## How Does OnCampus Work?

**Your first step to university success**

Want to study at a top university but need some extra support? OnCampus Aston pathway programmes are made for international students who don't yet meet direct entry requirements. We help you build the skills, experience, and confidence to succeed.

### 1. Prepare for University

Study with expert teachers and improve your English and academic skills. Our high-quality teaching gives you a strong start and helps you feel ready for university.

### 2. Live the University Experience

From day one, you'll be part of real university life. Study on campus, join social activities, and feel at home in a welcoming global community.

### 3. Progress to Your Degree

Complete your OnCampus programme and progress to Aston University. You're guaranteed an offer and when you meet all the requirements, we'll support your progression to the University. You'll graduate with a world-class degree and the opportunity to work and study in the UK.

# Subject Highlights

## Studying Business

Aston Business School was founded in 1947 and is one of the oldest and largest in the UK. It holds triple accreditation, which is a prestigious classification given to a small number of business schools worldwide by the three leading business school accreditation associations.

**Business & Management**
is ranked **11th** in the UK
**87th** in the world

**Marketing**
is ranked **10th** in the UK
**Top 50** in the world

QS Business School Master's Rankings 2025

### Business Clinic

Aston Business Clinic provides opportunities for students to volunteer and act as consultants, under the guidance of an academic, to provide advice to local companies.

### Aston Global Advantage Programme

Students can take an integrated professional development module during most MSc business degrees, allowing them to develop transferable skills and gain a competitive edge in the job market. This module offers opportunities for work placements, study abroad, consultancy projects and more.

## Studying Computing, Future Technologies, Engineering & Physical Sciences

Many courses are accredited by world-leading professional bodies such as the Institution of Mechanical Engineers (IMechE), Institution of Engineering and Technology (IET), and the Chartered Management Institute (CMI).

**Mechanical Engineering**
is ranked **12th**

**Chemical Engineering**
is ranked **3rd**

**Computer Science**
is ranked **12th**

**General Engineering**
is ranked **13th**

**Civil Engineering**
is ranked **21st** overall

- IBM
- Mondelez
- KPMG
- L'Oreal
- Lloyds Bank
- Microsoft
- NHS
- P&G
- Santander
- Unilever

Aston University runs start-up programmes Apollo and BSEEN on campus, which provide student and graduate entrepreneurs with training, advice, grant support and mentoring.

"I chose Aston University because it has a brilliant Business School, and the focus on practical skills and entrepreneurialism - it stood out to me by a million miles. I'm a true believer that if you follow your passion, you dedicate yourself fully and surround yourself with great people, then you will be successful in life."

**Ben Francis MBE**
CEO and founder of Gymshark
Former Aston University student and entrepreneur

## Hands-on, Practical Teaching

Students work with industry experts to develop solutions to complex problems - MSc Marketing students worked with Philips to present real business solutions to marketing smart home technology.

# Redefining University

Aston is redefining what university means, immersing its students in industry-embedded learning, helping them to develop the skills to create the future. Hands-on learning, integrated internships, and industry connections mean students gain the skills, experience, and confidence to take on whatever comes next.

Visit **aston.ac.uk/power-skills** for more details.

Visit **aston.ac.uk/postgraduate/guaranteed-internships** for more details.

**POWER SKILLS**
**BUILT INTO EVERY UNDERGRADUATE DEGREE**

**GUARANTEED INTERNSHIP WITH EVERY ASTON MASTERS.**

"Taking a placement is one of the best decisions I've made. I learnt so much, and the experience it gave me was incredible. Step out of your comfort zone and take a placement abroad if possible. Try new things, meet new people, travel, and immerse yourself in other cultures and environments. You will grow and learn more than you could ever have imagined."

**Marta Vamos Val**
Placement: Think Young, Hong Kong

**University of the Year**
runner up for Graduate Employment

The Times and Sunday Times University Guide, 2024

**Aston graduates earn more**

Aston University is in the top 20 for UK graduate salaries three years after graduation.

