THE LINCOLN EXPERIENCE

Going to university can open up lots of interesting, exciting, and even life-changing opportunities. There's simply nothing quite like it.

Here at Lincoln, from the moment we say hello, everything we do is geared towards giving you the best experience possible.

Your Lincoln Life

On our beautiful Brayford Pool Campus you'll find everything you need to live your best student life – whether that's our award-winning accommodation, our cutting-edge learning facilities, or our wide range of places and spaces to socialise in.

Gold-standard Teaching

High-quality teaching will give your student experience the edge. We achieved Gold status in the national Teaching Excellence Framework 2023 – the highest possible rating for delivering consistently outstanding standards of teaching, learning, and outcomes for students.

Preparing for Your Future

We believe that one of the best ways to learn is getting hands-on and putting theory into practice. You can do this through our great industry partnerships. Many of our courses offer opportunities for you to undertake a placement or internship, enjoy a study trip abroad, or even do a spot of volunteering in the local community.

Making a Difference

Research remains central to our mission of transforming lives. It also informs our teaching, making sure our courses are shaped by the latest trends and developments. We encourage you to get involved in our research, providing exciting opportunities to work alongside our expert academics, who are conducting groundbreaking studies that are changing the world.

Our Campus Community

University is not just about studying, though. As a member of our diverse and inclusive community of staff and students, you can immerse yourself in a range of cultures, while soaking up new ideas and exploring different ways of looking at the world. These experiences are the reason why university is so special. They help you broaden your horizons and make lifelong friends and memories.

TRIPLE GOLD

The University of Lincoln is one of a select group of universities to achieve the top Gold rating overall and in both aspect ratings for student experience and student outcomes in the national Teaching Excellence Framework (TEF) 2023.

TEF 2023
Overall: Gold
Student experience: Gold
Student outcomes: Gold
Teaching Excellence Framework

A GREAT CITY

Lincoln is a small, walkable city, great for getting out and about. Our Brayford Pool Campus is located at the heart of it all, meaning there's so much to do right on your doorstep.

Discover the City

Lincoln seamlessly blends medieval heritage with modern city living. Our central campus overlooks the picturesque Brayford Pool, which is just minutes from the high street, where you can find an assortment of shops, cafes, restaurants, bars, and entertainment venues.

Stepping Into History

As you walk along Lincoln's cobbled streets and take in the city's many historic buildings, you would be forgiven for thinking that you'd travelled back in time. Lincoln Cathedral, once the tallest building in the world, has been an iconic part of the city's skyline for nearly 1,000 years and is currently the setting of our spectacular graduation ceremonies.

But First, Coffee

Lincoln boasts an abundance of character-filled coffee shops and cafes to choose from for a date or solo study trip. There are award-winning coffee houses for the true connoisseur, alongside cafes that host arts and crafts workshops to pair with your cuppa. Lincoln even has both a cat and a dog cafe!

The Great Outdoors

Away from the bustling city centre, Lincoln's attractive green spaces are perfect for that wellbeing walk, post-seminar stroll, or lunch with friends. There are commons in the west and south of the city where wildlife flourishes, while the Arboretum, a historic park in the east of Lincoln, is a favourite for picnics.

Retail Therapy

Lincoln's high street is home to all your shopping needs, offering a mixture of independent shops, designer brands, popular chains, and artisan stalls at the regular markets. Whether you're stocking up on essentials, choosing a new outfit, or craving a charity shop crawl, you never need to step outside the city.

Let Us Entertain You

Lincoln is home to a great range of entertainment venues, showcasing the best in live music, comedy, and theatre. The Engine Shed, the largest live music and entertainment venue in the county, is right on your doorstep, and so is our very own Lincoln Arts Centre. The Drill, Southside, and the New Theatre Royal are also within walking distance and feature jam-packed programmes all year round.

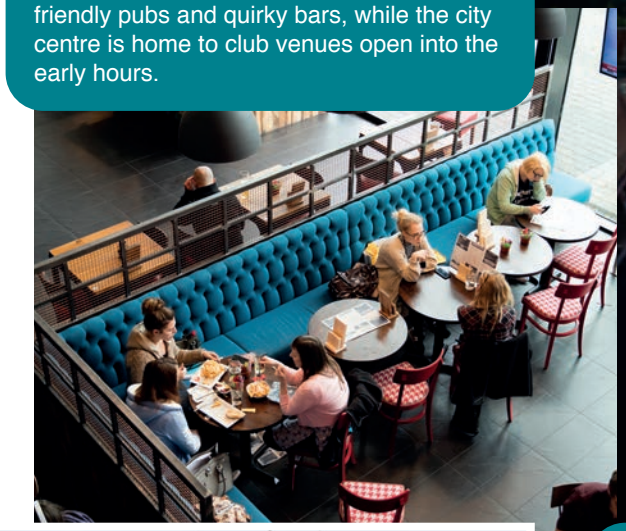

Good Enough to Eat

Close to our campus, you'll find a host of popular restaurants, pubs, and bars with outdoor seating offering wonderful views of the Brayford waterfront. The recently renovated Cornhill Quarter is another vibrant social hub for meals out, cocktails, or street food, with its nearby market hosting a collection of local independent traders for shopping or snacking alike.

Drinks Later?

Whether it's a relaxed pint or going 'out out', Lincoln's nightlife has a mood to match every occasion. The uphill area is sprinkled with friendly pubs and quirky bars, while the city centre is home to club venues open into the early hours.

