UNIVERSITY OF CANBERRA

YOUR 2026 INTERNATIONAL COURSE GUIDE

UC IS BUILT ON NGUNNAWAL COUNTRY

Australia is the home of the world's oldest continuous living cultures.

At UC, we're committed to supporting Aboriginal and Torres Strait Islander peoples working to keep these cultures alive and vibrant.

Throughout your time at UC, you'll enjoy fantastic opportunities to celebrate Aboriginal and Torres Strait Islander cultures, whether that's through participating in Indigenous Australian events, course work or supporting advocacy activities.

In addition, UC promotes the educational and professional opportunities available to Indigenous Australian peoples. We provide diverse services to ensure Aboriginal and Torres Strait Islander students and staff are empowered to achieve their best in a welcoming, culturally safe and engaged environment.

The University of Canberra acknowledges the Ngunnawal people, traditional custodians of the lands where Bruce Campus is situated. We wish to acknowledge and respect their continuing culture and the contribution they make to the life of Canberra and the region. We also acknowledge all other First Nations Peoples on whose lands we gather.

WELCOME TO UC

CULTURE ON CAMPUS

Campus life at UC strikes the perfect balance between vibrancy and tranquillity with a little something for everyone. From annual events such as O-Week and Stonefest, to the Moonlight Markets, and Game Seasons, the UC Student Experience team, UCX, keeps campus life interesting. Plus, with over 70 social, cultural, sporting and academic clubs and societies to choose from, UC students have countless opportunities to get connected and find their people.

Find out more about upcoming events: canberra.edu.au/events

INTERNATIONAL STUDENT SUPPORT

At UC we are dedicated to helping you find your feet in Australia, and ensuring you grow and succeed in your goals. This dedicated team is comprised of International Student Advisors and Wellbeing advisors. As your first point of contact for any concerns or challenges, our team are here ready to provide you with individualised support and information on a range of matters including targeted orientation and transition support, cultural adjustment, advice and guidance on studying in Australia and visa requirements.

canberra.edu.au/support-for-international-students

STUDENT WELLBEING

Our Student Wellbeing team provides individualised support and information to help you navigate your journey at UC in the best way possible. You can access confidential advice, referrals and support to help you overcome any challenges you may face while studying at UC.

Wellbeing supports students to settle into study as seamlessly as possible via a range of tailored events, initiatives, and programs. One of these is UC's successful Student Mentor Program, designed to support new students on their study journey in a fun and empowering way. UC Student Mentors are matched with commencing students studying the same or a similar degree – someone who's had a similar experience transitioning to UC and may share similar hobbies and interests.

We also have initiatives in place to create a safe campus for students, staff and visitors, such as our involvement in the Respect. Now. Always. campaign.

LIVE LIFE LARGE

Safe, friendly and welcoming

University of Canberra is committed to having a safe and friendly campus with a strong sense of community.

With over 75 academic, social, cultural and sporting clubs on site, as well as events, prayer rooms, women's rooms, a children's crèche, cafes, shops, 24/7 security, and guaranteed on-campus accommodation at very affordable prices; UC offers a truly safe, friendly and welcoming campus for all.

UCX are your campus life and student experience specialists. UCX are behind many of the brands you'll see on campus at the University of Canberra. They provide you support and services throughout the year via various activities including engaging events, workshops, and festivals as well as keeping you active, both socially and otherwise, with sport and clubs and societies.

Start the year with a bang at UC's Orientation Week. Get ready for classes, find your way around campus, meet new friends and have heaps of fun. O-Week includes free cultural and social events, such as our Amazing Race Challenge, bus tour, student meet and greets, themed trivia nights, toga party and much more. Feel confident going into your first semester with enrolment help, study skills presentations, course advice sessions, and library and campus tours.

UCLife[X] hosts a range of activities and events all year round. These include weekly events such as movie nights, free feeds, trivia, and live music. UCLife[X] are also behind significant campus events like O-Week, Stress Less Week, Cross-Culture Multicultural Celebration, and Graduation Ball.