Longitudinal Education Outcomes 2025

# Your Route To A Degree At Aston University

OnCampus Aston offers students guaranteed progression, subject to achieving the progression criteria, onto undergraduate and master's degree programmes at Aston University.

| Pre-university | Undergraduate Degree | | |
|---|---|---|---|
| 2 or 3 semesters | Year 1 | Year 2 | Year 3 |
| OnCampus Undergraduate Foundation Programme | Progression to Business, Economics, Finance and Management degrees<br>Progression to Engineering and Physical Sciences degrees<br>Progression to Humanities and Social Sciences degrees<br>Progression to Life Sciences degrees | | |
| OnCampus International Year One | Business, Marketing, Engineering, Law and Computing related degrees | | |

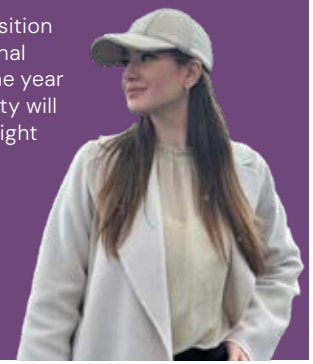

| Pre-university | Master's Degree |
|---|---|
| 2 semesters | Year 1 |
| OnCampus Pre-Master's Programme | A wide range of Master's degrees are available |

"OnCampus and Aston University have a strong connection and make a dedicated effort to help students feel part of the university community right from the beginning.

I'm now in year 2 of my degree and have been offered a job position as a Finance Analyst. The placement year is worth 10% of my final grade and I will need to prepare a presentation at the end of the year about my experience. Working for a year in my chosen speciality will not only refine my skills as a finance professional but also highlight areas where I need to improve.

I feel that OnCampus Aston played a crucial role in helping me transition smoothly into university-level study."