A Festival Feel

Lincoln is home to an exciting calendar of events with highlights including Lincoln Steampunk Festival, the largest of its kind in the world; Frequency Festival, which commissions artists and companies to create exhibitions focusing on digital media and technology; and Lincoln Book Festival, featuring talks, readings, and discussions with acclaimed writers and public figures.

Out of the Ordinary

Maybe you're looking for something a little bit different. Well, why not try axe throwing, virtual golf, a retro video game arcade, escape rooms, pottery painting, trampoline parks, and much more – many venues offer student discounts to further sweeten the deal.

Take in Some Culture

Delve into Lincolnshire's rich archaeology, dating back nearly half a million years, at Lincoln Museum. The museum is partnered with the Usher Gallery, Lincoln's premier art gallery, which has been open for almost a century. More contemporary arts spaces are scattered across the city, where students and alumni have presented collections or hosted well-attended creative events.

"I loved the city. Everything was within walking distance, including the beautiful cathedral and castle. I have spent a lot of time walking around the green areas, which I found very relaxing."

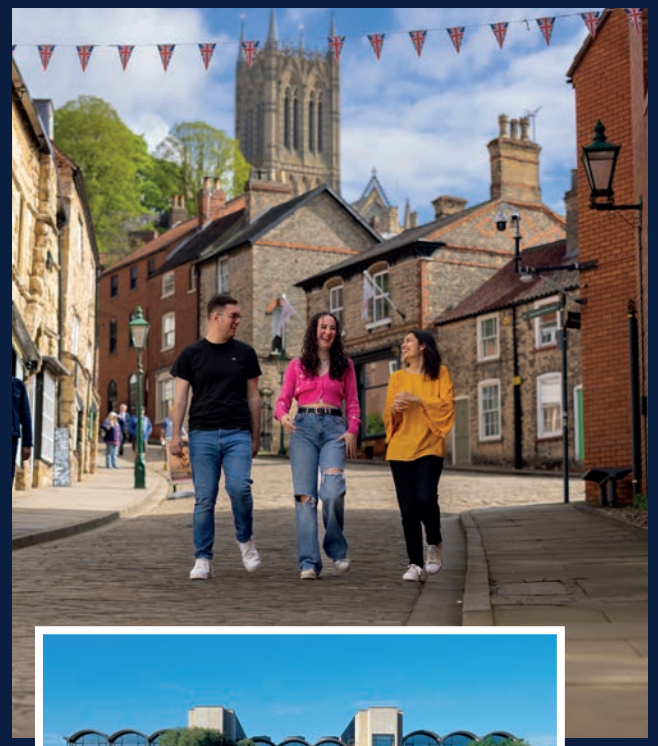

Ondrej Hoberla,
BSc (Hons) Psychology with
Clinical Psychology

Scan the QR code to tour some of our students' favourite places in Lincoln city centre.

OUR LOCATION

Situated in the East Midlands, Lincoln's central location allows for quick and easy access to London and a number of other major cities, including Nottingham, Sheffield, Leeds, Leicester, and Hull.

Commuting to Campus

Thanks to our transport connections, our students can still enjoy being part of our campus community while living at home, with plenty of convenient options to commute into University. Our Brayford Pool Campus is located just a few minutes' walk from Lincoln Central Train Station and Lincoln Transport Hub, which includes the city's central bus station and a 1,000-space, multi-storey car park.

Getting Around

Once here, most students will have little need for a car. Much of the city is within walking distance, and there are many cycle routes connecting Lincoln with local towns and villages. The city's bus services also offer discounted student tickets, covering Lincoln and much of the surrounding area.

LIFE ON CAMPUS

Our Brayford Pool Campus is at the heart of student life. Just a few minutes' walk from the centre of Lincoln, it blends the convenience of studying in a city with the community feel of a campus university.

Buildings and Facilities

You can learn in modern buildings that are equipped with industry-standard facilities, including scientific laboratories, specialist clinical suites, and dedicated arts studios where you can build the skills you need for your dream career.

Libraries and Study Spaces

Our libraries give you access to databases, special collections, books, and journals and feature dedicated study spaces providing a calm, comfortable environment for you to work alone or collaborate with others. Our expert teams are also on hand to support your learning through drop-ins, workshops, and individual appointments.

Keeping Fit

The University's Sports Centre features a fully equipped gym, squash courts, five-a-side football pitches, and much more. There are also regular classes such as Zumba, HIIT, and boxing, which are a great way to make friends and keep fit.

Food and Drink

Thanks to our selection of on-campus venues, you'll be spoilt for choice when it comes to food and drink. The Lincoln Pier Café is a great pre-lecture stop for coffee and cake; The Swan, which is run by the Students' Union, is the perfect lunch spot with chilled, cosy vibes offering everything from light bites to meals; while the SU's sports bar, Towers, is the ideal location if you are looking for a lively start to your evening.

