

XTOCK

Privacy Policy

Privacy Policy

Xtock Limited (hereinafter referred to as the "Company") is a company legally incorporated in Hong Kong. The Company operates <https://www.xtock.io> (hereinafter referred to as the "Website") as a platform for the OTC Market Finance platform and the provision of related services (hereinafter referred to as the "Service"). For easier reference, the Company and the Website are referred to as "We" in this Agreement. Any natural person or other person who logs on to the Website will be deemed as the user of the Website and hereinafter referred to as "You"

When you are using our services, we will observe the Privacy Policy (hereinafter referred to as the "policy" to collect, store, use and disclose your personal information to external parties. Meanwhile, we will explain how to provide services including access, update, management and protection of your information through the Policy. The Policy is closely related with your use of our services, so we suggest you to carefully read and understand the entire contents of the Policy and make the choice you think appropriate.

I. Purpose for Formulation of the Privacy Policy

The Policy states that we can only collect your information when you log on to the Website, register on the Website and/or use the each services we provide and further provides guidance on use and protection of the information collected.

II. Your Consent

In order to assure your full confidence in our processing of the personal information and data, we kindly request you to carefully read and understand the terms specified herein. In particular, once you log on to the Website, you show your acceptance, consent, commitment and confirmation to us, whether you intend to register or not, that:

2.1 You disclose the personal information to us voluntarily;

2.2 You will observe all terms and limitations specified herein;

2.3 You agree that we can collect your information when you log on to the Website, register in the Website and/or use the services we render;

2.4 You agree to any amendments to the Policy;

2.5 You agree that our subsidiaries, affiliates and employees can contact you for the products and services that you may be interested in (unless you have expressed your unwillingness to receive such information).

III. Information Collected

3.1 When you are using the Website, you agree that we use cookies to track each of your actions and collect and retain all information that you leave, including but not limited to your IP address, geographical location and other data.

3.2 If you are willing to use the Services rendered in the Website, you need to fill in and provide the following information:

3.2.1 Identity Information: such information can help us verify if you are eligible to register and become a user of the Website, including but not limited to your name, residence address, mailing address, different certificates and numbers issued by the country or government to prove your identity and other information which can help us verify your identity information (collectively referred to as the “KYC Information.”)

3.2.2 Service Information: such information can help us contact you and provide you with the Services smoothly, including but not limited to your telephone number, effective email address, employment information, mailing address and debit card information and/or other account information (collectively referred to as the “Service Information.”)

3.3 When you are using the Website or the Services, we may improve the use functions of the Website and your usage experiences toward the Website and the Services as well as their security; we may collect more necessary information according to the court order or applicable laws and regulations or the orders from other government agencies with jurisdiction through our email published on the Website and exclusively belonging to us or by other means that we may think appropriate.

3.4 If you visit third-party websites or any links of our partners, you shall agree and observe the independent privacy policies provided in such third-party websites. We assume no liability against the contents and activities in the websites of the third parties or partners.

IV. Cookies

4.1 A Cookie is a small piece of data sent to your browser and stored on your computer hard disk drive. Only when you enter into our website on your computer, can the cookie be sent to your computer hard disk drive.

4.2 Cookies are often used to record the visitors habits and preferences when they are browsing various items on the Website. The data collected by cookies is unregistered collective statistics and carries no personal data.

4.3 Cookies cannot be used to obtain the data on your hard disk, email address and private data. They enable the Website or service provider system to identify your browser and capture and memorize the information. Most browsers can be preset to accept the cookies. You can set your browser not to accept cookies or you are informed when cookies are installed. However, if cookies are prohibited, you may fail to activate or use some functions on the Website.

V. Information Use

5.1 We will use your information that we have collected for the following purposes or in the following ways:

5.1.1 We provide you with various services via the Website;

5.1.2 When you are using the Website, we are able to identify and confirm your identity;

5.1.3 Improve and promote the website services (the information and feedback we receive from you will help us improve the website services, thus enabling us to respond to your service requests and supporting demands more effectively);

5.1.4 Conduct statistic work for the data about the amount of usage on the Website and data analysis cooperating with the government agencies and public institutions;

5.1.5 Your individual experience (your information will help us better respond to your individual needs);

5.1.6 Process transactions (your information, public or private, will never be sold, exchanged, transferred or provided to any other companies without your consent, except for the specific purpose of completing the transactions you require);

5.1.7 Send marketing emails regularly (we will send information and update the orders related with you to the email address that you provide for order processing in addition to receiving our news, updates and information on relevant products or services);

5.1.8 For other purposes specified in the Website's service agreement and all legal means for such purposes.

5.2 We will never sell, trade or transfer the information in other ways or allow others to collect and use the information, but except the following other parties and information: our related parties, or reliable third parties that help us operate the Website, develop business or provide you with the services, or the third parties that provide you with the services and agree to keep information confidential; the information may be disclosed as we think it appropriate; or to observe the provisions of laws, rules and regulations; or pursuant to any order of court or any other competent authority and to implement the strategies for the Website and assure normal operation of the Website; or to enable the related parties to render services or protect our and other rights, properties or safety. However, your information will never be provided to other parties for marketing, advertising or other purposes.

VI. Protection of Personal Data

6.1 We implement proper physical, electronic, management and technical measures to protect and safeguard the safety of your personal information. We will make the best efforts to prevent any personal information collected via the Website from harassment of any third parties without relation with us. The safety measures we adopt include but are not limited to:

6.1.1 Physical measure: the records storing your personal information will be saved in a locked area.

6.1.2 Electronic measure: the computer data storing your personal information will be saved in the computer system and storage media with strict access limitations.

6.1.3 Management measure: only authorized employees are able to gain access to your personal information and such employees are required to observe our internal rules for personal information confidentiality.

6.1.4 Technical measure: encryption techniques such as Secure Socket Layer Encryption may be adopted to transmit your personal information.

6.1.5 Other measure: our website server is protected by fire wall.

6.2 If you detect any security holes in the Website, please contact us immediately and we will take appropriate actions as soon as possible.

6.3 Despite the above-mentioned techniques and security measures, we cannot guarantee that transmission of data on the Internet is absolutely safe, so we cannot absolutely guarantee your personal information provided to us via the Website is safe all the time. We assume no liability against the events of gaining access to your personal information without permission and we are irresponsible for compensation for any loss or damage arising from or caused by such events.

VII. Revision of Privacy Policy

We retain the right to amend the Privacy Policy at any time. We will notify you of the amendment to the Privacy Policy by updating and publishing the effective date of the new version and highlighting the parts amended; we may sometimes make an announcement to you that the Privacy Policy has been revised, but it is not our obligation. You shall regularly check the Privacy Policy and pay attentions to its revision. If you disagree with such revision, please stop visiting the Website immediately. When new version of the Privacy Policy is issued, your continuation to visit the Website shall indicate that you accept the update and agree to observe the updated Privacy Policy.

VIII. Communication with Us

8.1 If you have any requirement or comment, please contact us via the contact information published in the Website and this is the only effective way of communication between us and you. We assume no liability against any act or omission of your failure to use the above-mentioned effective contact information.

8.2 We only make announcements and publish information through the effective channel of the Company or the Website and we assume no liability against any losses incurred from the information obtained by some means other than the above-mentioned ways.

8.3 In case you have any questions regarding the Privacy Policy, please feel free to contact us. (contact@xtock.io)
