counselling service – who can offer advice, guidance, one-to-one support sessions and signpost you to local services

Our **wellbeing toolkit**, which gives you access to advice, activities across campus, and resources like SilverCloud – the online therapeutic platform

Student Support Advisers in each of our eight Academic Schools, who can help you resolve course issues or any personal difficulties

The **HealthyNTU** team, who stage events from our Student Mental Health Champions. They can help you by providing advice on topics from sexual health to emotional wellbeing support. They also organise mindfulness, meditation, and creative wellbeing sessions

Specialist support if you're a care-leaver, care-experienced, or estranged student

On-campus **health centres** at our City and Clifton campuses (and nearby to Brackenhurst), plus registration with a local GP

Advice and guidance from the **Student Money Team**, covering everything from funding eligibility to money management

A **multifaith chaplaincy** team who can support you with pastoral conversations at times of need and provide spiritual and faith advice if required

Dedicated **support and English language classes** for international students, helping you to settle into life and study in the UK.

Find out how we can help you: **ntu.ac.uk/student-wellbeing**

Lecture theatre, Clifton Campus

OUR COURSES

This section includes a full listing of NTU's undergraduate courses. It's organised by subject area, providing course titles and qualifications, UCAS codes, typical entry requirements, length and modes of study, campus locations, and the courses' key features.

Titles and qualifications

- Typically, bachelor-level degrees are BA (Hons) or BSc (Hons).
- Some courses have a qualification title that's related to the specific subject area (e.g., BEng, BArch, or LLB). Other higher education qualifications include CertHE, HND, and HNC.
- If the course requires a year of study before the degree, it'll be labelled with 'Foundation Year'.
- Where the qualification starts with an 'M' (e.g. MChem), this is a Masters-level qualification.

Typical entry requirements

- If you're applying for an honours degree or a course with a Foundation Year, you'll usually need to be studying three A-levels, or equivalent qualifications (e.g. BTECs).
- We display entry requirements as UCAS Tariff points, either as a specific total (e.g., 64) or a range (e.g., 112-120). That range means you could be accepted to the same course based on slightly different points, as we consider each application individually and use different factors to build 'contextual' offers.
- We've also highlighted where some courses require a specific qualification, such as an A-level in a particular subject.

Wondering which grades equate to which points?

To quickly convert your predicted grades / actual qualifications into UCAS Tariff points – and then check your total points against the eligibility requirements for your preferred course(s) – visit: **ntu.ac.uk/ucas-tariff-calculator**

KEY

Accredited — this course is accredited by a professional body, institute or company linked to the subject, recognising its standards of teaching and learning.

Study abroad — this course includes the option of studying or working abroad at one of our international partner universities.

Work placements — the course either involves a short placement (non-award-bearing, or with a placement certificate), or a paid placement over one academic year, usually completed in your third year of study.

Contextual offer available — a tailored offer is available, based on your personal circumstances. See page 65 for more information on contextual offers.

To ensure you have the most up-to-date and detailed information, search our course pages at: **ntu.ac.uk/course**

CAITLIN JACKSON

BSC (HONS) ZOOLOGY

My lectures are incredible, and while the coursework can be challenging, the support available makes all the difference. I also had the opportunity to complete a summer placement in South Africa and Kenya, which was an invaluable experience. It allowed me to explore working within the animal industry and build connections with people and companies in the field.

APPLYING TO NTU

Ready to apply? Once you've discovered your perfect course (and its entry requirements), you're ready to get started.

For a step-by-step breakdown of the process — from registering with UCAS, to the difference between firm and insurance choices, right through to results day – visit **ntu.ac.uk/applying**

If your application's successful, we'll send you either:

- a **conditional offer** (where you'll need to meet certain requirements — usually UCAS Tariff points and / or particular grades)
- an **unconditional offer** (with no additional requirements)
- an **alternative conditional / unconditional** offer (where you perhaps haven't met the criteria, but we've found a great course you could do instead).