Entertainment Venues

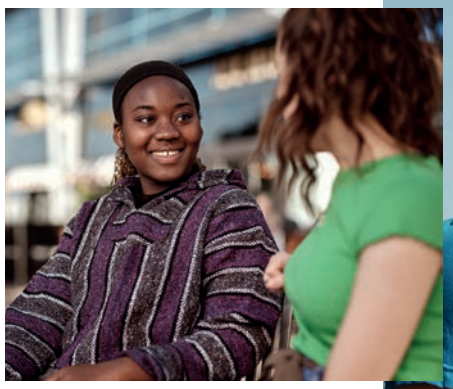

Catch musical performances at The Engine Shed, which has featured artists such as Wilkinson, Blossoms, and The Vaccines, or see a comedy show from the likes of Katherine Ryan, Jimmy Carr, and Milton Jones. Lincoln Arts Centre is also on campus and hosts regular theatrical performances, comedy nights, and workshops. Our students qualify for a Live Pass which entitles them to reduced ticket costs and exclusive offers in the Café Bar.

"The University has fantastic learning opportunities and a great student atmosphere around campus."

Michael Hansford
BA (Hons) International Business Management

YOUR STUDENTS' UNION

Lincoln's Students' Union (SU) is dedicated to making your student experience unforgettable.

The SU is an independent, student-led organisation run on behalf of all University of Lincoln students and is ranked in the top five Students' Unions in the UK in the Whatuni Student Choice Awards 2024.

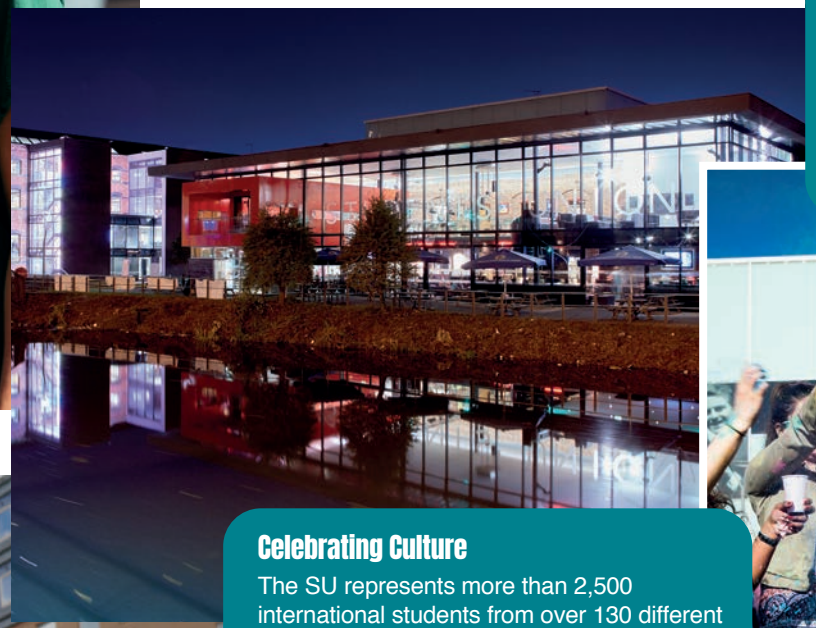

"We are dedicated to providing the best student experience, both academically and personally, by delivering a range of events and services for you to get involved in."

SU Student Leaders, 2024/25

Representing You

Each year, Lincoln's student body elects three student leaders to ensure that the things that matter to you the most are made a top priority. They are supported by a team of Student Experience Officers operating across the University to make sure every voice is heard. Students are encouraged to feed back to their representatives who can then advocate for positive change on their behalf.

Celebrating Culture

The SU represents more than 2,500 international students from over 130 different countries. It delivers a series of events and opportunities throughout the year to help students meet new people, celebrate different cultures, and experience all that Lincoln has to offer.

Here for You

The Students' Union Advice Centre has a team of trained advisors who can provide independent and confidential help, advice, and representation. The SU also offers cost of living support to students who may be experiencing difficulties.

Standing With You

Your Student Leaders are here for you, running events and campaigns based on your feedback to help enhance your overall experience. They lead campaigns such as the annual Reclaim the Night march, where we stand together to promote safety at night. They also organise initiatives to support students during their exams.

The Home of Sports and Societies

The SU oversees more than 100 sports teams and societies. Whether you're into Formula 1, K-pop, cheerleading, or American football, joining one of these societies is a great way to have fun, develop new interests, make friends, and become part of the Lincoln community.

Stay Active, Get Creative

Physical and mental wellbeing can often go hand-in-hand. Our Feel Good Programme offers free, non-competitive social sport sessions, while our Thoughtful Thursdays feature one-off, low-cost craft and creative activities. We're proud to make sports, crafts, and physical activity accessible for all.

If You Can't Beat 'Em, Join 'Em!

Every year, more than 1,000 students get involved in the highlight of the sporting calendar: Varsity. The event sees the University of Lincoln and the University of Hull go head-to-head in over 30 activities, and Lincoln has been crowned Varsity champion now for six years running. Will you help us to continue the legacy?

We're ranked in the top 5 Students' Unions in the UK in the Whatuni Student Choice Awards 2024.

Matchday Ready

Ever dreamed of professional-level football coaching? The University of Lincoln and Lincoln Students' Union have a unique partnership with Lincoln City F.C. Our men's and women's first teams will be selected, managed, and coached by professionals from the club. Go Imps!

Big Nights Out

Join us at Quack!, the biggest weekly student club night in Lincoln, for exclusive deals, giveaways, and a fancy dress theme. It's a great way to let your hair down and meet new friends.

Making a Difference

The SU offers a wide range of volunteering opportunities in the local community, helping you meet new people and develop transferable skills. We also provide professional development opportunities, such as becoming a Programme Rep or a Feel Good Sports Ambassador, both of which can add real value to your CV.