Connect with people who love what you love. Join one of our student clubs and societies to meet new people, share ideas and expand both your circle of friends and professional network. Whether you're a bookworm, social butterfly, sporting hero or culture connoisseur, there's a club to suit you.

Love live music? The **UCLive**[X] team have you covered! They are your live music experts and known as Canberra's best live music venue bringing some of the biggest international and national names to the nation's capital and pride themselves on supporting local musicians. The UC stages have hosted acts such as The Wombats, Spacey Jane, Vera Blue, Peking Duk, The Amity Affliction and more!

CAMPUS FACILITIES

RESEARCH INSTITUTE FOR SPORT AND EXERCISE (UCRISE)

The University of Canberra Research Institute for Sport and Exercise (UCRISE) is a research and innovation institute established in 2014. Combining **six research themes**, the institute was created to support the University's sporting aspirations through strategic planning and leadership, the co-ordination of sport-related research projects involving both staff and students, consultancy across the University, and development of external partnerships.

UC HOSPITAL

The University of Canberra Hospital (UCH): Specialist Centre for Rehabilitation, Recovery and Research is the largest purpose-built rehabilitation centre in the ACT and surrounding region, with capacity for 140 inpatient beds, 75-day places and additional outpatient services.

UCH features dedicated therapy spaces, including a hydrotherapy pool, therapeutic gyms, and kitchens to promote independence. There are also outdoor spaces, including a rehabilitation courtyard and recreational areas.

Students studying in the Faculty of Health will have classes in the new state-of-the-art Clinical Education and Research Centre (CERC) – the University's shared teaching and research space at the hospital.

SPORTING COMMONS

Our sporting facilities are being developed on campus to help the University become one of Australia's leading tertiary sports institutions in scholarships and research.

Facilities located within the Sporting Commons include gymnasiums, medical and rehabilitation areas, plunge pools, a sauna, a main oval and skills field, and a purpose-built bocce court for Special Olympics ACT.

The Sporting Commons are benefitting our students, with honours and doctoral students working alongside the Brumbies, the AIS and the University of Canberra Capitals to gain valuable experience while they study.

ROBOTICS LAB

Led by Associate Professor Damith Herath, our Collaborative Robotics Laboratory is the hub of our industry-lead, cutting edge development and research work in the area of robotics.

Established in 2017, what started as a group of interested, like-minded staff and students has now become the home to many enterprising industry partnerships, award-winning research projects, and the genesis of growth in the area of robotics at UC.

Our dedicated team of researchers, HDR candidates, students, and professional staff work on various projects in robotics and human-robot interaction, closely involving our industry partners and the arts, education, and health communities to explore new and innovative concepts.

UC SPORT

OUR SPORT STRATEGY

The University of Canberra is committed to becoming Australia's leading university for sport education. By 2026, our goal is to be among the top-three universities in Australia and the top 50 in the world for sport science.

We want UC to be well, and widely known for our commitment to women in sport, diversity and inclusion and sports integrity.

We will bring this vision to life by uniting our staff, students, industry partners, athletes, teams and local community in the pursuit of mission oriented research and an exceptional student experience.

ELITE ATHLETE PROGRAM

As a member of the AIS Elite Athlete Education Network, the University of Canberra is an excellent choice for students with elite sporting commitments. The UC Elite Athlete Program has been designed with talented athletes in mind, supporting eligible students pursuing study at the same time as an elite sporting career. Being a member of the Elite Athlete Program also gives you access to the Eldon and Anne Foote Elite Athlete Scholarships.

eliteathlete@canberra.edu.au

SPORT WALK OF FAME

Sport lies at the heart of UC and is part of our history, present and future. In recognition of former students who have made an impact on the sporting industry the UC Sport Walk of Fame was launched. Inductees come from a number of different sports and are not restricted to athletes, with sports administrators, officials and coaches also amongst the inaugural inductees. Internationally acclaimed sporting stars such an Olympians Lauren Jackson (basketball) and Petria Thomas (swimming) and Australian rugby union player George Gregan are among the former students to be inducted in 2022.