**Nelli, Ukrainian**
OnCampus Alumni
Currently second year BSc (Hons) Accounting and Finance

# Undergraduate Foundation Programme (UFP)

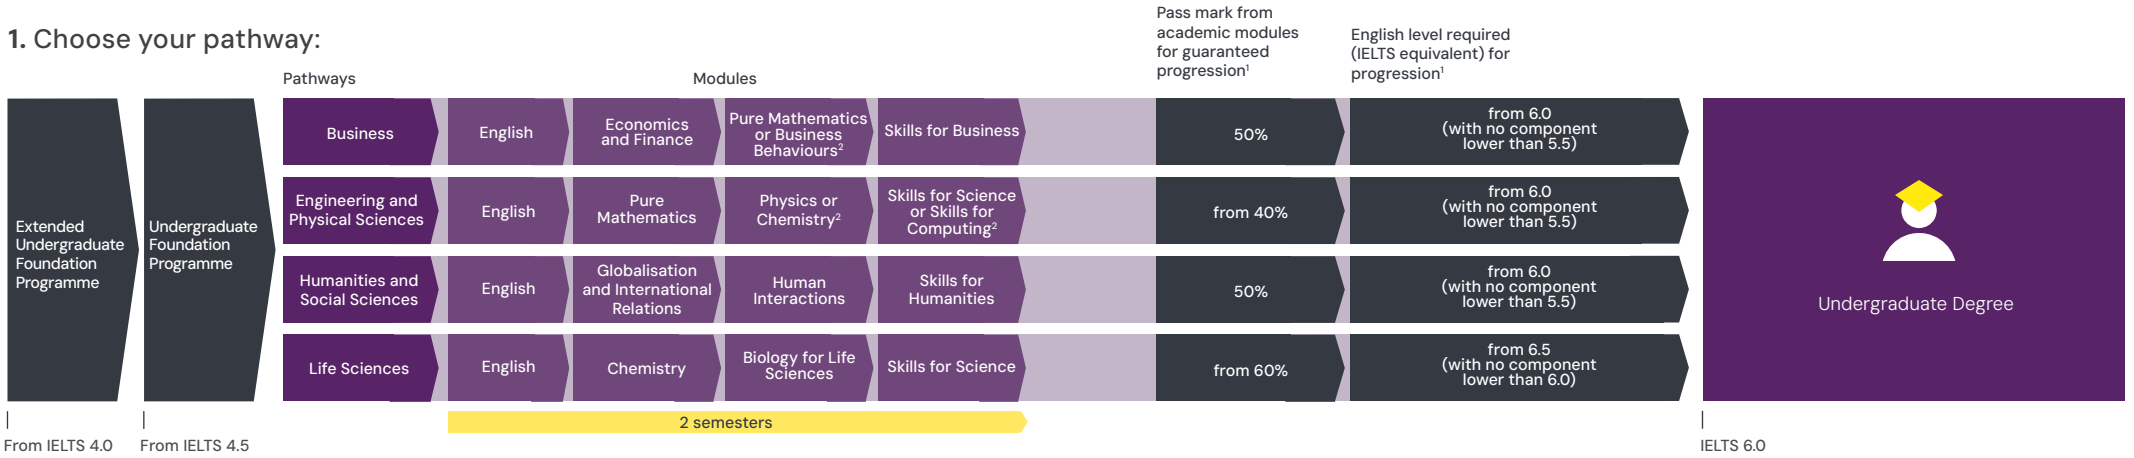

This programme gives guaranteed progression[1] to Year 1 of a wide range of undergraduate degrees.

"Since the beginning, I have planned to progress to Aston University. My foundation programme was part of the path. I chose Aston because of the reputation of Aston Business School and the practical, interactive approach to learning. I'm looking forward to taking advantage of the career support services, like the career fairs and the chance to meet one-on-one with career coaches. I believe Aston will give me the tools and environment to build the future I am aiming for."

**Ein Gyin Aung, Burmese**
UFP Business (iCAS)
Intended progression degree: BSc (Hons) Accounting and Finance

## 1. Choose your pathway:

## 2. Check your qualifications:

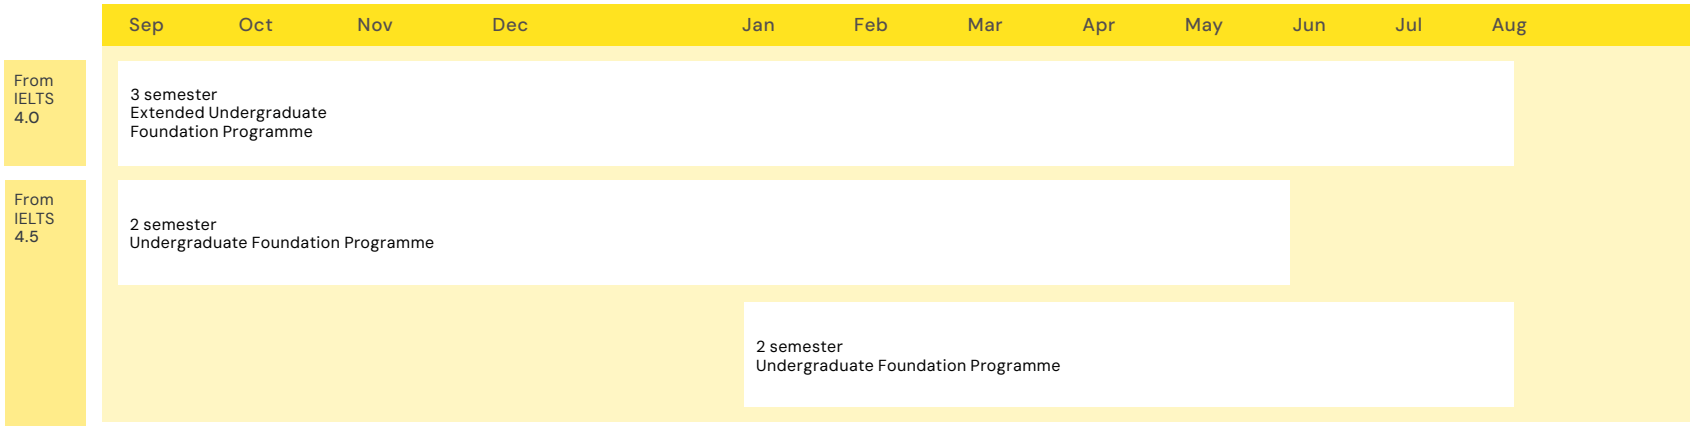

**English Level:**

From 4.0 IELTS or equivalent for 3 semester Extended UFP. The Extended programme includes an English language module followed by 2 semesters of UFP.

From 4.5 IELTS or equivalent, with no component less than 4.0, for 2 semester UFP.

**Academic Requirements:**
Please visit **oncampus.global** for academic entry requirements

## 3. Choose your entry point:

[1] Subject to achieving the progression criteria. [2] The module you study will depend on your chosen progression degree.