THINGS TO DO IN YOUR FIRST YEAR

Browse the Society Fair to find your fellow Swifties, video game enthusiasts, or keen crocheters - there's a society at Lincoln waiting to welcome you.

Try something new with a free sports taster session. You may be inspired to sign up and start forming lifelong friendships with your teammates.

Check out the houseplant and poster sale to start making your room your own.

Go head-to-head with friends at the SU's The End Zone and Dug Out gaming experiences at Towers.

Visit the well-equipped Sports Centre gym - it's included in your on-campus accommodation fees.

Join an SU day trip and head to Alton Towers, explore major cities, or visit our popular seaside towns.

See an act at The Engine Shed, which hosts top comedians and well-known bands throughout the year.

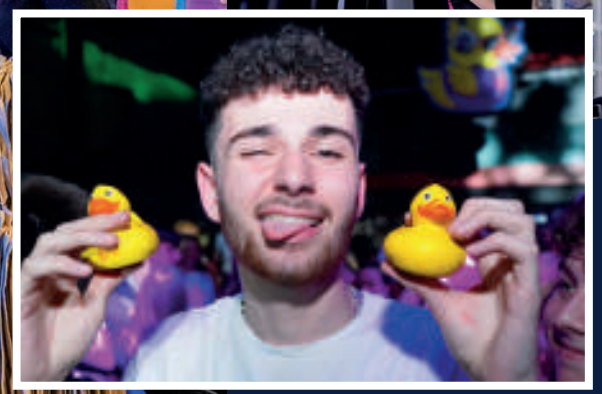

Climb up the aptly named Steep Hill - bonus points if you can do it without taking any breaks!

Test your knowledge at The Swan's regular pub quiz.

Go to the SU's favourite club night Quack! and start your rubber duck collection.

A SUPPORTIVE COMMUNITY

Starting university is a big step, but it's important to know that you're not alone and that we're here to support you throughout your journey with us.

From expert advice in money matters and mental health, to guidance in academic writing and preparing for your first graduate job interview, we're here to help.

Our Student Support Centre brings many of our services together, providing a central point of contact. We know that adjusting to a new way of life and learning takes time, and it's good to have someone to talk to. That's why we connect our students with a personal tutor. Our Student Advice team also offers a free, confidential, and impartial service, helping you deal with your finances, housing, employment, and much more.

We are a member of the Student Minds University Mental Health Charter Programme and received the Student Minds University Mental Health Charter Award for 2024.

Your Health and Wellbeing

It's not possible for everyone to travel home to access healthcare, which is why we have an on-campus Health Centre providing GP access and other health support to our students. The Health Centre is conveniently located on our Brayford Pool Campus, meaning you are never far from getting the help you need.

That Little Extra Support

We understand that you may have many different priorities to juggle, such as your academic work, social life, independent study, and part-time work. Whether you need support with the cost of living, a disability, or a health condition, our team of expert advisors is on hand to help. If you'd like to know more about the support we offer or have any specific needs you'd like to discuss, why not speak to us at an Open Day.

Student Minds

We are committed to providing excellent mental health support and were one of the first universities to join the Student Minds University Mental Health Charter Programme, receiving the Student Minds University Mental Health Charter Award for 2024. Our Head of Student Wellbeing, Julie Spencer MBE, was also named in the New Years' Honours list 2024 for her services to education, receiving an MBE for championing students and supporting their physical and mental wellbeing.

We Are Top 30

We work hard to make sure you have the best possible university experience. In fact, we're ranked in the top 30 out of 130 UK universities for our academic, mental health, and wellbeing support in the National Student Survey 2024.

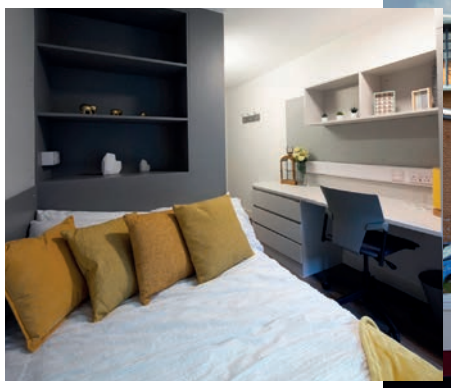

"I feel it's essential our students receive the best possible support. Our Student Wellbeing team always goes above and beyond, showing amazing levels of compassion."

Julie Spencer MBE
Head of Student Wellbeing

GREAT ACCOMMODATION

Your student accommodation is so much more than just a place to live, and one of the many reasons our students love Lincoln is because they feel so at home with us from the moment they arrive.

We are proud to have been named winner in the Halls and Student Accommodation category at the Whatuni Student Choice Awards 2024.

A Fantastic Location

Our fantastic location in the heart of the city means that all our University-managed accommodation is either on or just a short walk from campus, so you're never far from the action.

Affordable Options

We have budget-friendly options that start from as little as £99 a week with no deposit (in the 2025/26 academic year). Your accommodation fees also include access to classes and workout space at our on-campus Sports Centre helping you to make the most of your student experience.

Settling In

When you arrive, you'll be welcomed by our Residence Life team. As well as helping to solve any issues you may have in your residence, the team can signpost you to support services should you need them. The team also runs a variety of free events and activities each month, giving you the chance to meet other students and settle in.

Your New Home From Home

Your new home is designed to provide a sense of community. As well as offering well-equipped and modern rooms, our residences include great social spaces where you can hang out, chat, and make new friends. We also provide on-site laundry facilities and staffed receptions, with shops and a range of leisure venues all within easy reach.