UCFIT^{X} GYM

UCFitx is the University of Canberra's on-campus gym, located in Building 4 and 29. A UCFitx membership lets you access all UC's on-campus gym facilities, including separate weight and cardio rooms, unlimited group training classes, a personalised training program, individual training sessions and discounted sporting facility hire. You can also use UCFitx's on-site showers, toilets and change rooms, and hire lockers so your gear and valuables are safe and secure while you work out.

ucfit@canberra.edu.au or (02) 6201 2542

CAREERS UC

Jobs for Students | Careers for Graduates

Careers UC connects students with job and internship opportunities both on and off campus. We support students to develop their employability skills, and guide them along the pathway to seek and secure employment.

Our Jobs on Campus program provides students with relevant, professional, paid work on campus. Students can work in roles including Student Ambassador, Library ASK Advisor, Food and Beverage Attendant, Communications Officer, Administration Assistant, Events Coordinator, and Data Entry Officer – just to name a few.

UC gives students real-world experience so they can put theory into practice. By embedding Work Integrated Learning opportunities into all our courses, we enhance student readiness for the workplace.

UCs sector-leading programs include:

- Scholarships for students undertaking placement
- Paid semester length internship programs
- International internships
- University-wide programs in Singapore, Thailand, and more
- Campus development: Students have the chance to get involved with our campus development projects at all stages, from design to construction
- Rural and regional programs
- Placements and internships in and around Canberra

WORK INTEGRATED LEARNING (WIL)

Work Integrated Learning (WIL) is central in our approach to education, and something we strive to include in all of our undergraduate courses. Through a variety of different programs and opportunities, WIL is designed to help students boost their employability by getting out of the classroom and into real world workplaces.

WIL Project, or activity that engages individuals or teams to respond to a real-world problem or opportunity under the guidance of the faculty and client, or the faculty.

Placements or internships involve work experience (that takes place at the workplace) under the supervision of the faculty and the workplace supervisor.

Simulation, which can be a project or activity, involves authentic work experience that is undertaken in a simulated work environment, under the guidance of a supervisor. Simulation may be in the physical environment or virtual.

Field work is an approved activity that involves observing, collating information and/ or collecting data/ specimens.

Expenses may be payable to cover costs associated with training and checks for internships and placements, uniforms or personal safety equipment, travel and relocation to placement site.

WE LOVE CANBERRA

IMAGE CREDIT: VISITCANBERRA

TREAT YOUR TASTEBUDS

In Canberra, we take our coffee and our food seriously. Very seriously. Jam-packed with award-winning restaurants, fresh food markets and annual food festivals, you'll never run out of places to eat in Canberra or cool cafés to study at. If you're a foodie make sure you check out the annual street food festival **The Forage**, and head to the **Capital Food Market** and **EPIC Farmers Market** for the best fruit and veg in town.

IMAGE CREDIT: MATT SANDFORD

BARS AND PUBS

No matter your tastes, you'll be impressed with Canberra's booming bar scene. Visit the award winning cocktail bar, **High Jinks**, relax at Canberra's largest pub **Assembly** in the heart of bustling Braddon, or visit the pool room at **Civic Pub**. If you're into craft beer, head to **Bentspoke** or **Capital Brewing Co.** to enjoy a pint in a working brewery.

IMAGE CREDIT: VISITCANBERRA

CULTURE

Canberra is home to our national cultural institutions where art lovers can indulge their passions at the **National Gallery of Australia**, while history buffs can glimpse to the past at the **National Museum of Australia**. Whether you're taking in a famous face at the **National Portrait Gallery** or learning about our diggers at the **National War Memorial**, living in Canberra will let you get up close and personal with Australia's cultural heritage.

