WELCOME TO POSITIVELY LANGUAGES

Where confidence comes first

“Positively /'pɒzɪtɪvli 'læŋgwɪdʒɪz/ has two meanings in English. It describes the way you do something: with optimism and purpose. Confidence and conviction, in one word.

For over 20 years, we’ve welcomed more than a million students to learn English, French and German. Along the way, we’ve discovered that confidence doesn’t come after learning a language. It grows as you speak it.

That’s why we get you talking from the start, in prime international locations where the language is lived every day. With inspiring teachers, supportive teams and a place to feel at home, you’ll be ready for every conversation and every opportunity ahead.

So Positively is more than our name. It’s how we teach. It’s how we support. It’s how we work together. It represents every one of us, and every experience we create for you.

At Positively Languages, we offer real-world language learning that builds the confidence and capability you need for whatever comes next.

Positively Languages.
Think differently. Connect confidently. Speak Positively.