COST OF LIVING

We know how important affordability is to our students. Our fantastic location in the heart of the city makes it easy to get around, and there's a wealth of support on offer to help make your money go further.

"Working as a student ambassador gives me the flexibility to choose shifts that fit my time schedule. This means I can earn money to cover my bills without having to miss out on any academic activities during term time."

Tho Pham
Student Ambassador

Cost of Living Support

We've collaborated with the Students' Union to develop an online Cost of Living Hub, which features useful information about your finances. You can find money management tips, information about the University's Financial Assistance Fund, and book one-to-one appointments with the Students' Union Advice Centre.

Earn While You Learn

Many students work while studying, and there are numerous shops, bars, and restaurants in the city offering part-time jobs. Our Campus Jobs team is also available to help you find employment within the University and support you through the recruitment process. This could be for regular roles, such as student ambassadors and content creators, or one-off opportunities designed to fit around your studies.

Scholarships and Bursaries

We have a wide range of scholarships and bursaries available for students. These can help you pay for learning resources, cover living costs, or support placements. Visit our website to see what you may be eligible for.

Discounts and Deals

As a University of Lincoln student, you can get some great discounts and deals around the city. Discounts are currently available for Domino's takeaway and food and drink at many of our Students' Union venues, to name just a few.

SUSTAINABILITY

The environment is important to us all, and when you join us at Lincoln, you can be confident that you'll be part of a community that's serious about making positive change.

We've committed to a 60% reduction in carbon emissions by 2030 and achieving net-zero emissions by 2040. We're also contributing towards all 17 of the United Nations Sustainable Development Goals.

NET-ZERO EMISSIONS BY 2040

CO_2

60% REDUCTION IN CARBON EMISSIONS BY 2030

Our research is focused on the net-zero agenda, and we're undertaking impactful studies that inform policy, shape industry practice, and help to accelerate the transition to a low-carbon future.

Net-zero thinking is embedded in our teaching and learning, and many of our programmes now include modules focusing on sustainability issues.

Our green-space projects are helping to improve biodiversity. These include a kitchen garden, wildflower meadow, an observation hive, and a wildlife-friendly campus campaign.

Our students can engage in a range of volunteering projects through the Sustainability team, Students' Union, and local environment groups. There's also the opportunity to get involved in sustainability-themed events, such as our Climate Action Festival.

FOUNDING MEMBER OF THE NATURE POSITIVE UNIVERSITIES ALLIANCE

SHAPING YOUR FUTURE

University is often the first step towards an exciting career, and we love seeing our students succeed. With that in mind, we offer a wealth of support and opportunities to help you progress into your dream job.

Building Your Skills

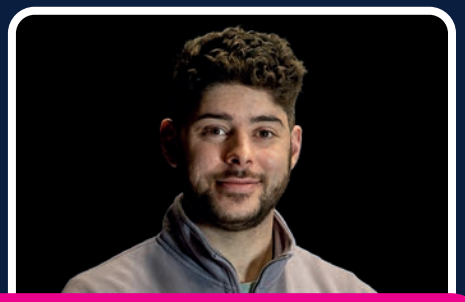

Our courses are packed with features to help you develop the expertise employers are looking for. Many of our programmes are accredited by recognised and respected organisations and include employability, professional practice, or work-based learning modules that can help you boost your skills. We are also working to ensure that all undergraduate courses offer you the chance to undertake a placement year as part of your studies.

Shantae Rayat
MChem Forensic Chemistry

Using her degree and placement experience, Shantae has built an exciting and varied career at AstraZeneca. The skills she gained through her placement have enabled Shantae to progress through the company, from Quality Control Analyst to Clinical Logistics Specialist.

"I had the opportunity to go on placement at Bard Pharmaceuticals. This encouraged me to build up a wide range of skills, such as critical thinking and presenting, which are transferable to many roles."

Danyal Khan
BA (Hons) Journalism

Danyal is a reporter at Sky Sports News, covering Premier League football and conducting interviews with players, managers, coaches, and people out in the community. During his studies at Lincoln, he undertook work placements gaining real-world experience which has helped him in his career.

"I got to experience some incredible work placements, which really helped me to prepare for the real world."

Expert Advice and Guidance

Our Careers and Employability team is here to support you throughout your time at Lincoln, and for up to two years after you graduate. The team runs informative sessions on topics including interview skills, CV writing, and using LinkedIn. They also offer one-to-one appointments where you can receive tailored advice and guidance to help you meet your career goals.