IMAGE CREDIT: WE ARE EXPLORERS FOR VISITCANBERRA

EXPLORE

Canberra is called the Bush Capital for a reason — our stunning natural surrounds are an adventure-lover's paradise. Walking trails will take you to the summits of Mount Ainslie and Mount Majura, while easy access to Lake Burley Griffin, Lake Ginninderra and Lake Tuggeranong means there are plenty of options for sailing, kayaking and rowing. Extensive campgrounds, cycle lanes, playgrounds, parks and picnic spots mean you'll never be stuck for something to do.

INTERNATIONAL

With around 25 per cent of the population born overseas, Canberra is a truly multicultural city and we're tasting the benefits. The **National Multicultural Festival** takes over the city centre in February with over 300 food stalls from every part of the globe, as well as live music and dancing. Relive your European summer while enjoying cheap and delicious food at the **Harmonie German Club** or **Australian-Croatian Club**.

NIGHTS OUT

If you love live music and partying to some of the biggest names in the country, the **UC Refectory** is going to be your new home for unbeatable entertainment. For adventures off-campus, head into the city's CBD to experience Canberra's thriving nightlife, from the famous **Mooseheads**, video game-themed **Reload**, to 80s-inspired **88mph**.

EVENTS

From food and wine, festivals and gigs to sporting events, Canberra has something for all interests. There are the classic favourites like **Floriade**, **Skyfire**, **Enlighten** and the **Canberra Balloon Spectacular**, we are also home to the Raiders, UC Capitals and Brumbies and also host world-class music festivals including **Groovin' the Moo, Spilt Milk** and **Wine Machine**.

CAMPUS ACCOMMODATION

YOUR NEW HOME

Uni is as much about the friends you make as the courses you take.

Heading off to uni can be incredibly exciting but also quite daunting. Residential Life is UniLodge's structured program of engagement and support, which provides a broad range of opportunities to help residents grow and succeed during their time at UC.

Safety is a priority for students and their families, which is why all UniLodge apartments come with ample security features, including cameras and swipe card access for lifts and doors. From parcel delivery to advice on where to access student support, our friendly property managers, admin team and residential advisors can help students with a range of matters. No matter which property your students decide to call home, rest assured they will always feel safe in their UniLodge student accommodation.

ACCOMMODATION

We've provided an overview of accommodation rates but please check out the website for the complete range of rooms and rates available.

COOPER LODGE	$276.00 – $474.00
UC LODGE	$276.00 – $412.00
CAMPUS WEST	$215.50 – $445.50
WEEDEN LODGE	$215.00 – $346.00

Note: All room rates quoted are based on a 52–week occupancy. The rates exclude the compulsory weekly utility charge. Please refer to the website for complete and up to date information. *Rates accurate as of March 2025,*

Campus accommodation is the perfect way to meet new people and make friends for life. It's amazing how quickly students form friendships and create lasting memories. Our on-campus accommodation provider is UniLodge.

UniLodge offer a range of different living arrangements and price options to choose from. For more details, including accommodation options and prices, visit

canberra.edu.au/accommodation

OFF-CAMPUS

Canberra has plenty of great accommodation off-campus, such as Weeden Lodge. Other options include renting, sharing and homestays.

ACCOMMODATION GUARANTEE

When starting at UC, students don't need to worry about finding a place to live. We offer guaranteed accommodation to all eligible first year domestic students and all international students.

APPLY ONLINE

UC COLLEGE

YOUR PATHWAY TO UC

The University of Canberra College (UCC), located on the UC Bruce campus, became a joint venture between Navitas and the University of Canberra in 2015. UCC provides educational pathways to domestic, international, and Indigenous students, offering quality higher education opportunities to those who would not otherwise gain direct entry into the University. The suite of programs includes English language, enabling programs, and diploma courses.

