How Does OnCampus Work?

Your first step to university success

Want to study at a top university but need some extra support? OnCampus Loughborough pathway programmes are made for international students who don't yet meet direct entry requirements. We help you build the skills, experience, and confidence to succeed.

1. Prepare for University

Study with expert teachers and improve your English and academic skills. Our high-quality teaching gives you a strong start and helps you feel ready for university.

2. Live the University Experience

From day one, you'll be part of real university life. Study on campus, join social activities, and feel at home in a welcoming global community.

3. Progress to Your Degree

Complete your OnCampus programme and progress to Loughborough University. You're guaranteed an offer and when you meet all the requirements, we'll support your progression to the University. You'll graduate with a world-class degree and the opportunity to work and study in the UK.

Why Study with OnCampus Loughborough?

Your Foundation for Achieving More

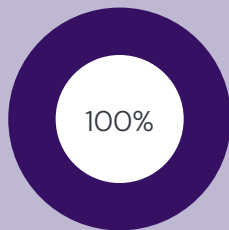

OnCampus is part of the Cambridge Education Group, a trusted name in education since 1952. With over 70 years of experience, we support international students to succeed. Our high-quality teaching, personalised support, and strong university partnerships help you achieve your goals and succeed at university and beyond.

Guaranteed University Offer

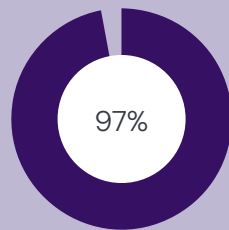

Complete your OnCampus Loughborough programme and progress to Loughborough University. Your offer is guaranteed and your place secure when you meet the requirements.

Of our students say that our staff are warm and welcoming

Pass rate for Pre-Master's Programme students in 2025

Pass rate for Undergraduate Foundation Programme students in 2025

Career Focused

Our programmes align with your career goals, providing work experience and industry connections through our partner universities. You'll have opportunities to join our Student Ambassador scheme, become a Content Creator or a class Student Rep to help build your confidence, grow your friendship group and develop those leadership skills before you start your degree. Free access to Student Circus for all our students.

Personal Support At Every Step

From the moment you apply to the day you graduate, we're here for you. Our expert team offers personalised support to help you succeed in your studies, in daily life, and throughout your journey to university. We're fully trained to support your wellbeing, safety, and progress.

Inclusive And Welcoming Community

Join students from around the world in a respectful, friendly, and safe environment where you can be yourself. We treat all students with dignity and respect, fostering a strong sense of community.

We Make Your Move As Smooth As Possible With:

24-hour support when you arrive

One-to-one help with housing

Welcome events and social activities to help you settle in

You'll also receive expert visa guidance from pre-arrival onwards, including help with applications and compliance.

95% visa success rate in 2023/24

University Highlights

Loughborough's achievements are far-reaching. Consistently ranked as one of the top performing universities in the UK, Loughborough offers outstanding teaching, award-winning facilities and a true campus environment. Above all, Loughborough University is a welcoming place where students can feel they can be themselves.

Campuses And Facilities

Loughborough University has two outstanding campuses, one in Loughborough and the other, a postgraduate campus, in Here East, based at the Queen Elizabeth Olympic Park in London.

The University campuses offer world-class facilities for every aspect of university life. On progression from OnCampus, students joining Loughborough University will benefit from access to all facilities on offer.

Loughborough campus

Teaching and Learning

Pilkington Library

The four-storey University Library is the largest open access study space on campus, featuring an extensive collection of books, journals, specialist databases and online resources.

Students can benefit from 24/7 opening hours during key revision and exam periods, as well as 1,300 study spaces, 250 desktop computers, an in-house PC clinic and a cafeteria.

STEMLab

STEMLab is a £17 million investment containing the most advanced laboratories, workshops and teaching spaces for science and engineering students.

Opened in 2017, the 3,500m² STEMLab building forms part of a wider £25 million investment set to transform the University's west side of campus.

£350 million has been invested in the Estate over the last ten years

(October 2023)

University Facilities

Sport

Powerbase

There are two gyms available on campus, Powerbase gym and Holywell Fitness Centre. Powerbase is one of the country's largest strength and conditioning gyms and is used by Olympic and Paralympic athletes. Open to staff and students, Powerbase holds an impressive number of free weights, weightlifting platforms and equipment designed to maximise performance and achieve personal goals. There is also a dedicated cardio floor containing exercise bikes, Wattbikes, treadmills and rowing machines.