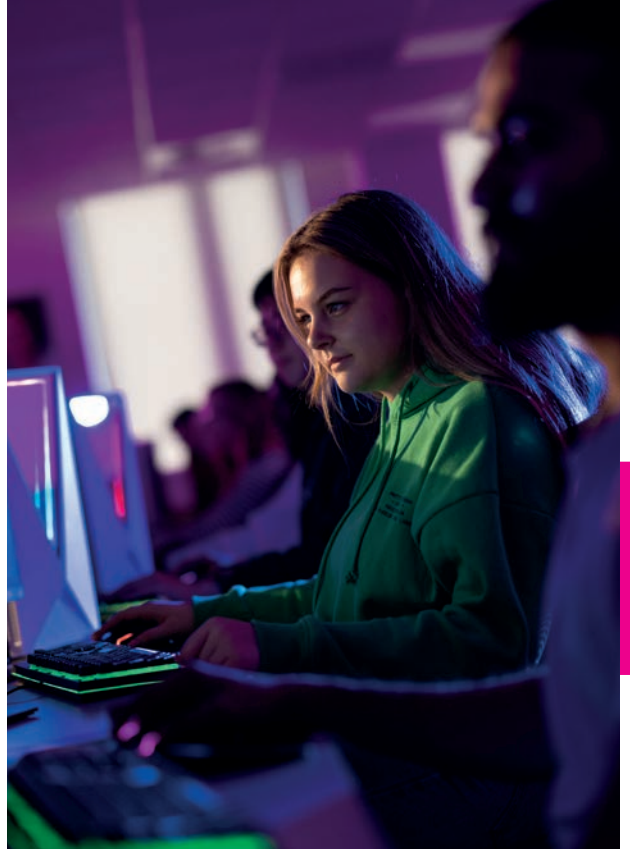

"I loved the help from the Careers and Employability team. They made things seem simpler and easier, and I was more confident and clear about what I wanted to do and how to do it."

Charlotte Carr
BSc (Hons) Bioveterinary Science

A Great Way to Stand Out

The Lincoln Award is our employability scheme, designed to help you learn new skills, gain fresh experiences, and stand out to employers. Specific pathways for those wanting to develop certain skills, study specific courses, or undertake studies abroad help to make this a unique award.

Work Experience and Placements

Gaining industry experience is an ideal way to learn more about potential career options. That's why we work with regional and national organisations to provide exciting work experience and placement opportunities. Whether it's a full year or a few weeks, each experience gives you the chance to develop industry best practice, elevate your CV, and build professional networks.

Brooke Lancaster

BA (Hons) Accountancy and Finance

Brooke is now an Economic and Social Value Consultant at Jacobs Ltd. During her studies, she undertook a range of extracurricular activities, including graduate skills builder projects, a university business challenge, and joining the Lincoln Student Managed Investment Fund – all of which helped her to decide which career path she wanted to take while enhancing her employability.

"My degree gave me a competitive advantage in key professional skills such as presenting, report writing, and communication, and I apply this knowledge regularly in my work."

Ellie Paget

BA (Hons) Business Studies

Ellie secured a work placement at Nestlé as part of her course and returned to the company after graduating. She is currently employed as a Business Solutions Specialist, working on diverse projects, conducting analyses, and implementing solutions. She credits her placement year as being the foundation of her career.

"I received advice and support from the Careers and Employability team, on areas such as CV writing and assessment centres. This was the foundation of my successful year-long industry placement at Nestlé."

Industry Insights

Our Career Readiness Programme gives you the chance to hear from inspiring guest speakers, who are invited to talk about their careers, discuss emerging industry trends, and identify potential career options. You can also access Lincoln Connect, which is the University of Lincoln's online mentoring platform, where you can develop your networking skills and build a professional community. Our mentors are alumni who now work in a variety of different sectors.

Supporting Innovation

If you have the next great business idea, our Student Enterprise team is on hand to help make it a reality. You can access workshops, mentoring, funding, and networking opportunities to help kickstart your journey. In the past, we have supported students in launching businesses in areas such as video production, fashion, and gaming.

GO GLOBAL

Many of our students go abroad to study, work, or volunteer during their time with us. This gives you the chance to create incredible memories while gaining new skills and experiences, from learning a new language to immersing yourself in a different culture.

Our carefully selected partner organisations from around the world offer a range of opportunities – whether you're looking to study abroad as part of your degree, undertake work overseas during a placement year, experience an international field trip, or even find a virtual internship.

Japan

United States

"The teaching system in Poland incorporates presentations into your learning, which improved my public speaking skills."

George Foster
LLB (Hons) Law

Making a Difference

Some of our students choose to volunteer abroad during their studies. Volunteering opportunities give you the chance to develop a range of skills while contributing to a great cause.

Expert Advice

Our expert Global Opportunities team is on hand to support you throughout the process, from finding and applying for opportunities to helping you plan your journey and secure funding support.

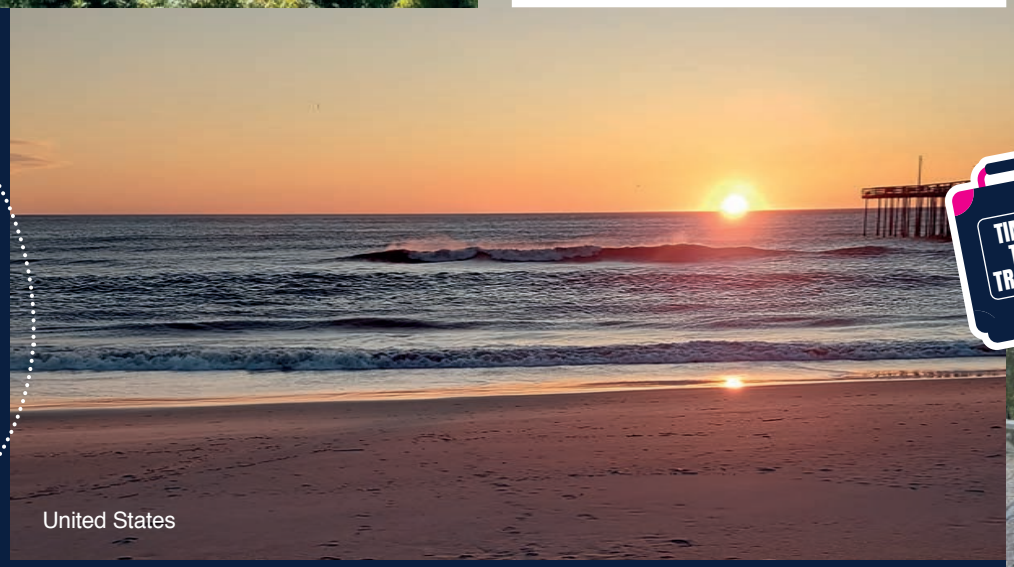

Taking a Trip

A number of our courses offer an academic field trip overseas. These allow you to combine academic work with a sightseeing and cultural trip. You can find out more about the opportunities available for each course, including costs, on our website.