ENGLISH LANGUAGE PROGRAMS

Whether you're just beginning to speak English, or you've been learning for some time, our ELICOS program has an ideal course for your skill level.

Tuition fees: $520AUD per week

CRICOS	059330F
DURATION	Up to 45 weeks

INTERNATIONAL FOUNDATION STUDIES PROGRAM

The International Foundation Studies course is a one-year program for international students seeking admission to the first year of all undergratuate degrees at the University of Canberra. It is a non-award program designed to equip international students with the skills and capabilities for successful undergraduate study.

Tuition fees: $28,000 per year

CRICOS	089733E
DURATION	3 trimesters (12 months)
INTAKE	March, June and October

GRADUATE CERTIFICATE IN ACADEMIC FOUNDATIONS (GCAF)

The Graduate Certificate in Academic Foundations (GCAF) is a pathway course that allows international students the opportunity to upgrade their qualification to an equivalent of an Australian Bachelor degree. This allows direct admission into selected University if Canberra postgraduate courses.

Tuition fees: from $15,500 per year

CRICOS	097614A
DURATION	1 semester (6 months)
INTAKE	February and August

DIPLOMA PROGRAMS

If you're a domestic or international student aiming for an undergraduate degree but don't meet the entry requirements, UC offers diplomas in **Business, Communication, Design, Information Technology, Health, and Science**. These diplomas provide the support you need to transition to university, with up to one year of credit towards your undergraduate degree upon successful completion.

Tuition fees: from $29,200 – $32,900 per year

DIPLOMA	CRICOS	INTAKE/DURATION
Diploma of Business	070210K	2 trimesters (8 months) June and October 3 trimesters (12 months) March
Diploma of Information Technology	070213G	2 trimesters (8 months) June and October 3 trimesters (12 months) March
Diploma of Design	076136M	2 trimesters (8 months) June and October 3 trimesters (12 months) March
Diploma of Communication	062888G	2 trimesters (8 months) June and October 3 trimesters (12 months) March
Diploma of Health	090071F	2 semesters (12 months) February, August
Diploma of Science	074935G	2 semesters (12 months) February, August

SCHOLARSHIPS

UC offers a range of generous international scholarships. Find out more at **canberra.edu.au/scholarships**

PARTNERS AND LOCATIONS

UC SYDNEY HILLS

The UC Sydney Hills has been run in collaboration with the Education Centre of Australia (ECA) since 2020. ECA is a diverse, multi-sector education group that operates at the forefront of Australian higher education. As an expert in the international student market, ECA provides an extensive global network and unwavering commitment to their students. Their offerings include:

- Bachelor of Nursing 364JA
- Master of Public Health (Extended) HLM102
- Bachelor of Early Childhood Education (Birth to Five) EDB001

TAFE QUEENSLAND

In partnership with TAFE Queensland, UC provides a range of exciting courses in Brisbane (South Bank and Mt Gravatt) including:

- Arts and Design (Honours) 298JA
- Built Environment (Architecture) ABB001
- Built Environment (Interior Architecture) ABB002
- Creative Industries (Acting and Performance) ARB401B
- Creative Industries (Contemporary Music Practice) ARB403B
- Creative Industries (Drama and Performance) ARB404B
- Creative Industries (Visual Arts) ARB405B
- Creative Industries (Applied Fashion) ARB402
- Digital Design (Digital Media) ARB301B
- Digital Design (Game Design) ARB302B
- Digital Design (Visual Communication Design) ARB303B

TAFE NSW

TAFE NSW's nationally recognised qualifications focus on developing practical skills and real world experience. Many of these courses have formal credit transfer arrangements or "pathways" to UC.

Find out more information at **tafensw.edu.au/international**

- Bachelor of Event and Tourism Management MGB401

CANBERRA INSTITUTE OF TECHNOLOGY

CIT's nationally recognised qualifications focus on developing practical skills and real world experience. Many of these courses have formal credit transfer arrangements or "pathways" to UC.