Please visit www.oncampus.global for full details on fees and module content.

# International Year One

This programme offers guaranteed progression[1] to Year 2 of selected undergraduate degrees. Available with iCAS only.

"Our child thrived academically at OnCampus Aston consistently achieving impressive results. The unwavering support from the committed staff further enhanced their overall experience with assistance readily available whenever required. We wholeheartedly encourage other parents to consider OnCampus for their children's education, as our satisfaction with our experience is beyond measure."

**Abdul Razzaq, Parent**
Pakistani Test Cricketer

## 1. Choose your pathway:

| Pathways | Modules | Pass mark from academic modules for guaranteed progression[1] | English level required (IELTS equivalent) for progression[1] |
|---|---|---|---|
| Accounting & Finance | You will study a wide range of business subjects, gaining a broad insight into management required by all accounting professionals. | minimum 40% | from 6.5 (6.0 in two elements and 5.5 in other two elements) |
| Business & Management | You will study a wide range of management related subjects, designed to ensure you have a broad foundation and knowledge of management. You will consider the economic, financial, human and legal issues managers deal with, and learn the tools and techniques they use to resolve them. | minimum 40% | from 6.5 (6.0 in two elements and 5.5 in other two elements) |
| International Business & Management | You will study a wide range of management related subjects, designed to ensure you have a broad foundation and knowledge of management. You will consider the economic, financial, human and legal issues managers deal with, and learn the tools and techniques they use to resolve them. | minimum 40% | from 6.5 (6.0 in two elements and 5.5 in other two elements) |
| Marketing | You will study a range of marketing-related topics to prepare for your marketing degree and you will also study core business-related modules. | minimum 40% | from 6.5 (6.0 in two elements and 5.5 in other two elements) |
| Law | You will study the key foundations of law and choose a pathway later in your degree, tailored to reflect your interests and career aspirations. | minimum 40% | from 6.5 (6.0 in two elements and 5.5 in other two elements) |
| Computer Science | You will be given a grounding in computer science to prepare you to learn how to run software projects, developing the skills to be a designer, programmer and project manager and understanding how to create usable and accessible software. | minimum 40% | from 6.0 (no component lower than 5.5) |
| Cybersecurity | You will be given a broad computing-based foundation with an emphasis on security that cuts across a range of cybersecurity specialisations, highly attractive to employers, and adaptable to a wide range of employment opportunities. | minimum 40% | from 6.0 (no component lower than 5.5 |

International Year One with Pre-Sessional English | IELTS 5.0

# Your Pathway To Career Success

**At OnCampus our focus is on helping you succeed both personally and professionally, with tailored support and real-world opportunities that lead to global career success.**

OnCampus empowers your global career success with personalised support. Our experienced staff offer one-to-one guidance, from course selection to CV perfection and interview preparation, building a strong foundation for your future.

OnCampus Future Leaders

## Future Leaders: Shaping Careers And Building Futures

- Personalised academic and career guidance
- Interview coaching and preparation
- CV and cover letter workshops
- Industry insights, internships and employer connections

We partner with top universities to offer workshops, networking events, and industry-led sessions that connect you with active employers. Students also benefit from career-building opportunities that open doors to internships and full-time roles.

STUDENT CIRCUS

## Student Circus

The Future Leaders initiative is designed to empower international students with the skills, network and opportunities necessary for global career success. We have partnered with Student Circus to offer a powerful employability ecosystem that supports students from pre-arrival through to graduation.

## What We're Offering OnCampus Students

- Access to a curated jobs board featuring UK companies that sponsor international graduates
- Support in centre to build job-ready mindsets and leadership skills
- Live webinars, sessions, and career guidance to help with job applications and highlight the value of international perspectives
- Toolkits and resources tailored to international students' unique career challenges including: an immigration guide and career country guides

This collaboration enhances our wider student experience, aligning with initiatives such as our postgraduate Leadership Launchpad – a focused leadership development programme created with career development experts to equip Pre-Master's students with real-world leadership skills that employers are actively seeking.

## The Leadership Launchpad

Offered in collaboration with career development experts, the Leadership Launchpad is a practical online programme designed to give OnCampus students the leadership skills global employers want. It boosts your academic, personal, and professional growth, helping you stand out.

