WELCOME

Dear Students,

A warm welcome awaits you at Malta University Language School. On behalf of our academic team and administration staff, as Head and Director of Studies, I am delighted to introduce you to our school and to assure you of our constant support during your stay with us.
From the moment it was first founded in 1972, the mission of our school has always been to provide a professional and secure environment that will enable our students to reach their full learning potential. Being a small and caring school, we have the luxury of getting to know our students as individuals. Our aim is to welcome you as a student and to see you depart as a friend.

Malta University Language School is the only school on the island that is owned and validated by the University of Malta. We are proud and honoured to have this unique privilege of having such a close bond with a prestigious educational institute such as our university. This affiliation also means that as a school, we are committed to high standards. Our dynamic teaching staff comprises of Cambridge qualified (CELTA and DELTA) teachers who are trained to deliver engaging and motivating lessons to ensure maximum student participation in the classroom. Malta University Language school is also certified by the ELT council here in Malta.
Our language school is found right on Campus at the University of Malta in Msida. This town is very centrally located and enables our visitors to travel easily to all areas in Malta. Msida is a vibrant town and is actually considered a hub for public transport which makes it ideal for our students to explore neighbouring towns and various places of interest. Both the school and the accommodation facilities are in close proximity to each other and this makes your stay with us an enjoyable experience. The recreational facilities and outlets found on Campus will make your stay even more pleasant.

As Director of Studies, I invite you to join us at Malta University Language School, with the full confidence that we will empower you to take your English learning to the next level whilst making sure your stay in Malta is an enjoyable and memorable one.