Find out more information at **international.cit.edu.au/study/pathways/university_of_canberra**

NON-TUITION COSTS

Student Services and Amenities Fee (SSAF) is a fee for student services and amenities of a non-academic nature, such as sporting and recreational activities, employment and career advice, child care, financial advice and food services. In 2025, the maximum fee for a full-time student will be $365.00 and $273.75 for a part-time student in 2025.

ADDITIONAL COSTS

Depending on the course you're enrolled in and your units of study, you may encounter other costs.

It's worth noting that UC charges for services such as on-campus parking, printing and photocopying. Plus, you may need access to specific equipment to meet the requirements of a unit. This could include: textbooks or other reference materials, digital devices and associated software, uniforms or personal safety equipment, costs associated with training and checks for internships and placements. You'll need to consider costs associated with getting a student visa too.

Find out more information at **canberra.edu.au/placement-requirements**

Unleash your passion for the creative industries in areas such as writing, heritage conservation, film making, digital media and global studies with a course tailored to you and your interests.

At UC, you'll roll up your sleeves and dive into real-world practical learning from day one. Our expert academics will help connect you with industry projects and internships, so you can study what you love and prepare for a stellar career full of options.

KICK-START YOUR CAREER AS A:

Top 3 in Australia

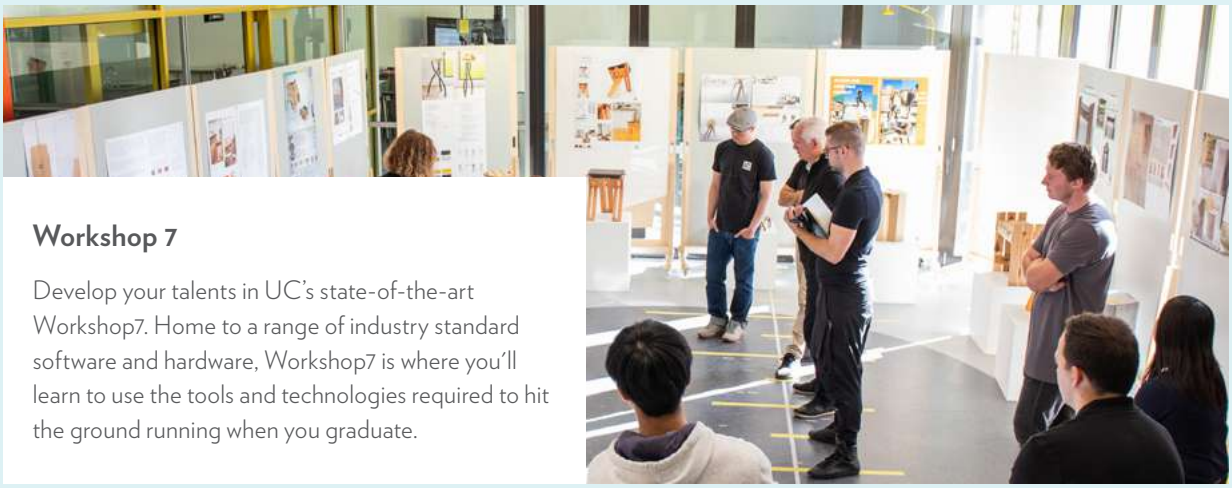

For overall education experience.

(Architecture, GUG, 2024)

Unique to UC

We're the only university in Canberra to offer industry-accredited built environment degrees.

EXPLORE OUR TEACHING SPACES

Workshop 7

Develop your talents in UC's state-of-the-art Workshop7. Home to a range of industry standard software and hardware, Workshop7 is where you'll learn to use the tools and technologies required to hit the ground running when you graduate.

BIM Hub

Our BIM Hub is the first digital building transformation hub of its kind in Australia. This is where you'll use Virtual Reality (VR) and Augmented Reality (AR) technologies to interact with building designs, construction plans, drones, 3D laser scanners, and more.