Athletics Centre

Loughborough's athletics offering includes the Seb Coe High Performance Athletics Centre, Paula Radcliffe Athletics Track and Steve Backley National Throws Centre. This trio of iconic names represents the class that students can expect from the track and field facilities.

50m swimming pool

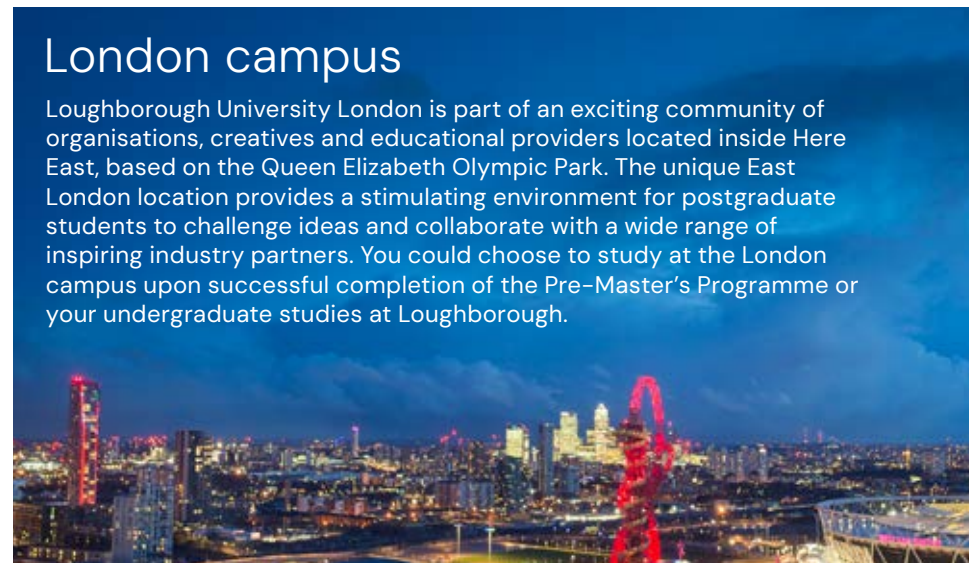

With its international standard diving blocks, timing systems and scoreboard, the Olympic-sized swimming pool has been hand-selected to be the training base for world-leading swimmers. It is also the location of the British Swimming National Centre, Loughborough Swimming and the British Triathlon Performance Centre.

Elite Athlete Centre

The Elite Athlete Centre and Hotel is the first and only one of its kind in the UK, offering 20 special altitude-controlled bedrooms that can take athletes from sea level to 5,000m (Everest base camp) in approximately 240 minutes. This fully accessible venue comes complete with a restaurant and café serving carefully balanced dishes prepared by expert nutritionists and chefs.

London campus

Loughborough University London is part of an exciting community of organisations, creatives and educational providers located inside Here East, based on the Queen Elizabeth Olympic Park. The unique East London location provides a stimulating environment for postgraduate students to challenge ideas and collaborate with a wide range of inspiring industry partners. You could choose to study at the London campus upon successful completion of the Pre-Master's Programme or your undergraduate studies at Loughborough.

*Progressions only available at the Loughborough University London campus.

"What stands out to me the most is the sense of safety and love the teachers and staff give, it feels like I'm a child of their own, and like home away from home. The environment is just what every international student needs and being a part of this community has really been an experience worth having."

Nhlanhla, Motswana
OnCampus Alumni

"My friends and I consider OnCampus as our family away from home. A profound sense of openness, community, and a diverse social and cultural acceptance that embraces anybody who steps foot into OnCampus Loughborough. My journey through the Undergraduate Foundation Programme was nothing but fulfilling and prepared me for the days I now experience as an undergraduate student at Loughborough University."

Joshua, Zambian
OnCampus Alumni
Currently studying BSc (Hons) International Business

Your Route To A Degree At Loughborough University

OnCampus Loughborough offers guaranteed progression* to a wide range of undergraduate and postgraduate degrees at Loughborough University, on successful completion of our Foundation programmes.