Our friendly Admissions team will be on hand throughout the process to give you all the support you need — so if you want help, just ask!

TYPICAL TIMELINES

UCAS equal consideration deadline for university applications: **January 2026**

UCAS Extra and late applications opens: **February 2026**

Deadline for universities or colleges to respond to your application: **May 2026**

Contextual offers

You'll see that we also make 'contextual offers' — these can be issued up to two grades lower than our standard entry criteria but may also be unconditional for a course that requires a portfolio / interview. Those offers are based on your background and individual circumstances, which is information we receive straight from UCAS. It's not something you'll need to contact us directly about.

Contextual offers are part of our commitment to ensuring everyone has access to the same great opportunities at NTU.

To find out the requirements for a contextual offer, and whether you might be eligible for one, visit **ntu.ac.uk/admissions-policy**

Looking for help with your application?

ntu.ac.uk/askntu

+44 (0)115 848 2999

ntu.ac.uk/applying

Deadline for deciding on your offers: **June 2026**

Deadline to apply through UCAS Extra and late applications: **June 2026**

Clearing opens: **July 2026**

A-level and BTEC results day: **August 2026**

World Kitchen, City Campus

INTERNATIONAL APPLICANTS

If you need any advice on studying here, our International Development Office team are always happy to help.

You should pay close attention to:

- the entry requirements for your course — find a full list of the international qualifications we accept at **ntu.ac.uk/entryrequirements**
- the English language requirements — if it isn't your first language, a list of accepted English tests can be found at **ntu.ac.uk/englishlanguage**
- the Student visa requirements for studying at NTU — for useful tips on how to make a successful application visit **ntu.ac.uk/visa**

If you need help meeting the language or academic requirements for your course, don't worry. We offer Pre-sessional English for Academic Purposes (PEAP) and undergraduate preparation courses, taught at the Nottingham Institute of Language and Intercultural Communication (NILIC), and Nottingham Trent International College (NTIC) on our City Campus.

Get all the help and support you need: **ntu.ac.uk/myapplication**

FEES AND FUNDING

At the time of publication, the fees and funding arrangements for 2026 entry at NTU haven't been confirmed. In the meantime, keep an eye on the useful links to get all the help and information you need.

As a general guide, here are NTU's tuition fees for 2025 entry:

Home fees

- Full-time undergraduate and foundation degrees — **£9,535** per year
- A placement year as part of a degree — **£1,850** per year
- An academic year spent studying or working abroad — **£1,385** per year