Robotics Lab

Explore the future of automation in design and manufacturing, with our Universal Robots UR10e robot arm. This technology allows you to construct models that would otherwise be too complex using manual techniques.

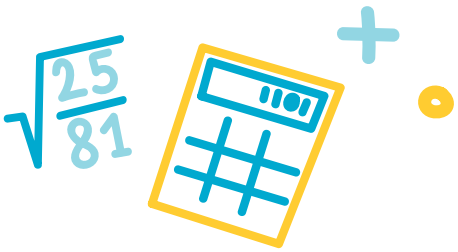

CNC Routing

The Multicam CNC Router can process a large variety of materials to produce 2D "profile cuts" which form kit models as well as 3D route shapes such as landscape contour models with complex-3-dimensional curvature.

Composites Lab

Design and manufacture advance composite objects and structures in our Composites Lab. With facilities for procession 'prepreg' carbon fibre and other fabrics, you can produce industry standard, high quality composite parts in house.

BUSINESS

Each of our business degrees offer a unique and hands-on learning approach, giving you the confidence, specialist knowledge and practical experience to pursue a wide range of careers. Whether you are leading an organisation, working with and for government or planning a new start-up, you'll be equipped to drive positive change in your community.

5-stars

One of Australia's top universities for full-time employment.

(GUG, 2025)

Distinctive benefits

Our teachers and guest lectures are some of the best and brightest in the design sector.

Study your way

With a range of elective options, tailor your studies to match your interests.

CAREERS AND PRACTICAL LEARNING

Thanks to our partnership with the ACT Education Directorate and local schools, you'll trade the lecture theatre for real-world experience in the classroom. Our one-of-a-kind "school-based clinics" provide you with the skills, knowledge and confidence to excel in any teaching environment.

You'll gain real-world experience beyond school-based clinics in professional experience placements of at least 80 days in undergraduate teaching courses and 60 days in postgraduate teaching courses.

HEALTH

With degrees in Nursing, Physiotherapy, Public Health, Occupational Therapy and more, you'll get the hands-on skills needed to care for others across all stages of life. With cutting-edge facilities located right here on campus, you'll learn from some of the best and brightest minds in spaces designed to suit your learning needs. Study the eye in our optometry labs, review x-rays in our radiation science facilities and explore the inner workings of the UC Hospital.

Study at the intersection of academia and industry, thanks to our strong partnerships with local hospitals, healthcare centres, and private practices. Hands-on study is at the core of all our health degrees, allowing you the opportunity to make influential industry connections before you graduate.

KICK-START YOUR CAREER AS A:

Nutritionist, Food Industry Professional, Nutrition and Community Educator, Diagnostic Radiographer, Medical Radiation Practitioner, Midwife, Nurse, Occupational Therapist, Pharmacist, Physiotherapist, Psychologist, Optometrist, Ophthalmic Technician, Optical Assistant

For detailed steps on how to apply, please visit **canberra.edu.au/health**

CAREERS AND PRACTICAL LEARNING

Practical learning is at the heart of all our health courses, providing you with the opportunity to apply your knowledge in various workplace environments.

Our partnerships with industry leaders grant you access to top hospitals, healthcare centres, and private practices across the ACT and beyond. This ensures that upon graduation, you'll enter the workforce with a ready-made network of industry contacts, and the confidence to hit the ground running.

#1 in Canberra

For full-time employment in health services and support.

(GUG,2024)

Industry Connected

Gain access to leading hospitals, healthcare centres, and private practices in Canberra and beyond.

Research Excellence

Explore the latest world-class research leading evolutions in healthcare.

UC Hospital

The largest of its kind in the ACT is a specialised centre dedicated to rehabilitation, recovery and research situated right here on campus. It serves as an integrated hub for healthcare and student education, providing valuable hands-on learning opportunities for our students.

