Homestay

Your home away from home

Private Home Accommodation

This accommodation is for students aged 18+ only. The board and prices are the same as Standard Homestays.

With this type of accommodation, it is likely that the ratio of students to host will be higher (usually up to 8 students).

This should not affect the amount of contact time that students have with the host and students may find they enjoy the social opportunities that occur with being in this type of accommodation.

Executive Homestay

Executive Homestay accommodation includes single room accommodation with private bathroom facilities.

At ETC, we can arrange a welcoming homestay for you; giving you the chance to truly immerse yourself in local life. Many of our students choose this option because it's one of the best ways to practise your spoken English naturally, every day, beyond the classroom.

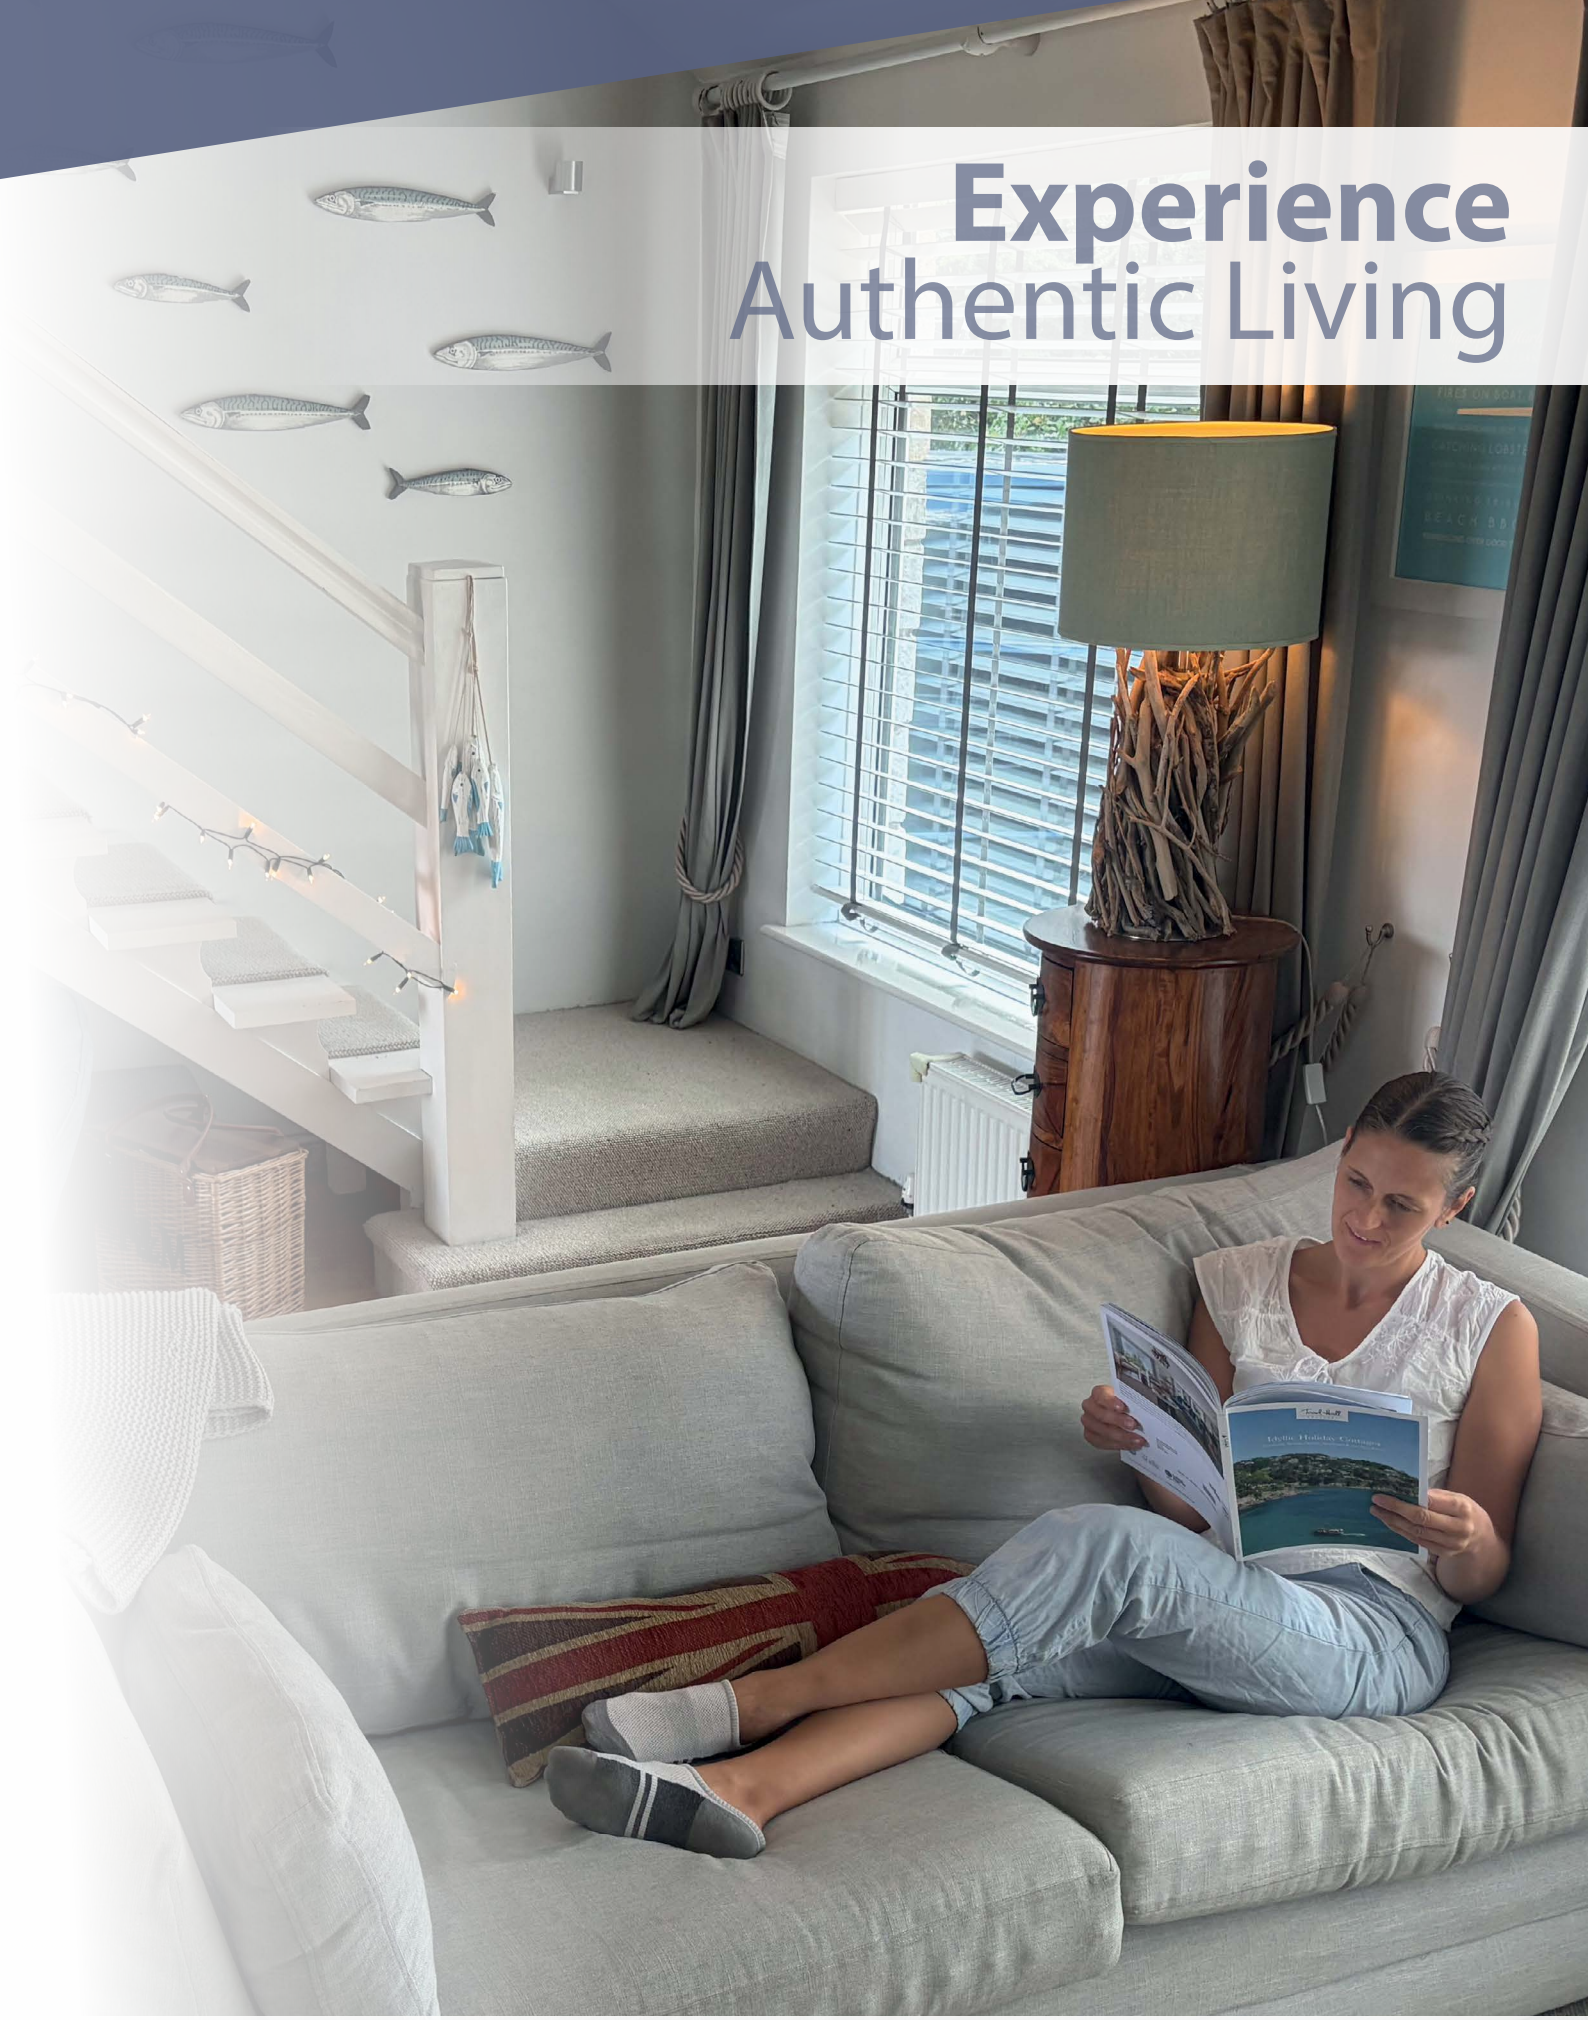

You'll enjoy a comfortable, clean room, complete with a desk; perfect for studying and relaxing in your own space. Your stay includes half-board during the week (breakfast and evening meal) and full-board at weekends and public holidays.

Our friendly hosts are typically located just around 25 minutes away, with convenient access to local bus routes (travel times may be longer during busy periods). Linen and towels are provided and your room is cleaned weekly, so you can focus on enjoying your experience.

Accommodation is available: **Saturday to Saturday** or **Sunday to Sunday**