"My experience volunteering for five weeks in Sri Lanka was exceptional. I am so glad that I came across this opportunity at a careers fair. It will be beneficial to my advancement to Master's-level study and set me apart from other applicants."

Lucy Watkins
BA (Hons) Drama and English

United States

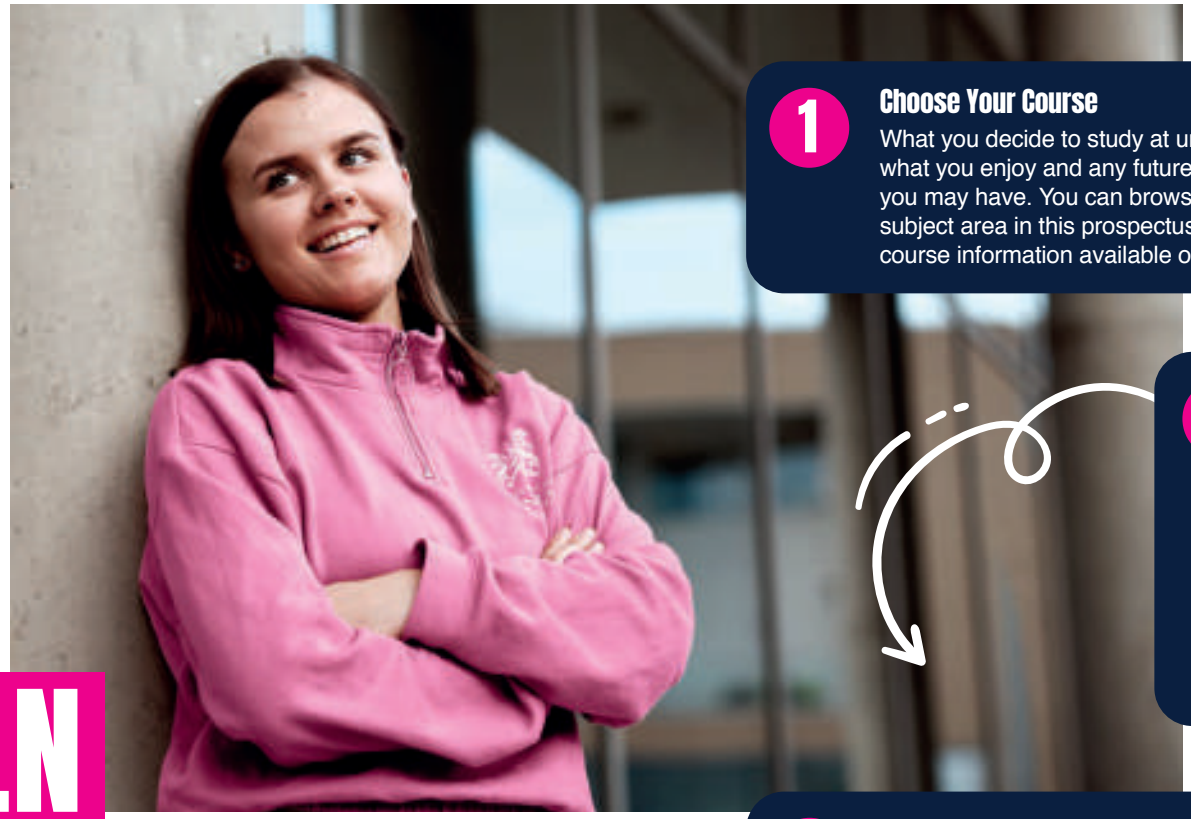

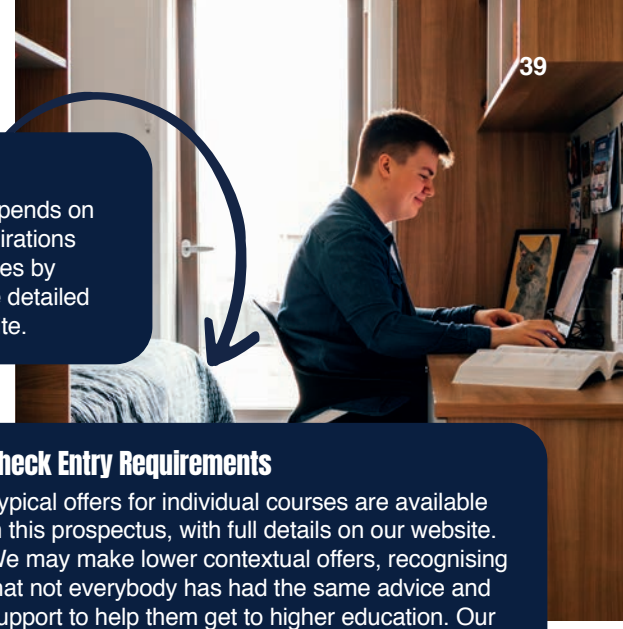

Spain

APPLYING TO LINCOLN

It all starts here. And we'll support you on every exciting step of your journey to the University of Lincoln.