Bachelor of Engineering (Honours)*^	099434M	4 years	S1; S2	TB001	365016	$40,000.00
Bachelor of Information Technology *	019936G	3 years	S1; S2	322AA	366043	$34,800.00
Bachelor of Software Engineering*	054017M	3 years	S1; S2	560AA	366103	$34,800.00
Master of Business Informatics*	087618B	2 years	S1; S2	309JA	880250	$39,300.00
Master of Data Science	099433A	2 years	S1; S2	ITM001	880261	$39,300.00
Master of Engineering	090013E	2 years	S1; S2	354JA	880276	$39,300.00
Master of Information Sciences (Research)	055937G	2 years	Res S1; Res S2	861AA		$32,100.00
Master of Information Technology and Systems*	064327C	2 years	S1; S2	973AA	880267	$39,300.00

* Australian Computer Society (ACS) ^ Engineers Australia (EA)

#1 in Australia

We're #1 in Australia for undergraduate teaching quality in Engineering and Technology.

(GUG, 2024)

Impressive starting salaries

Technology at UC is ranked #3 in Australia for graduate starting salaries.

(GUG,2024)

Hands-on experience

Roll up your sleeves and take part in industry projects, placements and internships while you study.

EXPLORE OUR TEACHING SPACES

Advanced Engineering Lab

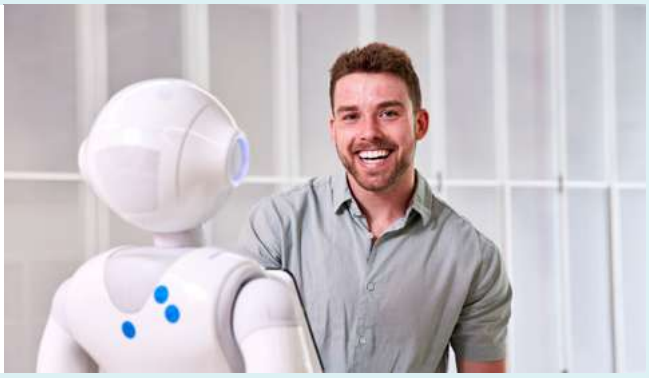

The Advanced Engineering Lab is a state-of-the- engineering teaching space. Designed for flexible teaching of both Robotics and IoT, it provides students with a high-tech, modern learning experience. Opening onto a large deck, the space allows a combined indoor/outdoor experience with room to test and learn both wheeled and air drones.

Network and Cyber Lab

UC's brand new Network Engineering and Cyber Security Lab gives students real, hands-on experience with industry-grade network equipment. With it's own isolated network, students can simulate real-world networking, server and cyber security scenarios, all while understanding the inner workings of an organisation's networking infrastructure.

Innovation Lab

Equipped with high-powered PC's and specialist software, this multipurpose computer laboratory has been specifically created to help students learn mobile technology, games, programming, natural user interface, networking, cyber security and robotics.

INDUSTRY PARTNERSHIPS

Innovation Central Canberra

UC has partnered with Cisco to provide industry and government with access to world-class research opportunities via the Innovation Central Canberra (ICC). This partnership provides an avenue for collaboration and connection between education and industry and has led to some incredible internship opportunities for our students.

Open Source Institute

UC, ACT Government and NetApp have teamed up to launch a regional hub for open source innovation, education and research – the Open Source Institute (OpenSI). The Institute undertakes deep research into open source technologies and provide practical work experience opportunities for our technology students.

How to apply

Degree and Diploma

Research

Entry Requirements

CAMPUS TOURS

A great way to get a feel for campus life is to take a free campus tour. They're available for students and their families every weekday from 10am, 12pm and 2pm.

Tours take about 45 minutes and include a history of the University and a run down of all UC facilities, services, clubs and societies, and university events.

To book a campus tour, visit **canberra.edu.au/campus-tours**