The programme focuses on actionable takeaways through expert-led workshops, real examples, and self-reflection, not heavy theory. OnCampus is committed to helping you build confidence and capability for the competitive job market.

**Why take part?**

- Develop real-world leadership skills
- Stand out globally
- Build communication and leadership confidence
- Support your studies
- Gain certification

# Invest In Quality, Enjoy Outstanding Value

British higher education is world class. The excellence of the teaching and research in British universities is acknowledged worldwide.

## Take Your Degree Further at Aston University

At Aston University, you'll turn knowledge into real-world experience. Known as the UK's pioneer of the placement year, Aston offers hands-on industry placements with nearly all undergraduate courses. And starting September 2025, every Master's degree comes with a guaranteed internship or work experience.

Stand out to global employers, build a CV packed with valuable skills, and take the first step toward a successful international career—all while you study in the heart of the UK.

- Personal development to enhance your employability
- The opportunity to work in a chosen field of interest and find out if it's right for you
- Most placements are paid with average salaries between £16,000 & £18,000

"Honestly I have loved every moment spent at OnCampus Aston. It provides ample opportunity for students such as becoming a Student Representative and OnCampus Society Head President. These roles have enhanced my credibility, my leadership skills and looks good on my cv having gained lots of experience when I graduate from Aston University."

# New London Campus

**Situated in the heart of London, Aston's new postgraduate campus offers unparalleled access to the city's vast array of cultural, professional, and recreational opportunities.**

From historic landmarks and renowned museums to vibrant markets and exclusive business districts, the rich tapestry of London life is right at your doorstep.

### 200A Aldersgate (zone 1)

Students benefit from a range of facilities on campus including
- a large business lounge
- a subsidised cafeteria
- access to a Virgin Active Health Club
- bike store
- showers, changing rooms
- 24/7 manned reception and Amazon lockers.

### Student services

The same student services are available across both the Birmingham and London campuses, where on-site triage staff will liaise on your behalf.

### Amazon, TikTok, Deloitte Digital, Monzo

Are just some of the businesses in our location. This provides students with unique opportunities to connect with leading industries and immerse themselves in a dynamic professional environment, enhancing both their academic journey and career prospects.

# Guide To Birmingham

Watch Aston University's Birmingham video

**The UK's second largest city, Birmingham, is also Europe's youngest. It is ranked the 8th best student city in the UK and top 50 in the world according to QS Best Cities, 2025.**

A bustling, vibrant and multi-cultural city, Birmingham offers award-winning theatre, contemporary art, designer fashion and premier league football (it's home to Aston Villa Football Club, Prince William's favourite football team). Whatever your taste, there's something to suit everyone in Birmingham.

**Did you know?**

GymShark was founded by Ben Francis whilst studying at Aston University. One of the fastest growing sportswear brands, the company is valued at over £1 billion with their 42,000 sq ft headquarters based in Birmingham.

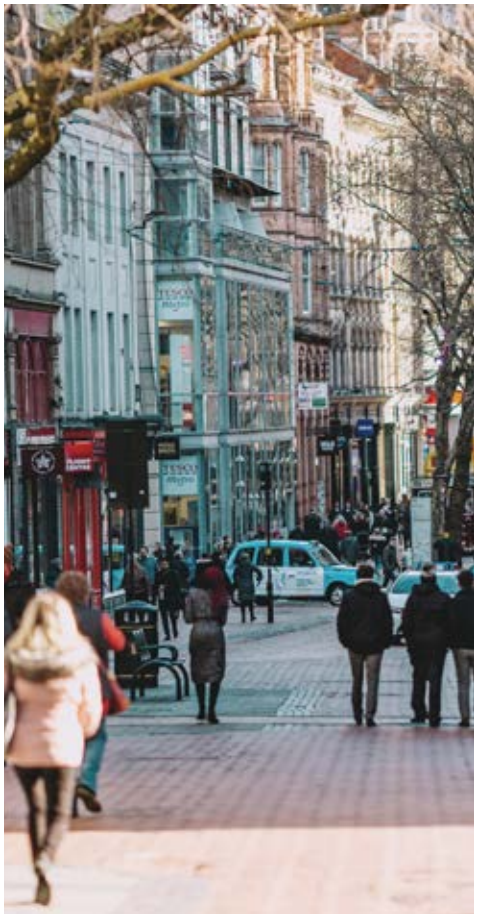

**Diversity**

Birmingham is one of the UK's youngest and most diverse cities. 40% of Birmingham's population is under 25 years old!