1 Choose Your Course

What you decide to study at university depends on what you enjoy and any future career aspirations you may have. You can browse our courses by subject area in this prospectus, with more detailed course information available on our website.

2 Check Entry Requirements

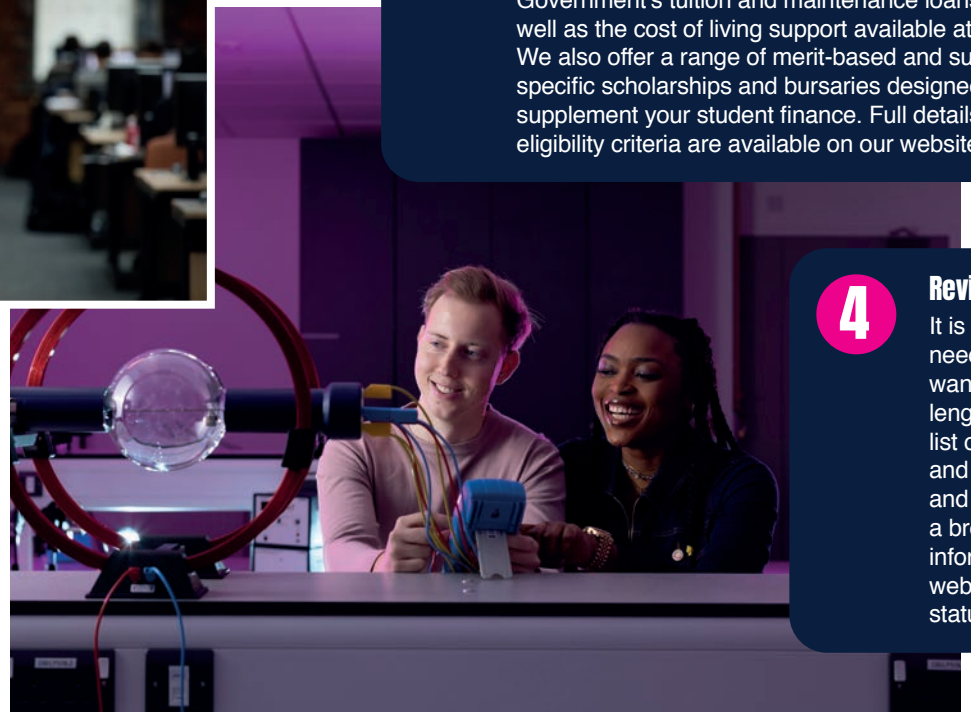

Typical offers for individual courses are available in this prospectus, with full details on our website. We may make lower contextual offers, recognising that not everybody has had the same advice and support to help them get to higher education. Our tariff range is reflected in the course section of this prospectus. We accept a range of qualifications and also offer alternative entry routes for those who do not meet our standard requirements. Visit our website to find out more.

3 Explore Fees and Funding

Full details of fees are available on the course pages of our website. Our fees and funding pages provide information on funding options, such as the Government's tuition and maintenance loans, as well as the cost of living support available at Lincoln. We also offer a range of merit-based and subject-specific scholarships and bursaries designed to supplement your student finance. Full details and eligibility criteria are available on our website.

4 Review Important Information

It is important that you have all the information you need to make an informed decision on what you want to study and where. This includes course length, typical contact hours, a comprehensive list of core and optional modules, details of fees and any additional costs you may incur, modes and location of delivery, any accreditations, and a breakdown of assessment methods. All of this information is available on the course pages of our website, along with the programme's validation status, where relevant.

“What I love about Lincoln is the friendly atmosphere, culture, and community - everyone is so lovely here.”

Azeil Fortes
BSc (Hons) Nursing
(Registered Nurse – Adult)

Sport and Exercise Therapy	BSc (Hons)	3 years	C630	96–104
Sport Coaching and Performance	BSc (Hons)	3 years	C602	96–104

†Foundation Year Programmes

Our Foundation Year programmes are designed to prepare you for degree-level study. These courses can offer exciting opportunities for students who do not meet our standard entry requirements. They are ideal for students who are not completely sure of their degree specialism, have lower than expected grades, or would benefit from time to gain confidence and adjust to degree-level study.

*Subject to validation †Foundation year available

For detailed course information, including full entry requirements, please see our website at **www.lincoln.ac.uk**.

Prospectus Information

Every effort has been made to ensure the accuracy of the information contained in this prospectus at the time of going to print (January 2025). For the most up-to-date programme information, visit our website at **www.lincoln.ac.uk**. If there is any inconsistency between the information in this prospectus and the information on our website, the information on our website should be taken as correct.

Specific terms and conditions in relation to the contract that exists between applicants and the University can be found at **www.lincoln.ac.uk/terms**. If you require this prospectus in an alternative format, please contact us by calling +44 (0)1522 886644 or email **enquiries@lincoln.ac.uk**.

Sustainability

The production of our undergraduate prospectus reflects our approach to sustainability. It has been printed on sustainably sourced paper using vegetable-based inks, with a 52% reduction in the number of pages from last year.

UNIVERSITY OF
LINCOLN
