Skills

English Path offers three skills courses that let you develop your language for social, academic, and career contexts. They are an optional extra hour added to your General English lessons, included in Semi-Intensive or available as an upgrade to Classic, and are one of the best ways to get more from your time with EP.
At A1-B1, everyone taking the extra Skills hour joins Communication Workshop, practical speaking, everyday vocabulary, and the confidence to manage daily life.

At B1+ to C1, you choose your direction: Academic Skills covers English for Academic Purposes, critical thinking and exam preparation, including IELTS, for students heading to university. Career Skills covers business English, professional communication and employability, for students building their career.
Both pathways run at every EP campus, year-round. Some campuses also offer local skills options for specific industries, subject to demand. Ask Student Services for current availability.

Skills Optional add-ons to your General English. Included in the Semi or Super-intensive courses.