**Birmingham is a major hub**

for business and industry, attracting companies such as Amazon, ASOS, and PwC, major multinationals such as HSBC and Goldman Sachs, and is home to long-established companies such as Cadbury, Jaguar, Land Rover and Rolls Royce.

The Bullring shopping centre is one of the largest malls in Europe where you can head to the iconic Selfridges building or even visit the world's largest Primark!

### Birmingham is 90 minutes from London or Manchester

Birmingham has its own airport and is brilliantly placed in the centre of England. It's only a 45 minute flight to Amsterdam and an hour to Paris so you can easily visit in a weekend!

### Birmingham offers plenty to see and do.

It also has a fantastic and diverse culinary scene, with a wide variety of places to eat and drink on a student budget. In 2022, Birmingham was crowned the UK's "Most Exciting Food Destination" by The Good Food Guide.

### Music Innovation

Big household names like UB40, Duran Duran and The Streets have ties to Birmingham and the city is also where the genre of Heavy Metal was invented by the band Black Sabbath, who you will likely know better for their (late) enigmatic front man and global megastar Ozzy Osbourne.

Birmingham and the surrounding area have 10 Michelin starred restaurants (the most of any UK city outside of London)!

Birmingham is the home of Aston Villa FC and Edgbaston Cricket Ground.

### Events and activities

If you love the arts, Birmingham's award-winning performing arts scene offers live performances and festivals throughout the year.

