JING
China

"With top scholars and advanced facilities—including 10 specialized laboratories—students here experience great enhancement in our academic ability; and we gain both theoretical and hands-on training. This enhancement can lead to good job opportunities in the future."

Highlights

- **Top 20** entrepreneurship programs in the country, The Princeton Review
- **14:1** student-to-faculty ratio
- **$170.5M** in sponsored research
- **Flight simulator:** The University of Dayton is the only university in North America to house a Merlin MP521 Flight Simulator that can run flight simulations for any aircraft.

Location

Located in America's Heartland, Dayton is known for its rich history of innovation and connections to aviation, thanks to the Wright brothers.

- **1.5-hour flight** to Chicago, **2-flight** to NYC
- **Non-stop flights** to 13 U.S. destinations from Dayton International Airport