*Subject to meeting the specified entry criteria

Pre-university	Undergraduate Degree		
2 or 3 semesters	Year 1	Year 2	Year 3
OnCampus Undergraduate Foundation Programme	Business, Economics, Finance and Management degrees		
	Engineering and Physical Sciences degrees		
	Humanities and Social Sciences degrees		
	Life Sciences degrees		
	Art and Design degrees

		2 semesters					
							From IELTS 6.5

“Being part of Loughborough University and studying Electrical and Electronic Engineering has allowed me to immerse myself in the field I wanted to study, with access to high-quality facilities and professionals in lectures and seminars. I’ve had the opportunity to join the Formula Student team and work on the car’s electrical systems, improving my personal skills. It is really impressive that what I’ve learned in class can be brought to life.”

Gabriel, Brazilian
 OnCampus Alumni
 Currently studying BEng (Hons) Electrical and Electronic Engineering

2. Check your qualifications:

English Level:
From IELTS 4.5 or equivalent, with no single element less than 4.5, for 3 semester Extended UFP. The Extended programme includes an English language module followed by 2 semesters of UFP.

From IELTS 5.0 or equivalent, with no single element less than 5.0 for the 2 semester UFP.

Your Pathway To Career Success

At OnCampus our focus is on helping you succeed both personally and professionally, with tailored support and real-world opportunities that lead to global career success.

OnCampus empowers your global career success with personalised support. Our experienced staff offer one-to-one guidance, from course selection to CV perfection and interview preparation, building a strong foundation for your future.

Future Leaders: Shaping Careers and Building Futures

-  Personalised academic and career guidance
-  Interview coaching and preparation
-  CV and cover letter workshops
-  Industry insights, internships and employer connections

We partner with top universities to offer workshops, networking events, and industry-led sessions that connect you with active employers. Students also benefit from career-building opportunities that open doors to internships and full-time roles.

Student Circus

The Future Leaders initiative is designed to empower international students with the skills, network and opportunities necessary for global career success. We have partnered with Student Circus to offer a powerful employability ecosystem that supports students from pre-arrival through to graduation.

What we're offering OnCampus students

Access to a curated jobs board featuring UK companies that sponsor international graduates

Support in centre to build job-ready mindsets and leadership skills

Live webinars, sessions, and career guidance to help with job applications and highlight the value of international perspectives

Toolkits and resources tailored to international students' unique career challenges including an immigration guide and career country guides

This collaboration enhances our wider student experience, aligning with initiatives such as our postgraduate Leadership Launchpad – a focused leadership development programme created with career development experts to equip Pre-Master's students with real-world leadership skills that employers are actively seeking.

The Leadership Launchpad

The Leadership Launchpad is run in collaboration with career development experts. It is a practical online programme designed to give OnCampus international students the leadership skills global employers want. It boosts your academic, personal, and professional growth, helping you stand out.

The programme focuses on actionable takeaways through expert-led workshops, real examples, and self-reflection, not heavy theory. OnCampus is committed to helping you build confidence and capability for the competitive job market.

Why take part?

Guide To Loughborough

Loughborough is a market town in the heart of the East Midlands, situated between Leicester and Nottingham and only a 77-minute train ride away from London. With great transport links, Loughborough offers easy access to surrounding cities.

The town is a 15-minute stroll from campus and offers a wide range of amenities including cinemas, restaurants, dessert parlours and retail stores.

Street Market

Granted Royal Charter in 1221, this twice-weekly market fills the historic Market Place with over 100 stalls offering everything from food and beverages, to clothes and household items, and is a real must-visit in Loughborough.

Comedy Nights

Loughborough town hosts a regular programme of live performances and comedy evenings for you to enjoy with friends.