# Your Study Centre

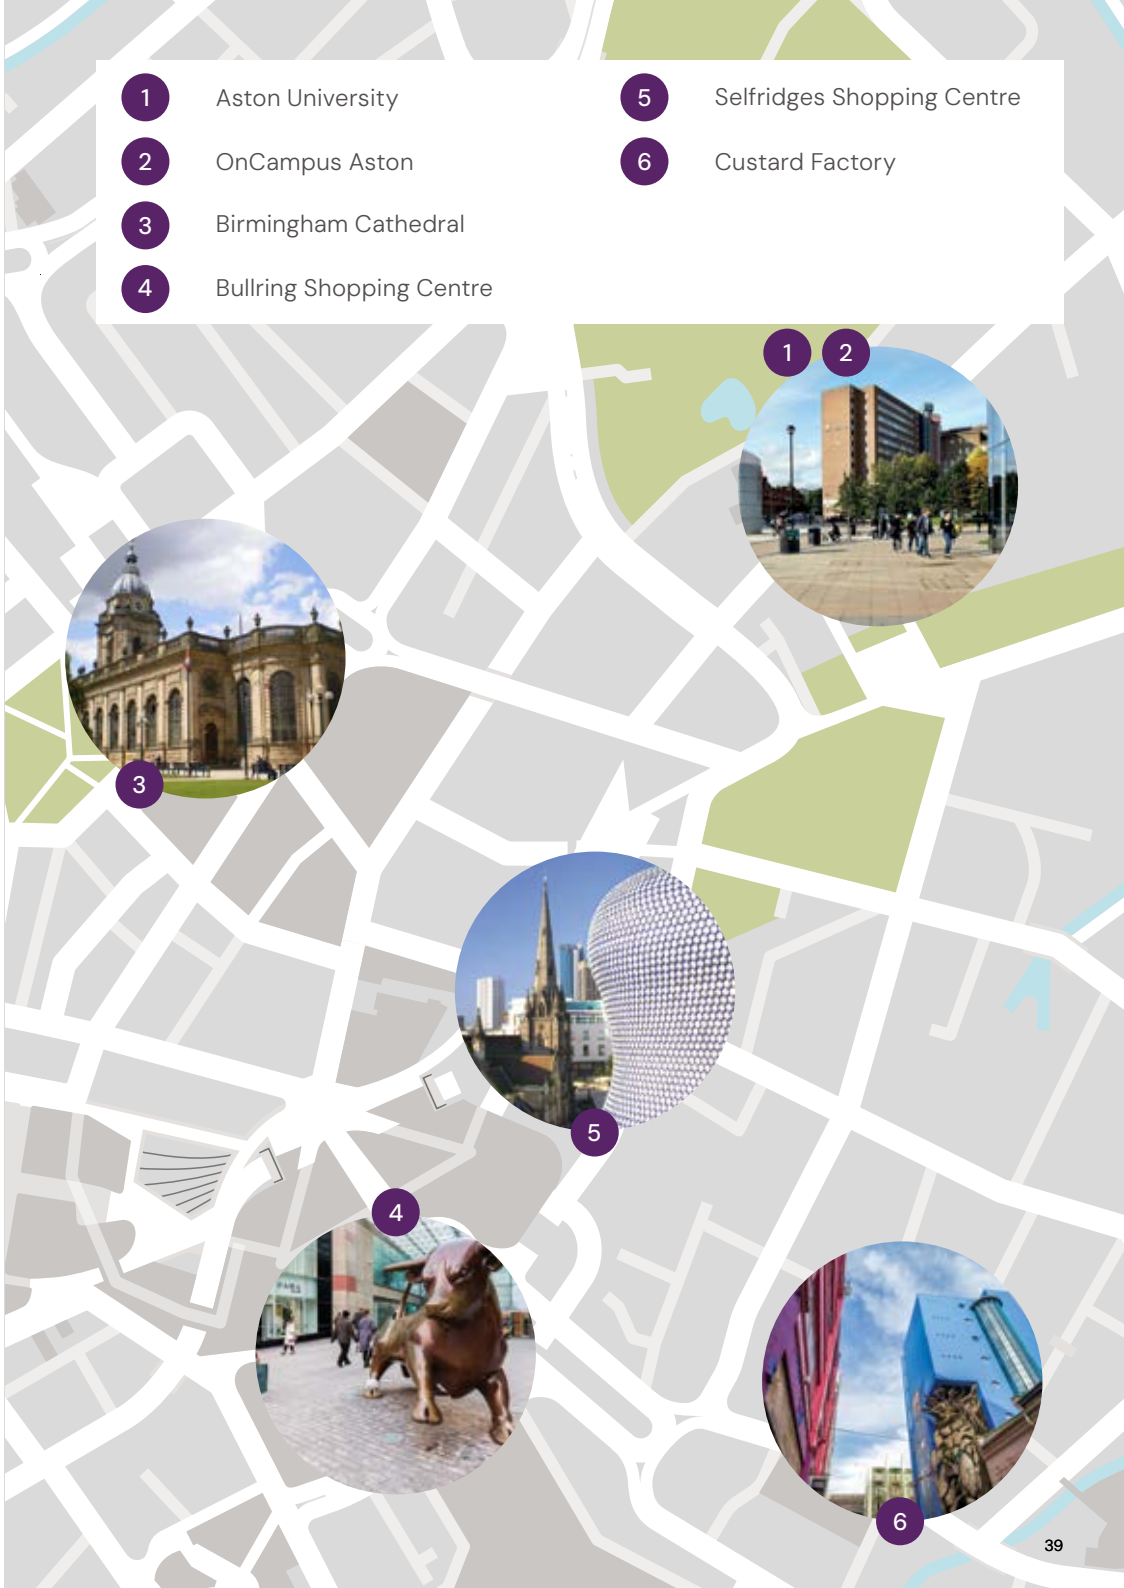

**You will study on the campus of Aston University, where you'll be fully immersed in a thriving university community. Aston's beautiful green campus is located right on the doorstep of Birmingham City Centre, giving you easy access to a vibrant cultural and social scene.**

Located in the main building, on the 5th floor, alongside all Aston colleges, OnCampus Aston benefits from access to all facilities, including laboratories, study spaces, cafes, library and the student union and associated clubs and societies. We also have our own OnCampus Society that creates events with former OnCampus students to help students settle and integrate further into the Aston community.

# Accommodation In Birmingham

We will make sure you have a safe, comfortable environment to live in while you study with us. It is very important that you have a place to stay when you arrive in the UK and we have a number of fantastic residences available for you to book in Birmingham, all offering good value for money. The details below indicate the types of facilities available and the price you can expect our accommodation options to start from.

To find out more and to book your accommodation visit: booking.oncampus.global
