Highlights

- A close-knit, welcoming community at one of the nation's largest universities
- **#3** Undergraduate International Business Program
U.S. News & World Report, 2026
- **#6 Hospitality School** among U.S. Public Research universities and **#31** in the world.
QS World University Rankings, 2024

"FIU has given me an experience that has helped me to be who I am now. Every second spent here, be it in class, library, housing quad, residential building, or Global First Year office, the university exposed me to the world and the happenings in it."

Himanshi → India

Location

Miami is an international hub known for its community spirit, lively hospitality, beaches, food scene, and Latin-American culture. Business connections and internship opportunities abound to help you launch your career in a global marketplace.

Florida International University

For international students, the move from your high school to a university in the United States can be challenging—a new language, new ways of learning and a new home. Global First Year is here to help you with whatever you need to ensure your success. Whether you have questions about which classes to take, the best place to live or career opportunities in the area, we are here to provide you with the support you need.

Students applying to Global First Year will benefit from:

- Streamlined application process
- Personalized enrollment services advising
- Visa interview support
- Pre-arrival support