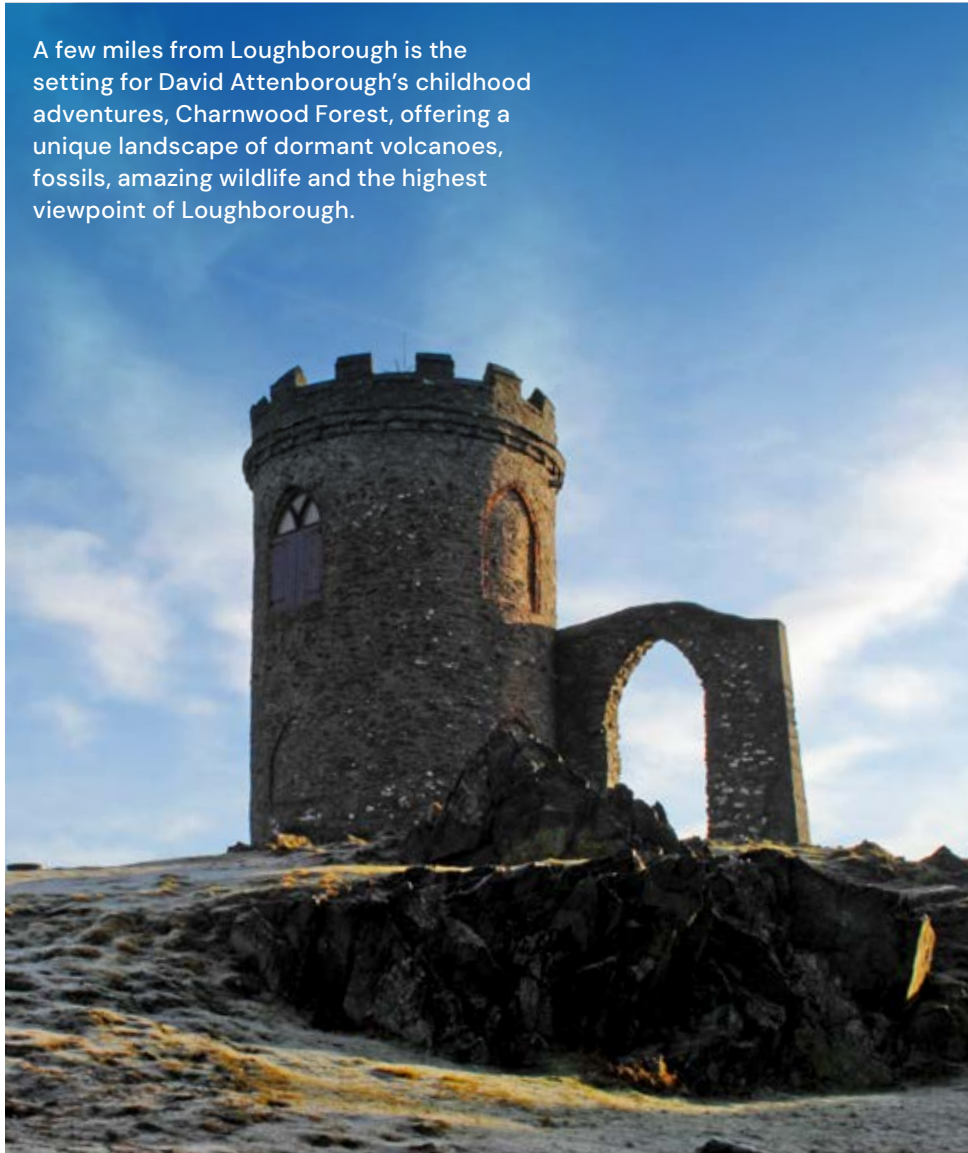

Queen's Park

Queen's Park is a much-loved local park, which has achieved a Green Flag award every year since 2008. Host to an array of bands in the summer, this beautiful green space was first opened in June 1899 to celebrate Queen Victoria's Diamond Jubilee.

A few miles from Loughborough is the setting for David Attenborough's childhood adventures, Charnwood Forest, offering a unique landscape of dormant volcanoes, fossils, amazing wildlife and the highest viewpoint of Loughborough.

Cities

The cities of Leicester and Nottingham are very close to Loughborough. On average, trains take 18 minutes to reach Leicester and 23 minutes to reach Nottingham. There you will find a wealth of attractions and fantastic shops.

Golden Mile

Leicester is famous for its restaurants and shops, and you can find lots of places to buy ingredients to cook your favourite recipes from home, as well as clothing and other goods along the Golden Mile.

Loughborough Fair

Every November for over 800 years this much-loved fair comes to town offering rides, games, attractions and a multitude of stalls.

Bloom Awards

Loughborough has won Gold in the East Midlands in Bloom awards thirteen times since 2011 and the town was recently awarded £17 million in Government funding to make it even more special.

The National Space Centre

Opened in 2001, the National Space Centre is a museum and educational centre full of rockets, exhibitions, galleries, and the UK's largest planetarium.
