-  Reno, Nevada
-  21,000+ total enrollment
-  3% international students

★ #192 National Universities (tie)
U.S. News & World Report, 2026

★ #150 Best Undergraduate
Engineering Programs (tie)
U.S. News & World Report, 2026

At the University of Nevada, Reno, history meets innovation. We've invested nearly a billion dollars into expanding our campus in the past decade — all in an effort to provide you with the tools, resources, and services that create a world-class learning experience.

Highlights

- 250+ student clubs and organizations
- 17:1 student-to-faculty ratio
- 60+ research centers and state-of-the-art laboratories
- “The Wolf Pack Way” fosters a collaborative, close-knit, and inclusive community that is predicated on making the world a better place
- Lake Tahoe — America's largest alpine lake — is 45 minutes by car from our Reno main campus and just six minutes on foot from our new Lake Tahoe campus

“There's a lot to love about the University of Nevada, Reno... Day in and day out, I get the chance to interact with and learn from our amazing faculty and researchers here on campus, who ensure students are ready for the tough medical field ahead.”

Viktor Cruz-Calderon
Molecular Microbiology Major

Location

Located where the beauty of the high desert meets the majesty of the Sierra Nevada mountains, Reno is a growing technology hub with a vibrant arts culture and unparalleled outdoor recreation opportunities.