International fees

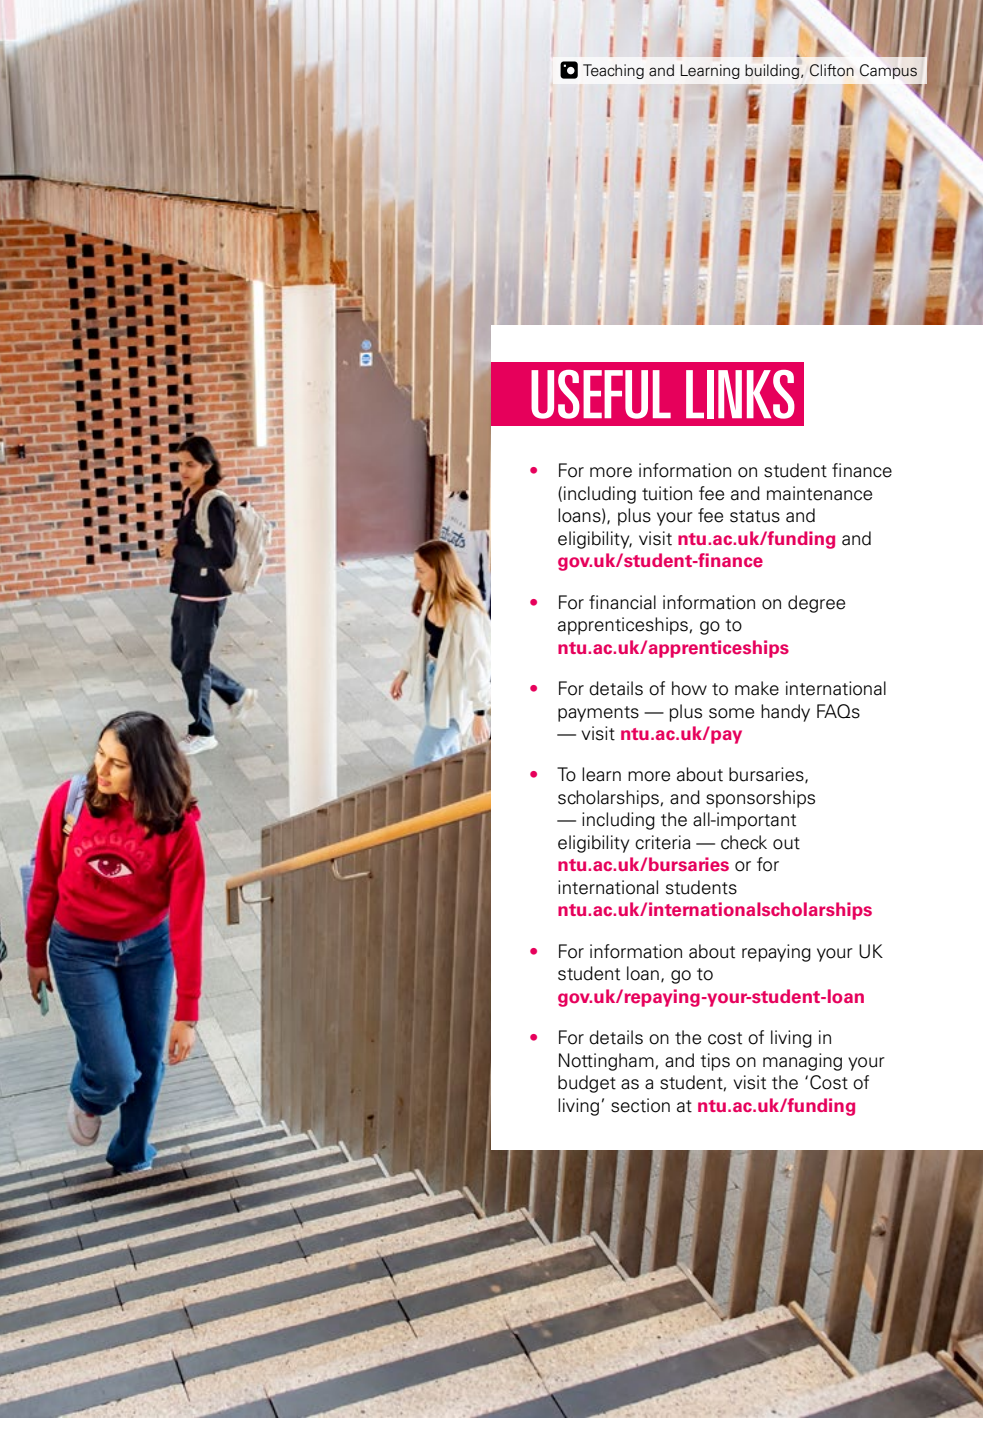

- **£18,250** per year for courses in the Nottingham School of Art & Design, including courses at London Campus, and the Nottingham Business School
- **£17,500** per year for all other subjects
- A placement year as part of a degree — **£1,850** per year
- An academic year spent studying or working abroad — **£1,385** per year

If you've got any questions, our Student Money team will be happy to answer them.

BOTAGOZ ZHAGABAYEVA

BA (HONS) BUSINESS MANAGEMENT AND ENTREPRENEURSHIP

“

NTU provides opportunities to develop both academically and socially. It stood out from other universities because of its helpful support and variety of courses. My course is extremely interesting as entrepreneurship is something I’m passionate about and one day would like to become an entrepreneur.
