Utah Global Program

For international students, the move from their high school to a university in the United States can be challenging — a new language, new ways of learning, and a new home. The University of Utah is here to help you with whatever you need to ensure your success. Whether you have questions about which classes to take, the best place to live, or career opportunities in the area, we are here to provide you with the support you need.

Students applying to University of Utah will benefit from:

- Streamlined application process
- Personalized enrollment services advising
- Visa interview support
- Pre-arrival support
